Last Voyage And Other Stories:

Last Voyage and Other Stories James Hanley, 2010-05-18 I have never read anything in fiction that brings the abominable suffering that goes on all the time among the exploited of the earth so savagely and unsparingly home John Cowper Powers This book brings together the best stories of a writer who in the words of his son Liam Hanley gave working men and their wives and children a voice their voice Some of these are sea stories about those who do the back breaking work aboard a ship and their attempts to maintain their dignity throughout hopeless struggles with the sea and with each other some show lonely and frustrated people who toil for monolithic organisations in which they are not even noticed let alone thanked All deal sympathetically with men and women who are the victims of the torturous forces of war or class or poverty in a economical winnowed style which is as effective for what it leaves out as for what it includes The Last Voyage and Other Stories comprises The German Prisoner A Passion before Death Narrative Greaser Anderson and The Last Voyage Of the greatness of Hanley's power of the force of his pity there can be no doubt Off all the writers about the sea he is the most consistently memorable Alan Ross from the Introduction A novelist of distinction and originality E M Forster There are some writers who seem to have a private path into people's souls They lead you there through unfamiliar streets And yet when you have arrived there is no question that you are there James Hanley is such a writer New York Times There is a richness and depth that reveals the endless subtleties and consistencies of characters and the magic of the private worlds they create Times Literacy Supplement

The Verdict, and Other Stories Edith Wharton, 2016-01-25 THE HERMIT AND THE WILD WOMAN I THE Hermit lived in a cave in the hollow of a hill Below him was a glen with a stream in a coppice of oaks and alders and on the farther side of the valley half a day's journey distant another hill steep and bristling which raised aloft a little walled town with Ghibelline swallow tails notched against the sky When the Hermit was a lad and lived in the town the crenellations of the walls had been square topped and a Guelf lord had flown his standard from the keep Then one day a steel coloured line of men at arms rode across the valley wound up the hill and battered in the gates Stones and Greek fire rained from the ramparts shields clashed in the streets blade sprang at blade in passages and stairways pikes and lances dripped above huddled flesh and all the still familiar place was a stew of dying bodies The boy fled from it in horror He had seen his father go forth and not come back his mother drop dead from an arquebuse shot as she leaned from the platform of the tower his little sister fall with a slit throat across the altar steps of the chapel and he ran ran for his life through the slippery streets over warm twitching bodies between legs of soldiers carousing out of the gates past burning farmsteads trampled wheat fields orchards stripped and broken till the still woods received him and he fell face down on the unmutated earth

Stories by Rolf Boldrewood **A Spring Cleaning and Other Stories** Thomas Edward Spencer, 1920 **The Rendezvous and Other Stories** Patrick O'Brian, 1995-11-17 A collection of startlingly vivid short stories from Patrick O Brian author of

the highly acclaimed Aubrey Maturin series Patrick O Brian has emerged in the opinion of many as one of the greatest novelists in English His fame rests mainly on the achievement of the epic Aubrey Maturin novels but few readers know that O Brian first made his reputation as a writer of short fiction Collected here are twenty seven stories that O Brian wished to preserve stories of uncommon lyricism and beauty that will confirm his rightful place in the front rank of short story writers as well as of novelists Although the tone of this collection ranges effortlessly from the humorous to the dramatic the most characteristic and memorable stories often have to do with a glimpse of savage destructive forces through the fragile shell of human civilization The threatened chaos may be psychological as in On the Wolfsberg or it may be lurking in the natural world as in A Passage of the Frontier or as in the dark masterpiece The Chian Wine it is suddenly discovered in the ancient irrational impulses of human nature The setting may be the marshes of western Ireland the Pyrenees or the claustrophobic confines of a clockmender s house but each story is a showcase for Patrick O Brian s fresh and meticulous prose each story reaffirms his sympathetic understanding of human passion and suffering This collection proves that O Brian is not simply the master of a genre but an author who will long be honored as one of our most eminent literary figures *In Bad Company and Other Stories* Rolf Boldrewood,2020-07-27 Reproduction of the original In Bad Company and Other Stories by Rolf Boldrewood **The Praetor and Other Stories** Aurel Stancu,2013-05-01 The thirty two stories in this new collection reflect the differences between man s real self and the various masks he has to wear in a Romanian society that vacillates between nostalgia for its communist past and restrained optimism about its capitalist future The characters who are taken from all walks of life face constant political intrigues moral dilemmas and or family crises They must find a way to fit their own life stories however insignificant within the often ruthless history of their native land Written in a journalistic style and based very loosely on incidents that the author encountered while working for a local newspaper these stories are filled with unexpected twists and turns pathos and small glimpses of average and extraordinary people coping with real life crises Gripping tales from Eastern Europe **The Pagan Nuptials of Julia and Other Stories** Keith Henderson,2004-12-01 The Pagan Nuptials of Julia chronicles the lives of ordinary English speaking Quebeckers who did not go the other way down the 401 a neglected Canadian minority that saw its treasured world sacrificed by statist deceit and disowned with stricken evasive looks even by its own kind With a vivid contrarian insight Keith Henderson shows us that not all change is even handed or mending and that when it embodies refinement and necessary humanity the Past merits passionate preservation Contemplating these at times gothic always superbly crafted tales alert readers will find themselves querying their fashionable complacencies while they ponder a vision conservative in the very best of senses one that revives the classical faith in human bonds and meaning and prompts us to remember that we are born into the arms of love Reminiscent of the works of Hawthorne Mansfield Mann and Sinclair Ross Keith Henderson s The Pagan Nuptials of Julia presents the brilliant interrogative creations of one of Canada s finest journalists of the soul *The Green Flag and Other Stories* (EasyRead
