**The Law of Success, Volume IV** Napoleon Hill, 2003-09 The updated and most complete edition of Napoleon Hill's masterwork. Napoleon Hill stunned America when he published his first edition of The Law of Success. It had taken Hill twenty years to research and write. He had personally met with hundreds of the most famous self-made multimillionaires so he could study their habits, analyze their methods, and learn their secrets of success. After further testing and proving his theories, Napoleon Hill refined them into 17 basic principles that anyone could master and use. This recording explains step by step how you can use the following four Principles of Success: Initiative and Leadership, Develop your instincts to anticipate problems and know when to seize opportunities, Imagination, Stimulate your mind to create new concepts out of common ideas and put them to work for you, Enthusiasm, Overcome uncertainty or shyness and inspire others to take interest in you and your ideas, Self control, Find the firmness of character to truly be master of your fate and the captain of your soul. This revised and updated edition, the second of the four volumes, incorporates new information, explains historical context, and augments Napoleon Hill's original examples with contemporary stories which conclusively prove that the Law of Success is as relevant and applicable today as it was when this landmark book was first published. Read by Mario Rosales.

The Law of Success Napoleon Hill,2021-03-23 Napoleon Hill's Original Master Class on Individual Achievement Before the landmark book Think and Grow Rich came The Law of Success an eight volume series in which Hill presents the complete Science of Success philosophy Originally published in 1928 this success system contains sixteen lessons on personal achievement gleaned from interviews with and research on over 500 top performers from various industries and walks of life Now condensed for your convenience into one compact volume curated by the Trustees of the Napoleon Hill Foundation The Law of Success details the exact steps by which any individual can harness the power of thought to turn their dreams into reality This is much more than a guide or roadmap it is a total lifestyle makeover with concrete resources for everyday application If you are serious about becoming the best version of yourself in your field your relationships your health and your finances then you are ready for the original master class on success A message from the executive director and CEO of the Napoleon Hill Foundation There have been many requests over the years for a version that is more concise and compact yet contains the core lessons discovered and set forth in the discussion of the sixteen success principles The Trustees of the Napoleon Hill Foundation heard these requests and took on the task of producing such a book containing what they viewed as the essential lessons and most important portions of the original work and what you are about to read is the result This version has dispensed with the third party quotations and After the Lesson essays in the original work deleted some stories that were repeated in other of Hill's books published after 1928 and eliminated repetition rightly valued by Mr Hill as a

learning method but not appropriate for a compact volume The Trustees believe and hope you will agree that the resulting volume contains all the essential wisdom of this groundbreaking work Law of Success I have been the Executive Director of the Napoleon Hill Foundation since 2000 and I and the other Trustees who contributed to this work have nearly 200 years combined years of service to the Foundation I believe they are singularly equipped to produce the best distillation of Napoleon Hill s seminal work and am proud to present this book for your enjoyment appreciation and education Don M Green Executive Director Chief Executive Officer and Trustee      *The Law of Success* Napoleon Hill, 2023-12-12 The Law of Success was a precursor to Napoleon Hill s Think and Grow Rich The Law of Success is organized into sixteen original principles or lessons All of them are listed below 1 The Master Mind Telepathy ether vibration and how it all is the basis for how the world functions A master mind is the alliance of two minds joining in a harmonious way The power that is formed from two or more minds coming together is more powerful than one alone This is strictly for minds who trust each other and are interested in the good success of all parties involved 2 Your Definite Chief Aim Do not underestimate the value of this due to its simplicity You need to set an objective before you can achieve it Not having a solid aim to focus on can not possibly get you to it You have to know what you want so that you can start receiving it 3 Self Confidence Believe that you are worthy of success and that you can attain it Without this simple understanding truly understanding it you will probably get nowhere with most of your goals If you are not confident then you cannot sell yourself in life 4 The Habit of Saving Stop trying to get a Cadillac if you feel more comfortable paying for a Ford You are on the path to easily affording a Cadillac 5 Initiative and Leadership Addresses the importance of leadership skills yes they can be habituated and you don t have to be a born leader Here Hill acknowledges the penalties of leadership Leaders are not always spoken of sweetly This should not deter you from becoming a leader It is only genius that attracts the attention of critics Nobody bothers slandering a person who isn t somewhere near the upper rings of the ladder of success 6 Imagination Dream and use your imagination to help lead you to the attainment of your goals The making good decisions comes with use and your intuition will always lead you toward your dream Dreams and actions are closely related 7 Enthusiasm Compels you to act Mix enthusiasm with your work do something you are enthusiastic about and you will not get tired nearly as quickly Hill explains the things that can contribute to enthusiasm one being to wear nice clothes Basically if you look like a million bucks you ll feel like a million bucks and you will likely find yourself around a million bucks The opposite is also true and this is to be avoided Feel good about your appearance because it also affects the first impression of you on others who can be instrumental in your path to success 8 Self Control Auto suggestion is like reprogramming your subconscious mind to believe what you want it to believe to replace your old beliefs with new ones that will serve you better This takes self control Have you ever tried to change a habit It makes sense When you take control over the thoughts you are thinking then you can take control of your success Make these thoughts the ones you want to believe and see yourself the way you want to see yourself 9 Habit Of Doing More Than Paid For If you are going

to whine about your work then you are not going anywhere Do the work you have in front of you then ask what else you may do By doing this you make yourself valuable and you will surely reach a point where you are being paid handsomely Valuable employees are valuable This is also and especially true when you are working for yourself 10 Pleasing Personality Have one Don't point things out on people don't hang your head and say I'm tired Mediocrity does not care if you are pleasant or not Success does *The Law of Success* Napoleon Hill, 2019-05-23 This is the original Version of Napoleon Hill's book The Law of Success in 16 Lessons is Napoleon Hill's first manuscripts which were reworked under advisement of some of the contributors and first published in 1928 *The Law of Success In Sixteen Lessons by Napoleon Hill* Napoleon Hill, 2018-04-06 The Law of Success is the original Napoleon Hill master course on achievement produced here with all sixteen lessons in one volume In this classic book on thinking wealth building and the Golden Rule Hill describes how each of us shapes the events around us creating much of the positive riches in our own lives Hill best known for his 1937 book Think and Grow Rich was first successful from the sales of this self study course The Law of Success Inside lessons include the Master Mind Tolerance and Enthusiasm No student of thought should be without this historic book This Value Classic Reprint provides a slim volume with all 16 lessons at an affordable price Contents The Law Of Success Lesson One The Master Mind 8 The Law Of Success Lesson Two A Definite Chief Aim 45 The Law Of Success Lesson Three Self Confidence 66 The Law Of Success Lesson Four The Habit Of Saving 90 The Law Of Success Lesson Five Initiative And Leadership 112 The Law Of Success Lesson Six Imagination 135 The Law Of Success Lesson Seven Enthusiasm 160 The Law Of Success Lesson Eight Self Control 184 The Law Of Success Lesson Nine Habit Of Doing More Than Paid For 208 The Law Of Success Lesson Ten Pleasing Personality 231 The Law Of Success Lesson Eleven Accurate Thought 250 The Law Of Success Lesson Twelve Concentration 276 The Law Of Success Lesson Thirteen Cooperation 300 The Law Of Success Lesson Fourteen Failure 322 The Law Of Success Lesson Fifteen Tolerance 339 The Law Of Success Lesson Sixteen The Golden Rule 352
