The program consists of invited sessions, technical workshops and discussions covering a wide range of topics in social science including communication, culture, economics, education, finance, law, management, politics, psychology and society. This rich program provides all attendees with the opportunities to meet and interact with one another. We hope that your experience with SSEP2014 is a fruitful and long-lasting one.

*The Routledge Handbook of Motherhood on Screen* Susan Liddy, Deirdre Flynn, 2025-04-25

The Routledge Handbook of Motherhood on Screen offers a comprehensive global analysis of the representation of Mothers and Motherhood in contemporary screen industries and online spaces. Over five distinct sections, this handbook examines how the complexities and realities of contemporary motherhood are translated to the screen. Offering a full scholarly overview of the field, this handbook provides a ground-breaking and important contribution to our understanding of motherhood on screen. The geographical and genre reach of the handbook presents new ways of theorising and reframing current scholarly debate and gives a wide-ranging and comprehensive contribution to knowledge of on-screen representations. An international team of established scholars and emerging voices provide analysis of representations from around the world spanning a breadth of genres. The chapters situate transnational screen representations of motherhood in the 21st Century and assess the implications of contemporary representation of motherhood. Thoroughly challenging and expanding understandings of motherhood and mothers, this handbook will be an essential multi-faceted publication for researchers and students of film, TV, animation, motherhood, gender studies, feminism, ageing studies, anthropology and sociology.

**Resist!** Giuliana Monteverde, Victoria McCollum, 2020-09-04

*Resist* pays close attention to popular culture; it examines the political ramifications of Kanye West's support of Donald Trump, the significance of Aaron Sorkin's language to American political discourse and the casting of female emotion as a political force in *House of Cards* and *The Handmaid's Tale*. In doing so, the collection traverses the formal world of the political as it relates to presidential elections and referenda while emphasising the sociocultural and political significance of popular texts which have played a critical role in exploring, critiquing and shaping culture in the twenty-first century. Popular culture is often considered trivial or irrelevant to more pressing political concerns and celebrities are often reprimanded for their forays into the political sphere. *Resist* pays close attention to texts that are too often excluded when we think about politics and explores the cultural and political fall-out of a reality TV president and a divisive public vote on increasingly connected global audiences. In examining the cultural politics of popular media, this collection is inherently interdisciplinary and the chapters utilise methods and analysis from a range of social science and humanities disciplines. *Resist* is both creative and timely and offers a crucial examination of a fascinating and

frightening political and cultural moment      Critical Perspectives on Contemporary Plays by Women Penny Farfan, Lesley Ferris, 2021-07-22 Explores how women playwrights illuminate the contemporary world and contribute to its reshaping

*The Fiction of Margaret Atwood* Fiona Tolan, 2022-09-22 Winner of the 2023 Atwood Society Award for Best Book on Atwood and Her Work Margaret Atwood is one of the most significant writers working today Her writing spans seven decades is phenomenally diverse and ambitious and has amassed an enormous body of literary criticism In this invaluable guide Fiona Tolan provides a clear and comprehensive overview of evolving critical approaches to Atwood's work Addressing all of the author's key texts the book deftly guides the reader through the most characteristic influential and insightful critical readings of the last fifty years It highlights recurring themes in Atwood's work such as gender feminism power and violence fairy tale and the gothic environmental destruction and dystopian futures This is an indispensable companion for anyone interested in reading and writing about Margaret Atwood      The Handmaid's Tale J. Brooks Bouson, 2010 Examines the individual author's entire body of work and on his/her single works of literature      Margaret Atwood's Aesthetics Dunja M. Mohr, Kirsten Sandrock, 2025-03-31 Perhaps more timely than ever Margaret Atwood's Aesthetics offers novel perspectives on both contemporary and canonical topics in Margaret Atwood's work with a special focus on the intersections of literature and politics Arguably one of the most political writers of our times Atwood's oeuvre subtly and overtly entangles readers in the dialectics of personal and political power asymmetries intrinsic to her aesthetic practices The collection takes its cue from the concept of the artpolitical as coined by Crispin Sartwell whose afterword addresses Atwood's aesthetic and imaginative material world construction and explores the interrelationship between literatures and aesthetic as well as political systems in Atwood's works Individual chapters of Margaret Atwood's Aesthetics contribute to increasingly burning questions concerning the relevance of literature today by drawing on a variety of critical perspectives including Anthropocene studies gender intersectionality the nonhuman and the posthuman Mikhail Bakhtin's carnivalesque risk studies nationhood intermediality and teaching Chapters offer fresh views on some of Atwood's most prominent works such as The Handmaid's Tale and The Testaments and their transmedial adaptations while other chapters focus on Atwood's latest publications as well as on under researched works including her graphic novels and her web serialized publications Margaret Atwood's Aesthetics provides unique insights into the aesthetic and political power of Atwood's oeuvre arguing that literary and media representations and cultural adaptation practices contain a significant transformative potential that reaches beyond the page      **#UsToo** Keren R. McGinity, 2023-07-31 UsToo How Jewish Muslim and Christian Women Changed Our Communities examines the relationship between sexual harassment gender and multiple religions highlighting the voices of women of different faiths who found their voices and used them for the betterment of their communities Through personal interviews and other research this book explores the actions of American Jewish Muslim and Christian women who broke the silence about sexual misconduct and abuse of power by male co religionists Using a three dimensional ethnoreligious

approach that examines gender ethnicity and religion it addresses the relationship between religion and women s experiences and examines both historical contexts and present day experiences of sexual misconduct within faith communities This book will be of key interest to students within Gender Studies History Religion and Sociology clergy and lay religious leaders and human rights advocates

*Feminism and the Postmodern Impulse* Magali Cornier Michael,1996-07-03 Michael analyzes the intersections between feminist politics and postmodern aesthetics as demonstrated in recent Anglo American fiction While much has been written on various aspects of postmodernism and postmodern fiction and of feminism and feminist fiction very little attention has been given to the postmodern aesthetic strategies that surface in post World War II feminist fiction *Feminism and the Postmodern Impulse* examines ways in which many widely read and acclaimed novels with feminist impulses engage and transform subversive aesthetic strategies usually associated with postmodern fiction to strengthen their feminist political edge The author discusses many examples of recent feminist postmodern fiction and explores in greater depth Doris Lessing s *The Golden Notebook* Marge Piercy s *Woman on the Edge of Time* Margaret Atwood s *The Handmaid s Tale* and Angela Carter s *Nights at the Circus* She shows that feminist postmodern fiction s emphasis on the material historical situation the link to activist politics and commitment to enacting concrete changes in the world and thus the need to reach a large reading public often results in a blending and transformation of postmodern and realist aesthetic forms Moreover feminist fiction uses deconstructive strategies not only to disrupt the status quo but also to create a space for reconstruction particularly of recreating new forms of female subjectivities and feminist aesthetics
