**Journey into God's Word** J. Scott Duvall, J. Daniel Hays, 2005. Life is a journey and like any journey it requires an accurate, reliable roadmap to get us where we need to go. God has provided such a guide in his Word. But just as a navigator needs to learn how to interpret all the contours and symbols of a map, so also we need to be able to understand how the Bible communicates its directions to us. Journey Into God's Word helps Bible readers acquire these skills and become better at reading, interpreting, and applying the Bible to life. This abridgment of the bestselling college seminary textbook Grasping God's Word takes the proven principles from that book and makes them accessible to people in the church. It starts with general principles of interpretation, then moves on to apply those principles to specific genres and contexts. Hands-on exercises guide readers through the interpretation process with an emphasis on real-life application. **Living God's Word Workbook** J. Scott Duvall, J. Daniel Hays, 2021-06-01. A Companion WORKBOOK to Help You Discover the Great Story of Scripture and Find Your Place in It. Living God's Word is your pathway to read the Bible as it was meant to be read: as God's Great Story. This WORKBOOK is designed for use alongside the second edition of Living God's Word. While the textbook helps you see the big picture of what God is doing throughout the Bible, the WORKBOOK lets you reflect on and internalize what you are reading. Many Christians resolve to study the Bible more fervently but often struggle to grasp the progression of Scripture as a whole. In Living God's Word, Second Edition, New Testament scholar J. Scott Duvall and Old Testament expert J. Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible, thus enabling them to live faithfully in deep and important ways. Living God's Word explores the entire Bible through broad themes that trace the progression of God's redemptive plan. Each section deals with a certain portion of Scripture's story and includes Reading, listening, preparation, Explanation, Summary, Observations about theological significance, Connections to the Great Story, Written assignments for further study. These features combined with the authors' engaging style make Living God's Word an ideal book for those who want to understand the Bible better for introductory

Babcock,James Spencer,2018-03-02 Trajectories meets an urgent need in both undergraduate and graduate study of the Old Testament Too often Old Testament theology focuses on the end product and leaves the process obscured Each chapter of Trajectories provides a clear path connecting biblical research to theological conclusions The final chapter offers a step by step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message Trajectories also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology The implications of globalization and the rise of millennials on Old Testament theology are critical and thought provoking topics for discussion Chapters in Trajectories are organized thematically so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament In addition the exploration of topics allows each study to link to the New Testament Each chapter concludes with tangible applications for the contemporary Christian church and with questions for group discussion and reflection **The Manifold Beauty of Genesis One** Gregg Davidson,Kenneth J. Turner,2021-10-28 See and celebrate the multilayered grandeur conveyed by the first chapter of Genesis The first chapter of the Bible s first book lays the foundation for all that follows about who God is and what God is like Our technology age fascination with the science of origins however can blind us to issues of great importance that don t address our culturally conditioned questions Instead Genesis One itself suggests the questions and answers that are most significant to human faith and flourishing Geologist Gregg Davidson and theologian Ken Turner shine a spotlight on Genesis One as theologically rich literature first and foremost exploring the layers of meaning that showcase various aspects of God s character Song Analogy Polemic Covenant Temple Calendar Land Our very knowledge of God suffers when we fail to appreciate the Bible s ability to convey multilayered truth simultaneously The Manifold Beauty of Genesis One offers readers the chance to cultivate an openness to Scripture s richness and a deeper faith in the Creator For the Potential Christian Miranda L. Turner,2021-01-22 In a world plagued by death evil and disease there is good news If your life is darkened by depression grief or fear there is hope Hope is found in a life surrendered to Jesus Christ He comforts us in times of trouble and makes a way for us in times of need He is a friend to the friendless and a mender of broken hearts Jesus desires a love relationship with each of us That s why there s a longing in us that yearns for something we can t put our finger on That longing is for God The creation needs fellowship with its Creator and vice versa But many don t understand the basic aspects of the Christian life and some don t believe they can live up to the expectations This causes them to keep God at a distance and reject his gift of salvation But not knowing the truth has eternal consequences For the Potential Christian explains the basics of Christianity in simple easy to understand language Whether you re seeking God or you re a new believer this book will

start you on the path to an eternal lifelong relationship with our Creator     God's Word, Man's Light and Guide ,1877

*Securing Life* Robert P. Vande Kappelle,2016-06-02 *Securing Life* represents a novel yet timely approach to reading and understanding the Bible While reverence for the Bible and respect for its authority remain high in our society biblical illiteracy misinterpretation and selective reading place us at risk The Bible seems to have a conserving effect on conservative readers a moderating effect on moderate readers and a liberating effect on liberal readers Do biblical texts contain conserving and liberating messages simultaneously Should biblical texts be limited to specific meaning and perspective acceptable by all or do they contain multiple levels of meaning While this book addresses these questions it does not approach the Bible as an answer book but rather as a collection of books multifaceted in nature its enduring purpose being to provide us with perspective for living faithfully and fully through the stages and seasons of our lives in harmony with God nature others and self Rather than starting chronologically with creation followed by accounts of the patriarchs the exodus the conquest and the monarchy this book follows a compositional approach used by the Yahwist an unknown author in Judea who composed Israel s first religious epic Like the Yahwist this book moves backward from Covenant through Community to Creation but because it includes the New Testament it moves forward to New Covenant through New Community to New Creation A chapter is devoted to each topic These motifs are preceded by five preparatory chapters three dealing with introductory matters one with biblical theology the doctrine of God and one with biblical anthropology the doctrines of sin and salvation Utilizing the contributions of three disciplines biblical introduction biblical theology and biblical interpretation Dr Vande Kappelle demonstrates that the Bible like religion in general has both a conserving and liberating effect providing perspective for formation and for transformation     Counterfeit Kingdom Holly Pivec,R. Douglas Geivett,2022-11-15 Is there a new reformation happening in the church It depends on who you ask The New Apostolic Reformation NAR is a popular and fast growing new movement of Christians who emphasize signs and wonders and teach that God is giving new revelation through new apostles and prophets But is this biblical Christianity In *Counterfeit Kingdom* apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR s key tenets distort the gospel twist the Scriptures are influenced by New Age practices and lead faithful Christians to shipwreck their faith They also offer practical suggestions for readers who are already influenced by the NAR curious about it or concerned about loved ones who have been swept up in the movement What used to be on the fringes of the church is now mainstream and many are being influenced by it unaware This book is a wake up call     *Shaking Scripture: Grasping More of God's Word* Mark Manning,2012-03 *Shaking Scripture* was written to help develop a hunger within you for God s Word You will see how intriguing and interesting the Bible can be You will be guided through some of the well known stories we ve grown to love and that have perhaps gotten stale with familiarity In addition you will discover some lesser known stories that just might surprise you because of their readability and application In all there are 12 devotions each aimed at *Shaking Scripture* in a way that helps us grasp more of God s Word Several

reflective questions per devotion are also provided making this book ideal for individual or group study
