Vines, 2018-09-24 Talk with students about bullying in their schools communities and three themes are likely to emerge a there's nothing anyone can do about it b bullying is necessary as it builds character and c there needs to be more educational programming in the schools designed to curb bullying behavior Contrast those sentiments with the helplessness teachers and administrators feel Many will tell you that current state and federal guidelines tie their hands until after an incident occurs In other words a student must get hurt before the school is able to do anything Reel Big Bullies is designed for regular anti bullying campaigns and will not cost struggling districts thousands of dollars to implement as it provides teachers with educational resources to

complement regular instruction in classrooms Using clips from Hollywood blockbusters like *Knocked Up* *The Emperor's New Groove* *The Benchwarmers* and others *Reel Big Bullies* is designed to help students administrators teachers and counselors create a safer school environment for all students It is also intended to help all students understand the terrible toll bullying can take on its targets and to encourage students to stand up for their classmates who are being bullied The book's framework follows the three themes above and discusses the pertinent legal and policy decisions affecting educational intervention With the already busy overwhelmed teacher in mind we describe nearly 200 film clips teachers can show in class to promote and spark discussions with students in middle and high schools
