

# The Law of Christ

**Still clearly, the Bible teaches us to be subject to the Law of Christ.**

**Jesus Christ has the final Authority!**

**His Law is called:**

**The Law of faith (Rom. 3:27)**

"Where is boasting then? It is excluded. By what law? Of works? Nay: but by the law of faith."

**The Law of the Spirit (Rom. 8:2)**

"For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death."

**The Law of liberty (Jas. 1:25)**

"But whoso looketh into the perfect law of liberty, and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed."

**The Royal Law (Jas. 2:8)**

"If ye fulfill the royal law according to the scriptures, Thou shalt love thy neighbor as thyself, ye do well."

## **Law Of Christ:**

**The law of Christ respecting civil obedience. To which are added two addresses on the voluntary Church controversy** John Brown, 1839      **The Royal Law of Liberty** Darwin Chandler, 2003 This book is a frontal assault on all law based obedience oriented religion Most Christians carry a load of spiritual bondage condemnation guilt and shame Some are deeply despondent and depressed because this load is too heavy for them to bear Few Christians are truly confident in their personal relationship with God This situation exists because 1 Christians are generally unable to distinguish between actual sin versus mere human opinion about sin 2 Christians do not understand that Jesus set them free from obedience based religion 3 Christians do not know how to decide for themselves what is truly moral 4 Christians have no real experience of Christian Liberty These issues are examined in sufficient detail to enable one to understand the radical nature of the freedom for which Christ set us free Gal 5 1 The author's goal is to destroy the roots of religious legalism so Christian believers can live the life of freedom which is their spiritual blood right Beginning with a development of the Master Key to Biblical morality the nature and implications of Christ's Law of Love are thoroughly explored Next the author discusses the true nature of morality answering the question What exactly makes a thing sinful Careful attention is given to the concept of defilement or uncleanness with a bold look at Paul's revolutionary statement that nothing is unclean of itself Rom 14 14 20 In Part Three Legalism is exposed in all its ugliness This section details the Biblical method for determining what is truly sin and what is merely human opinion Part Four destroys the bitter root of Legalism with persistent emphasis on the fact that Jesus Christ ended the rule of law by His life death and resurrection Part Five looks at the theology of Galatians the Christian's Emancipation Proclamation closing with pointed illustration of how this all affects a Christian's liberty to exercise personal choice in what's he will or won't do Five appendices explore several specific issues raised by the preceding study These include Conclusions About Christian Liberty Contradictory Scriptures Christian Liberty and Sexual Issues The Necessity Of Experiencing Freedom The Non Negotiables of Bible Study This is the only book on Christian Freedom written by an ex Fundamentalist The author was raised in an atmosphere of extreme legalism The first half of his Christian ministry was spent preaching defending and even debating the concepts that he now seeks to destroy The author lived in legalism forty years He understands legalism He therefore knows how to attack its vulnerable spots His goal was not to write a book but to give to anyone who is interested information that will set them free from bondage to legalism and open the pathway to self government under the rule of love For more information on spiritual freedom visit the author's website [www.freedomguide.net](http://www.freedomguide.net)      **The Poor and Their Guardians: Or, the Law of Christ a Witness Against Selfishness, Oppression and Cruelty. A Sermon [on Gal. Vi. 2].** Rev. James HICKS, 1843      **The Law Of Christ** Leslie Rendell, 2024-08-10 The holy scriptures are not always easy to read and understand The Old Testament has many laws that are impossible for us to keep Consider some of the following laws Should we apply capital punishment for incorrigible children Exodus 21 18 21 for those

caught in adultery And if you will be honest with yourself this will include a vast number of people today Leviticus 20 10 What about the false teachers among us Deuteronomy 13 1 11 Should we be stoning them to death The Jewish nation established these laws They were not then to be passed onto the Church Just over 50 days after Jesus died on the cross the Church was established At his death the new covenant came into effect and this is the law Christians should keep today People have described Jesus as being of greater worth than Moses and Moses himself tells us that another prophet would come and we must listen to him And that prophet was Jesus Christ When John baptized Jesus in the river God the Father s voice was heard and he also said listen to him We cannot keep both laws so we must keep one or the other The new laws of Jesus Christ came into effect the moment Jesus died on the cross and these are the laws all people must keep Jews and Christians alike Keeping these laws is the only way to be seen as righteous in the eyes of God The bible is very clear about who we should be listening to Even Moses himself told us to listen to Jesus Christ as we can see from Deu 18 15 Deu 18 15 The LORD your God will raise up for you a prophet like me from among you from your fellow Israelites You must listen to him Then in Mark 9 7 we have the words of God the Father when Jesus was baptised by John in the river Jordan God said we must listen to him Mar 9 7 Then a cloud appeared and covered them and a voice came from the cloud This is my Son whom I love Listen to him Then Luke informs us in the book of Acts that it is Jesus who we are to take notice of He quotes what Moses said and then states anyone who does not listen to Jesus will be cut off from his people Act 3 22 For Moses said The Lord your God will raise up for you a prophet like me from among your own people you must listen to everything he tells you Act 3 23 Anyone who does not listen to him will be completely cut off from their people If we are to listen to Jesus and not to Moses then whose law should we be keeping The law of Moses or the law of Christ When you search for the answer you find Jesus tells us there are just two commandments that cover the entire law and that also includes the law of Moses The book of Matthew clearly shows this Mat 22 36 Teacher which is the greatest commandment in the Law Mat 22 37 Jesus replied Love the Lord your God with all your heart and with all your soul and with all your mind Mat 22 38 This is the first and greatest commandment Mat 22 39 And the second is like it Love your neighbor as yourself Mat 22 40 All the Law and the Prophets hang on these two commandments The entire law hangs on just these two commandments The following verses also tell us the importance of loving our fellow man 1Pe 4 8 Above all love each other deeply because love covers over a multitude of sins 1Co 13 13 And now these three remain faith hope and love But the greatest of these is love The author wrote this book to guide the reader in further understanding the difference between these two laws and learning how to keep the most important law the law of Christ     *The Sternness of Christ's Teaching and its Relation to the Law of Forgiveness* J.F.

**Not Man's** A Concerned Christian,2021-03-16 Christ's Law not man's will guide you in studying God's Word and gaining understanding of the Scripture that lies within the verses You will have a better understanding of forming a relationship with your Almighty Creator maintaining that relationship and building it stronger through continued Christian growth You will know what it is to walk a Christian journey and why it is an important part of your faith This title also informs you of three different translation methods that are used in today's bibles and which methods are used in some of the more popular bible translations You will learn also of a good number of worldly traditions which are believed to be of God's Law for salvation which are very widely taught in many of today's denominations You will also know the truth about what God's Word says about these traditional beliefs Christ's Law not man's takes you through a step by step walk in confessing Christ to be your Lord and Savior and also gives you important knowledge to help you not be misled by the law of man which doesn't coincide with the Law of Christ *The Life of Man Inviolable by the Laws of Christ, Shown in Two Sermons Delivered in Colchester, Conn., Etc. MS. Notes* Rev. Aaron CLEVELAND (of Hartford, Conn.),1815

**The Law of Jesus Christ** Samuel C. Phillips,2013-12 In regard to the meaning of the word CHANGE can a law be changed yet not replaced with another law If a man changes his name does he not simultaneously replace his changed name with another name Thus if according to Hebrews 7:12 the Law of Moses was changed would not the changed law also have been simultaneously replaced with another law by the Lord God If not as is commonly believed by church leaders today claiming that the New Testament does not constitute a law how then could God be charging Christians with sin in light of the fact that sin is the transgression of the law 1 John 3:4 Also if not what then did the apostle Paul mean when in addressing Christian believers he said For not the hearers of the law are just before God but the doers of the law shall be justified Romans 2:13 The doers of which law The Law of Moses that he said the Lord Jesus Christ abolished Ephesians 2:13-15 and also which all Christians are not under as he said in Romans 6:14 Or was he referring to the law of Christ under which he said he was 1 Corinthians 9:21 and which he urged the Christian believers to all fulfil Galatians 6:2 What is this law of Christ How is it defined How is it fulfilled or kept How is it violated How are violators punished In this book we show in depth from the Holy Bible that contrary to the pervasive view in the church today the Law of Moses was not merely fulfilled and terminated by Christ Jesus but instead replaced and that Christians are in fact under a law and will be judged by this particular law We also clearly show what this law entails how it is violated and how violators are punished Years ago visited by an angel before sometime later also in a dream meeting the Lord God on the side of a mountain see By What Authority page 195 Sam Phillips was called away from a successful fine art career to be a prophet to the church now mired in spiritual deception and disobedience to God

Summary of the Law of Christ; Or The Duty and Happiness of Man Josiah William Smith,1859 Christ's Law, Not Man's Timothy Vance,2023-04-13 Christ's Law not man's will guide you in studying God's Word and gaining understanding of the Scripture that lies within the verses You will have a better understanding of forming a relationship with your Almighty

Creator maintaining that relationship and building it stronger through continued Christian growth You will know what it is to walk a Christian journey and why it is an important part of your faith This title also informs you of three different translation methods that are used in today s bibles and which methods are used in some of the more popular bible translations You will learn also of a good number of worldly traditions which are believed to be of God s Law for salvation which are very widely taught in many of today s denominations You will also know the truth about what God s Word says about these traditional beliefs Christ s Law not man s takes you through a step by step walk in confessing Christ to be your Lord and Savior and also gives you important knowledge to help you not be misled by the law of man which doesn t coincide with the Law of Christ

*The Grace of Christ, Third Edition* Eric Roessing, 2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12-13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16-17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him A *Dictionary of Christ and the Gospels* James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852-1922 was a distinguished scholar and pastor He was founder

and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

**The Law of Moses** Roderick O. Ford, 2017-01-18 The Law of Moses Commentaries on the New and Old Testament Law is a simple yet thought provoking analysis of the Mosaic legal code found in the books of Genesis Exodus Leviticus Numbers and Deuteronomy It carefully analyzes the Old Testament Law as the foundation of the New Testament Gospel and it places them within the context of parables and teachings of Jesus of Nazareth The Law of Moses is especially useful for those persons who are familiar with the New Testament and the teachings of Christ but who have not yet studied the deeper meanings of the Old Testament Law This book is also a great Bible study companion that is practical and useful for knowledgeable and experienced Christians Muslims and Jews including lawyers pastors and theologians **The Life of**

**Christ** Bernhard Weiss, 1894 **The Sweet Doctrine of Jesus Christ** N. I. Zimudo, 2024-12-03 God creates us anew by the power of the words of Jesus Christ which are sown as seeds in our hearts It is these seeds that germinate grow blossom and bear the fruits of righteousness in us Without the seed there can be no fruit In The Sweet Doctrine of Jesus Christ Book 2 Healing by the Words and Teachings of Jesus Christ author N I Zimudo offers the second in a series of books that expounds on the doctrine of Jesus Christ as written in the gospels This edition highlights the central place the sermon on the mount occurs in our Christianity shows how it is the New Testament equivalent to the law of Moses reveals the healing that is inherent in it which God has provided as the solution for the infirmities of the sins of our souls and emphasizes how that sermon is the most important passage of scripture in the entire Bible being the source of salvation we have in Jesus Christ The books in this series provide a strong foundation for those who have just joined the fold of Christianity and it opens the eyes of understanding for those who have grown up in him The Sweet Doctrine of Jesus Christ facilitates a thorough understanding of Christianity for all **The Law of Christ** Tsidkenu Mekoddishkem, 2023-02-14 The name of Jesus Christ is

known by the Word of God The Word of God forms the New Testament providing the New Covenant In these scriptures the LORD says to keep the commandments to the best of our ability in faith and good conscience Search the scriptures for in them you think you have eternal life and these are they which testify of me John 5:39 If One Uses It Lawfully Matthew E. Ferris, 2018-05-16 Are the Ten Commandments the standard for Christian living There are many viewpoints on the place of the Mosaic Law today Some affirm that while we are not saved through keeping the law it remains our standard for living a pattern to be followed Others say we are free from the law This brief examination of the law affirms all of God's revelation as Christian Scripture but acknowledges covenantal differences in God's dealings with believers The progress of salvation history and our identification with Christ has altered our relationship to the Mosaic Law Using the Law lawfully requires us to recognize the way in which the New Testament and chiefly the Apostle Paul treats the law Paul presents the believer as having died to the law and serving now in the new way of the Spirit a way that does not depend on the Mosaic law The

pattern for the New Testament believer remains Jesus himself While keeping all of God s law he went beyond its requirement to demonstrate a love for sinners that the law did not know      **Jesus and the Law of Moses** Paul T. Sloan, 2025-08-19 Jesus regularly engaged the Law and its interpretation in his interactions with both crowds and other teachers While many scholars have interpreted his teaching as criticizing legalism nationalism or external piety in this groundbreaking study of Jesus and the Law in the Synoptic Gospels Paul Sloan suggests an alternative Putting the Gospels in conversation with other early Jewish sources Sloan argues that the proper framework for understanding Jesus s legal instruction is his announcement of Israel s covenantal restoration In this context the Gospels depict Jesus as the divinely commissioned herald of the restoration and the authoritative interpreter of the Law criticizing misinterpretation and transgression not legalism nationalism and external rituals From this perspective Jesus s disputes with contemporaries constitute intramural debates about the Law s interpretation and proper observance Sloan also shows how Jesus s action in the temple and his crucifixion are better understood within this restorationist context and he concludes by examining the congruity between Jesus s teaching of the Law and the use of the Law in Acts and in Paul s Letters This thorough study contributes to the ongoing discussion of Jesus and the Law in the first century Jewish context It will challenge students of the Gospels and readers of the broader New Testament to reconsider some common misunderstandings of the Law and its reception in early Christianity

**Nicholas of Lyra, Literal Commentary on Galatians** , 2015-12-31 Though little known today Nicholas of Lyra s commentaries are arguably among the most widely read and influential commentaries of all time For more than two hundred years from the time of their composition well into the Reformation era they were copied and recopied printed and reprinted as an indispensable guide to the meaning of scripture Naumann presents here a complete translation of Lyra s literal commentary on Galatians in English for the first time with a freshly edited Latin text and provides ample notes on its significance in relation to the works of previous authors
