Have You Anything To Declare A Notebook:

Twentieth Century Fiction George Woodcock, 1983-04-01 **New York Magazine**, 1969-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Portable Modernisms** Emily Ridge, 2017-06-23 Luggage is an overlooked detail in the stock sketch of the expatriated modernist writer from the valise fashioned desks of both James Joyce and Vladimir Nabokov to the lost manuscript laden cases of Ernest Hemingway and Walter Benjamin While the trope of modernist exile has long been spotlighted little attention has been given to the material meaning of this condition What things and objects do modernism's exiles and emigres carry with them and how does the act of carriage enter into the modernist picture more broadly What are the implications and historical resonances of a portable outlook particularly from the angles of gender wartime conflict and character conception Above all how far does such an outlook impact upon artistic vision Portability represents the simultaneous transportation and repudiation of domesticity and the home those key frames of reference in the nineteenth century novel This book examines the multifarious ways in which the emergence of a modern culture of portability prompts a radical if often problematic departure from Victorian architectural conceptions of fiction towards more movable understandings of form and character **The Devils and Canon Barham** Edmund Wilson, 2019-11-19 Edmund Wilson's last collection of criticism The Devils Canon Barham contains ten essays on Poets Novelists and Monsters Previously published in the New Yorker and the New York Review of Books Wilson's writing featured in this volume sees the critic returning to his roots and youth with essays on his childhood love for The Ingoldsby Legends the works of Hemingway Eliot's The Waste Land and ends with a piece on The Monsters of Bomarzo and by taking the Modern Language Association MLA to task **St. James Reference Guide to English Literature: 20th century fiction**, 1985 **The Journal of the Rutgers University Library**, 1948-12 Catullus in English Gaius Valerius Catullus, 2001 **The Bomb-Monger's Daughter** Rory Barnes, 2013-08-20 Anasuya's father a notorious financier and arms dealer has disappeared Has he been kidnapped or murdered or just plain dropped out of sight His daughter claims a complete lack of interest in her father's fate But why is she hiding on a Greek island with her mother's second husband now her own lover and writing obsessively in her notebooks about her father and the other members of her family Slowly her diary starts to make sense of the disappearance or at least it appears to But all is not what it seems and Anasuya may not be the most reliable of witnesses As much a study of strange family interactions as it is a thriller THE BOMB MONGER'S DAUGHTER is absolutely compulsive reading As Mary Lord has said This is an exceptionally well written and crafted novel for intelligent readers who enjoy a good story just for the hell of it *Reference Guide to English Literature* D.
