Booklist's 1000 Best Young Adult Books Since 2000 Booklist, 2014-05-15 With the explosion in YA publishing it s harder than ever to separate good books from the rest Booklist magazine's editors deep and broad knowledge of the landscape offers indispensable guidance and here they bring together the very best of the best books for young adults published since the start of the 21st century Without the Mob, There Is No Circus David Sinclair, 2023-02-17 A UXB is an unexploded bomb What happens when it goes off All those who know about the Armageddon Conspiracy were aware that detonation was coming Now it has In this epic we describe something of what the AC was all about and why it had to perish Nietzsche said Whoever fights monsters should see to it that in the process he does not become a monster And if you gaze long enough into an abyss the abyss will gaze back into you Did the AC become monstrous It certainly attracted monsters In the end did it topple into the abyss Had it stood on the verge of the abyss for too long As the AC exits the stage and the final curtain descends it s essential to review the show Did it deserve a standing ovation or to be booed off the stage Should the audience have thrown flowers or rotten tomatoes What did the critics say Does anyone care There were all too many poison pens all too few glittering prizes Some things are born posthumously and the AC now joins the list What will its afterlife be like As ever AC material is controversial so no one of a sensitive disposition should access this work You can t say you haven t been warned We understood that for our message to be pure it would entail shrinking our audience to almost zero and we have more or less achieved that When you tell the truth you repulse everyone who follows the lie and that s nearly all of humanity Humanity loves the Lie It worships it It will have nothing else The Truth is of no use to it at all So come inside and follow the final phase of this strangest of all stories You ll laugh you ll cry you ll be enraged and many of you will storm off in a huff At the end you will either love us or hate us and probably the latter That's how it ought to be What could be worse than going out with a whimper rather than a bang Stand back the bomb is going off Readicide Kelly Gallagher, 2023-10-10 Read i
