Stan and Ollie Simon Louvish,2005-07-01 Stan Laurel and Oliver Hardy have remained from 1927 to the present day the screen s most famous and popular comedy double act celebrated by legions of fans But despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short Duck Soup The inspired casting teamed them until their last days Both often married they found balancing their personal and professional lives a nearly impossible feat Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues Their Hal Roach and MGM films were brilliant but their move in 1941 to Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day The clowns were elusive behind their masks but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art In Stan and Ollie The Roots of Comedy The Double Life of Laurel and Hardy Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers **The Life and Times of Laurel and Hardy** Ronald Bergen,1992-02-01 Focuses on the remarkable lives of Stan Laurel the son of an English theater manager and Oliver Hardy a native of Georgia who teamed up to reach comedy stardom in Hollywood Laurel & Hardy Scott MacGillivray,1998 A ground breaking look at the duo s films during and after the war years The Boys Scott Allen Nollen,1989 The Boys provides new ways to view and evaluate the work of this famous comedy team The initial chapter summarizes the critical reception of the two and compares Stan Laurel and Oliver Hardy to other contemporary comedians Brief biographies analyze their early solo films and the development of the team Special attention is given to the team s cinematic and comic style use of camera techniques early sound practice and gag development The comics complex relationship is detailed and analyzed A complete filmography including a rating and an indication of contents covers each film The team s final film Atoll K 1951 is discussed in depth Throughout the text quotes from such persons as Laurel and Hardy themselves Buster Keaton George Stevens Dick Van Dyke and Woody Allen enlighten and entertain Great stills and posters

The Making of Stan Laurel Danny Lawrence, 2014-01-10 As an adult Stan Laurel 1890 1965 lived in the United States As a boy he lived in north east England the son of a prominent local theatrical figure This ground breaking biography examines Laurel s family background his formative years and his struggle to establish a show business career Stan retained the emotional bonds forged in his youth throughout his life and visited his boyhood homes during his UK tours with Oliver Hardy Describing Stan Laurel s key roles in making his films with his partner Oliver Hardy so successful internationally the book analyzes how Stan s boyhood experiences are often echoed in those films It also notes his influence on successive generations of comic actors who to this day still pay fulsome tribute to him Included is a selection of photographs relevant to Laurel s boyhood some related to themes in the Laurel and Hardy comedies **Mr. Laurel and Mr. Hardy** John McCabe, 1951 AFI Catalog of Motion Pictures Produced in the United States American Film Institute, 1971 **The Life and Times of Laurel and Hardy** Nick G. Taminich, 2015-12-12 California Author Nick G Taminich Has Over 45 Years of Collected Bits And Pieces For Books Those Scraps Of Paper From Stored Boxes Are Now Put Together From His Small Quiet Ranch In Huasna Valley South And East Of San Luis Obispo California He Has Made Sense Of Lost Thoughts Now Past 70 Years Old He Still Finds Time To Search For Aquatic Fossils Along The Central California Coast **The Art of Laurel and Hardy** Kyp Harness, 2015-01-09 From the early days of film came Laurel and Hardy a comedy team that created slapstick hilarity from life s simplest situations Some seventy years after their heyday Arthur Stanley Jefferson and Oliver Norvell Babe Hardy are still remembered for the comic chaos they created in film shorts They gave us something to laugh at by reminding us of our own foibles in a way that was genuine and unpretentious The lanky Stan Laurel 1890 1965 and portly Ollie Hardy 1892 1957 had but one objective to create as many laughs as would fit in one short film And that they did The book begins by exploring their comedy in the early days of film A chapter is dedicated to each of the boys Laurel from Ulverston England and Hardy from the state of Georgia as a person and performer Further chapters explore the slapstick and gags of Laurel and Hardy and how the pair survived the transition to sound that left behind many actors of the day It was only when they began to work for large studios churning out cookie cutter scripts that their art began to lose its way The book takes the reader through the ups and downs of their careers and to a final comeback A filmography lists works from 1917 to 1951 with information on availability **The American Experience in World War II: The atomic bomb in history and memory** Walter L.
