James W. Goll

Handling The Anointing:

Handling the Anointing Lisa Odham Stokes, Tim Stokes, 1994-02-01 **Handling Serpents** Jimmy Morrow, Ralph W. Hood (Jr.), 2005 Jimmy Morrow a pastor and serpent handler for over a quarter of a century explores the history of serpent handling from a variety of sources including his extensive familiarity with families whose roots are deep in Appalachia As a native Appalachian Jimmy has access to histories unavailable to outsiders While not formally trained as a historian Jimmy s own narrative of the Jesus Name tradition is a unique contribution to not only Appalachian studies but to the history of what many have prematurely thought to be a tradition whose obituary is soon to be written Jimmy s astounding photographs and his keen insight to the power of this tradition that he proudly upholds suggests that while unlikely ever to be a dominant form of religious expression it will continue as perhaps Americas most unique form of religion that persists in Appalachia despite laws against the practice of handling serpents This is an extraordinary personal account of a unique form of religious devotion and dedication It will be of interest to anyone interested in Appalachian culture or religion in the South **Them That Believe** Ralph Hood, W. Paul Williamson, 2008-09-02 Explores the religious practice of serpent handling in churches of Alabama Georgia Tennessee Kentucky North Carolina and West Virginia This book provides an analysis of this phenomenon from historical social religious and psychological perspectives It deals with the near death experiences of individuals who were bitten but survived Serpent Handling Believers Thomas G Burton, 2025-03-14 In some remote churches in East Tennessee and nearby states Jesus words in the sixteenth chapter of Saint Mark are taken literally and they shall take up serpents and if they drink any deadly thing it shall not hurt them Members of these churches describe themselves as Pentecostal Holiness autonomous groups of Christians with strong traditional religious views and a fundamentalist approach to biblical interpretation Their strong faith is based largely on personal experience Handling serpents and fire laying on the hands of healing speaking in tongues and drinking poison are seen as acts of Christian obedience that demonstrate the power of the Holy Spirit In the past these very religious people have often been distorted by the media as members of a snake religion or a snake cult because of their unorthodox beliefs and practices Thomas Burton seeks to present a more balanced view of this generally misunderstood group in this in depth study of serpent handlers and their religious culture Using both oral history and scholarly research Burton traces the evolution of Christian serpent handling from its apparent beginning in East Tennessee and explores legal and ethical issues associated with this and other unorthodox practices allowing participants to speak for themselves through personal interviews The result is both a dramatic presentation through vivid photography and a thorough analytical insight into the serpent handlers culture *Research in the Social Scientific Study of Religion* R. L. Piedmont, 2008-06-25 This volume provides a wide range of research on the psychological and sociological aspects of spirituality and religiousness Volume 19 also contains a special section focusing on issues related to adolescent spirituality *Research in the Social Scientific Study of Religion, Volume 19* Ralph L. Piedmont, 2008-07-31 A wide range of

research and review articles are presented Topic areas include mental and physical health personality correlates of spirituality validity evidence for the ASPIRES and the role of religious values on socio political attitudes Also included in this volume are studies examining women s issues surrounding body image and disordered eating Another paper addresses Christian Serpent handlers a very understudied group and the legal religious and moral issues surrounding this practice There is also a special section edited by Dr Christopher Boyatzis that addresses specific issues around adolescent spirituality This volume provides a diverse snapshot of cutting edge research in the field across multiple disciplines Readers will come away with an appreciation for the broad interests that characterize this field and the fascinating empirical findings that continue to draw professional interest in numinous constructs

MANAGING CAREER, BUSINESS AND MINISTRY ISAIAH

MACWEALTH,2022-06-10 Through the years I have been greatly concerned about the complacency and indifference of many Christian workers who struggle to effectively combine their assignment with the schedule of their job career or ministry Some persons view their occupation or business endeavour as an escape route from doing church ministry work or as an excuse for doing it haphazardly is has led to a significant decline in the number of souls reached Also many lay ministers

have lost focus of the assignment of soul winning and discipleship and for many who have managed to keep their zeal alive most do not know how to carry out a lay ministry while maintaining a strong schedule of career and business I have therefore written this book because of the call of the spirit for lay ministers to begin to take their place in doing the work of the ministry As a lay minister you must have the wisdom to stretch yourself and combine your assignment in ministry with the demands of your job career or business at is the benchmark for measuring effectiveness in lay ministry As you read this book it is my prayer that the Spirit will impart wisdom unto you and birth in you fresh revelation and passion that will propel you into a greater level of effectiveness in lay ministry **Snakes in American Culture** Jesse C. Donahue,Conor

Shaw-Draves,2019-02-11 The literature on snakes is manifold but overwhelmingly centered on the natural sciences Little has been published about them in the fields of popular culture or the history of medicine Focusing primarily on American culture and history from the 1800s this study draws on a wide range of sources including newspaper archives medical journals and archives from the Smithsonian Institute to examine the complex relationship between snakes and humans *The Psychology*

of Religious Fundamentalism Peter C. Hill,William Paul Williamson,2005-03-31 This book presents an innovative psychological framework for understanding religious fundamentalism Blending extensive research and incisive analysis the highly regarded authors distinguish fundamentalist traditions from other faith based groups and illuminate the thinking and behavior of believers Offering respectful historically informed examinations of several major fundamentalist groups the volume challenges many commonly held stereotypes In the process it stakes out important new terrain for the psychological study of religion BOOK JACKET *A Plea for Embodied Spirituality* Fraser Watts,2022-07-07 The body is crucial to religious

life but there has been little practical attention given to how to make a helpful reality of this fact Strong forms of philosophical dualism have been widely abandoned by post war theologians in favour of a more integrated view of human nature but guidance on the role of the body in Christian spirituality remains fragmentary Focusing particularly on drawing out practical implications for religious life and ministry this book surveys the many ways in which the body plays an important role in religious and spiritual life drawing on scientific research theology and philosophy **The Persecuted**

Prophets Karen W. Carden,Robert W. Pelton,1976 An online version of the Library of Congress exhibition using the metaphor of a journey This exhibit examines the literary heritage of America through maps photographs and the works of American authors from a variety of periods Tour four sections of the United States guided by passages from authors whose works are rooted in a particular place together with photographs and maps of each region **Standing Strong in the**

Anointing James W Goll,2025-05-27 How Do We Handle Supernatural Power Supernatural experiences can be powerfully moving but they also can be diverse and complex God desires to anoint all His people with His supernatural power so that we can encounter Him in deep and personal ways To rightly walk in this power we must understand both the opportunity and the responsibility that come with this invitation After experiencing numerous moves of the Spirit and seeing many tragic

casualties in the church Dr James Goll author of the bestseller The Seer has written Standing Strong in the Anointing to help us understand the biblical nature of the anointing interpret the various ways of the Holy Spirit and walk wisely as we experience divine encounters You will learn how to Cooperate with the Holy Spirit to increase the anointing in your life Unlock supernatural encounters Recognize the deception and temptations that can undermine the anointing Safeguard your faith so you can finish strong The ultimate goal of any supernatural encounter is to reveal Jesus He is our great reward and He is also able to keep us from stumbling as we discern the traps and embrace all the blessings of supernatural encounters We have been entrusted with the priceless power and presence of God Let us endeavor to stand strong in that anointing so that we can bear lasting fruit in our lives and for the growth of God s kingdom on earth **Contemplative Practices in**

Eutsler,2025-04-24

For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God The Daily Prophecy Brenda Kunneman,2012-09-18 Do you need a word from God The Daily Prophecy shares a unique prophetic word plus much more for each day of the year More than a daily devotional you will feel

divine inspiration as you read The Daily Prophecy Each prophecy is written as if God is speaking directly to you bringing you hope security peace and the joy of feeling loved by your heavenly Father Each daily word also provides prophetic Scripture and biblical insight into that day s special focus including finances health family career 365 everyday issues and concerns Also included is a daily significant prayer that you can decree over yourself that builds a strong foundation for not only your spiritual life but also your physical emotional and relational life Author Brenda Kunneman has a prophetic anointing that she uses to bring believers closer to the Lord From January 1 to December 31 you will be emboldened with the wisdom and revelation presented in The Daily Prophecy Your Future Revealed Today **A Sense of the Heart** Bill J.

Leonard,2014-11-18 For many people knowing about God is not enough they also want to feel God s presence Whether like St Paul s experience on the road to Damascus or like Wesley s strangely warmed heart people believe that nothing can substitute for religious experience Even today people go to church in order to encounter the Divine by which they mean experience God in their midst This desire to meet or be met by God is as old as humanity but America especially has been the seed bed for what William James famously called varieties of religious experience These experiences cover a wide spectrum from classic mysticism to revivalist conversion to a contemporary pursuit of spirituality A Sense of the Heart traces the nature of religious experience from the colonial era to the present attempting to define and describe the nature of religious experience and noting common and distinct approaches in the work of various scholars and practitioners Following that A Sense of the Heart offers a historical review of representative types of religious experience the nature of such experiences and their impact on the American religious and cultural context as evident in awakenings controversies denominations and new religious communities *Too Hot to Handle* Harold Morton,2004-06 **Handbook of the Psychology of Religion and Spirituality, Second Edition** Raymond F. Paloutzian,Crystal L. Park,2014-12-19 Paloutzian experimental and social psychology Westmont College and Park psychology U of Connecticut provide a 33 chapter handbook on the psychology of religion and spirituality for social and clinical psychologists pastoral counselors and students and researchers in psychology and religious studies Psychologists and a few religious studies specialists from the US and some countries in Europe address the foundations including definitions core issues measurement assessment research methods psychodynamic psychology and religion and evolutionary psychology as a foundation for the psychology of religion religious and spiritual development across the lifespan and the neural and cognitive bases of religion and connections to emotion personality culture and social behavior They discuss religious practices and rituals conversion experiences prayer spiritual struggles fundamentalism forgiveness values and morality and implications for individual and collective well being in terms of health mental health coping psychotherapy workplace spirituality research terrorism and other areas New topics in this edition include cross cultural issues spiritual goals emotional values and mindfulness Most chapters have been redesigned or rewritten with 25 new and eight revised chapters The main themes of the book are more integrated and the introductory and concluding chapters argue

that the application of religious meaning systems and the multilevel interdisciplinary paradigm can allow reconceptualization of the field and expand research Annotation 2013 Book News Inc Portland OR booknews com
