**Digging Through the Bible** Richard A Freund, 2023-06-14 A masterful and eminently readable journey through the fascinating insights and revelations of Biblical archeology Publishers Weekly starred review Many of our religious beliefs are based on faith alone but archaeology gives us the opportunity to find evidence about what really happened in the distant past evidence that can have a dramatic impact on what and how we believe In Digging Through the Bible archaeologist and rabbi Richard Freund takes readers through digs he has led in the Holy Land searching for evidence about key biblical characters and events Digging Through the Bible presents overviews of the evidence surrounding figures such as Moses Kings David and Solomon and Mary the mother of Jesus as well as new information that can help us more fully understand the life and times in which these people would have lived Freund also presents new evidence about finding the grave of the Teacher of Righteousness mentioned in the Dead Sea Scrolls and gives a compelling argument about how the Exodus of the Israelites may have taken place in three separate waves over time rather than in a single event as presented in the Bible

**The Great Journey** Bonnie M. Gulan, 2002-04-19 Think In Mark 12 24 Jesus said Are you not therefore deceived not being acquainted with the Scriptures nor yet the Power of God Be knowing the Scriptures are the Word the complete expression of God s Thought and contain the Power of God s Thought The Bible on the other hand is but the letter men s letters men s interpretations of the Scriptures and contain not the Power of God s Word but contain only the force of men s reasoning men s intellect One could say that the Bible is but the survey for the Scripture Digs The Great Journey in Pursuit of Jesus Way Truth Life is my personal daily journal during the years of 1998 and 1999 Everything I write is hand written so great care was taken in transcribing my written journal into this format By great care I mean transcribing word for word along with their misspellings and errors so that it would allow you the reader to travel with me every day In this journal I share what I took notice of and took notes on during my journey Some things I perceived during this journey gave me new questions to

question as well as answers to questions that I have repeatedly asked myself over many years Travel with me through my 1998 1999 journal as we embark on this Great Journey in pursuit of Jesus Way Truth and Life

 Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for  
 all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture  
 is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for  
 knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that  
 God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the  
 Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the  
 earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God  
 True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some  
 communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and  
 well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them  
 and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his  
 book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there  
 are rules and principles of communication that we are to follow It is an art in that each person brings his own unique  
 personality and style to the preaching experience Preaching is truth through personality Both are necessary However the

very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book     Review of Biblical Literature, 2020 Alicia J.
