*THE LIVING GOD ON EARTH* Prahalad Rao, 2020-02-03 For over a decade now the country has been witnessing rising disharmony in the lifestyle of youngsters worst affected of whom are the aspiring students for higher studies Love affairs marital discord social tensions ideological conflicts among different faiths castes creeds working executives crimes against women infanticide etc are driving them to a state of desperation and frustration birthing negativity All of the above ills are considered as reasons for the development of psychological physiological and social conflicts and confrontations within relationships society educational institutions working environments and so on A sense of solitude and desertion seems to be enveloping today s youngsters and teenagers pushing them to the extreme end of life suicide This is attributable to the loss of self belief coupled with the pressure to have an edge over others in competitive spheres of life Another hugely disturbing factor is that school going kids are resorting to extreme steps in life due to failure in examinations and other such disgracing circumstances brought upon them in general mostly occurring in schools They belong to a different age and of late their levels of sensitivity have sharply risen in their comparative self analysis The author Prahalad Rao is an ordinary person who

believes in himself and GOD the Qualities of God as written in the Holy Scriptures and recited daily by all the Faiths that insulate a person from becoming a victim of negativity and give new hope for appreciating the essence purpose and meaning of life to struggle and succeed Struggling itself is a way of life for different people in different ways it includes spiritual and physical the combination of which creates a sense of self respect the foundation for human survival The author found it obligatory to wake them up through the ways and means GOD has created for humans The author believes the book will reawaken self belief self faith self confidence and self conviction by sensitising oneself to what is hidden within one s SELF which can become a GLOW to appreciate life and the beautiful nature that enables the birth of POSITIVITY IN LIFE

*LIFE IS TO LIVE TOGETHER* Prahalad Rao,2024-05-15 This book explores the joy of living together especially for married couples It emphasizes the importance of pausing when love and relationships begin to strain as this reflection can illuminate the true meaning of love and togetherness Losing inner confidence and trust whether among citizens or couples is akin to trying to save a dying tree it requires immense effort to restore its vitality As Tasneem Harneed said Learn character from trees values from roots and change from leaves To embody these values one must nurture the tree creating greenery to sustain life s lessons Live like a thriving tree always fostering an environment where everyone can enjoy life GOD: ONE

IN ALL AND ALL IN ONE PRAHALAD RAO ,2025-03-11 ALL IS ONE explores the profound truth that while religions may differ the essence of God remains the same across all faiths The book delves into the wisdom of great saints and sages highlighting their insights on spirituality enlightenment and the divine presence within every living being Drawing from mystical theologies and historical narratives it reflects on humanity s quest for purpose and the universal connection between faiths By studying different beliefs one discovers the timeless message that God exists within all beyond divisions created by mankind With references to philosophical teachings and spiritual reflections the book aims to bridge gaps between religions emphasizing unity and the shared divine presence in every soul As Marianne Williamson beautifully states We were born to manifest the glory of God within us a belief that echoes throughout this enlightening read Latino Writers
