Grandfather's Tale Timothy Erenberger, 2001-12-26 Every grandfather has a tale and this is the tale of Georg Frick a German sniper for the German Army during World War II Georg Frick is an old man now but in 1937 the German Army drafted him *Grandfather's Tale* is the story of Georg's transformation from reluctant new soldier into a master sniper Georg fought in dozens of battles in several countries including Poland Belgium the Soviet Union Crete Italy and Germany After proving himself to be an exceptional sniper he joined a special team of German paratroopers This group of expert soldiers was parachuted into Eben Emael the strongest single fortress in the world Georg's story is one of adventure and survival under extreme circumstances including the brutal Soviet winter and the final battle the Battle of Berlin Join Georg as he recounts his harrowing experiences to his grandson in hopes that he may learn the lessons of war and not repeat them *Grandfather's Tale* is an action packed journey through the entirety of the World War II German weapons tactics and strategy on a platoon level are explained with meticulous detail Several battles including the Battle of the Bulge and the Invasion of Crete are told from a German perspective Erenberger's story is fast paced his descriptions of the conditions a sniper must undergo through in each engagement were unforgettable This book is strongly recommended for all who want to know what the big war was all about in the eyes of a German sniper Capt M R Doehrmann USMC [American Indian Authors for Young Readers](#) , 1978 **A GRANDFATHER'S GIFT** James E. Smith, Sr., 2014-02 This book is about my life experiences and also contains the stories I have heard my folks tell while sitting on the front porch after supper For many years my maternal grandfather lived with us He and my dad would swap interesting stories about times when they were growing up and farming with oxen and mules They talked about the dummy line railroads that ran through the forest near our home and told their childhood tales and many other stories I would long for later in life I wanted to pass this and my life stories down to my descendants Many interesting stories were told in the serene setting of the front porch deep in the country with only the interruptions of whippoorwills hoot owls screech owls and such making pleasant noises in the distant woods I hope that this

book will inspire future generations in some way to understand the important things in life It s been said that the best things are free and I learned that one only has to make necessary efforts to obtain a peaceful happy and fulfilling life **It Knows You by No Other Name** Dan McNay,2007-11 The summer Jake turned 12 his mother s lover returned his beloved grandmother died and he saved the lives of his mother and grandfather And he learned that there are parts of us that are inescapable Ohoyo Ikhana ,1982 Underneath It All Jennifer Manuel Carroll,Kathy Schultz,2009-10-01 What s the secret to feeling sexier and incredibly confident to looking thinner and shapelier without losing a pound It s not your body or your clothes but what you wear underneath it all Now you can learn the secrets of always looking and feeling your best Whether you re well endowed or more petite have a bountiful behind or want to create more curves there is beautiful lingerie for you This book will help you find it fit it wear it and most of all love it Discover the best styles for your body and show off your assets Build a lingerie wardrobe with the perfect pieces for every occasion from bare essentials to sultry extras Ensure the perfect fit with our guide to bra fit flaws and fixes Learn what to wear for any occasion whether you re dressing to impress or dressing to undress **My Grandfather's Finger** Edward Swift,1999 The author recounts his youth in the Big Thicket region of eastern Texas during the 1940s and 1950s and describes the distinctive way of life in the area and some of the people that lived there The Red Sheep Paul Richardson,2019-07-23 The Red Sheep is a story about Jessica Grant and the challenges faced by families as they deal with aging mortality religion and relationships Jessica an only child was immersed in a stable and supportive family but it did not hide the fact she was different As such she saw the world differently As a child she questioned her being As a teenager she set her mother in search of answers As an adult she learned to accept life was what she made of it Jessica s journey was filled with childhood joy at having special grandparents When Nan and Pop passed away it was her youthful logic that helped her cope with their loss With Nan and Pop s opposing views of an afterlife deeply embedded in her outlook Jessica explored her background with conviction The answers she found highlighted how unique she was The story will make you laugh It will make you cry It will make you question the world around you It will cause you to marvel at the extraordinary lives led by everyday ordinary people *Growing Up While Going Down the Rabbit Hole* Frances Smith,2020-12-04 As the author s childhood tumbles from her memory onto the pages of print the reader is privy to all sorts of surprising revelations Be prepared to chuckle with glee feel your mouth gape reading about situations too weird to be untrue wince as your heart breaks in sadness and anger over sordid situations and shake your head both in disbelief and even perfect understanding of unusual childhood tales Between the covers of the book the author s very direct style in sharing the goings on around her that profoundly affected her talks to the reader personally and even bluntly As the years pass the toll from various elements in her life becomes clearer and grows higher The book s title was chosen because it chronicles from a curious angle a young girl s memories of growing up The story s framework of recollections connected to given residences the number of those residences and the regularity with which this family migrated from one to another was

interesting from the storytelling perspective and fortunate for Frances and all her readers That her memories were mentally magnetized that they attached and were thereby preserved according to the various times and places Frances called home was an innovative efficient and effective writing device Use of the rabbit hole idiom was spot on because despite growing older taller and maturing in ways growing up simultaneously an ominous downward momentum was also steadily gaining more of a foothold in the life of this young person Left unchecked this destructive force would increasingly result in a stranger more problematic and chaotic life an exquisite analogy provided by Lewis Carroll The story shared within this book is a poignant and absorbing account as seen through the eyes of the child who lived it Much is revealed throughout this narrative and although the book ends the story obviously continues The indubitable question is not written but silently screams what happens next

Greenstreet Steven T. Pankey,2021-02-09 The story is told in well arranged pieces The book approaches two people who approach crime like theater All the human characters in *Greenstreet* are strangers to one another What they do not do is judge one another For these two special people their social function is to become millionaires The book is about an illusory world a writer can create Writing can be thought of as heroic There is a barrier to success and a hurdle on the way to becoming a hero Several people in the book take leaps in a change in their bearing It is possible at times to lose oneself in the written world The best reporter in this book is the reader This is made possible by its emotional trickery This alternative lets the reader speak critically about its comedy and tragedy You may be able to observe your own change within The idea is not to leave you narrow minded If you have ideas do it The book's characters are telling you what to do All within reason There is opportunity here for people with ideas *Karmakaze* Allan Brooks, *Nelson's Perpetual Loose-leaf Encyclopaedia* John Huston Finley,1909 *This Is Your Captain Speaking* Captain Ed Owen,2004-12 While admittedly

somewhat limited about the width and height of an aircraft windscreen and woefully short of the big picture the pilot's perspective offers some unique insights into the vagaries of life Those insights are presented in *This Is Your Captain Speaking* as a series of tales that while amusing and lighthearted give reason to pause and think Put your seatbacks into the full upright and locked position stow and lock your tray tables and sit back and enjoy the ride *Spy*, 1989-08 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s It might have remade New York's cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There's no magazine I know of that's so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It's a piece of garbage Donald Trump **Now Upon a Time** Myra Sadker, Myra Pollack Sadker, David Miller Sadker, 1977 Themagerichte benadering van de hedendaagse vnl Engelse en Amerikaanse jeugdliteratuur waarin onderwerpen als seksualiteit ouderdom dood milieu discriminatie racisme en oorlog en vrede in kinderboeken uitvoerig worden behandeld en voorzien van een titellijst
