

THE LATE 19TH CENTURY
U.S. ARMY, 1865-1898

A RESEARCH GUIDE

JOSEPH G. DAWSON III

Late 19th Century U S Army 1865 1898 A Research Guide

Patrick W. Andrus

Late 19th Century U S Army 1865 1898 A Research Guide:

The Late 19th Century U.S. Army, 1865-1898 Joseph G. Dawson, 1990-10-24 A strong addition to the existing military history reference literature and to its series Dawson's research guide is more useful than a standard bibliography and much more thorough for the time period covered than other sources Dawson builds his guide around more than 1 100 bibliographic entries many of which have brief descriptive annotations The citations arranged topically in eight chapters are drawn from books periodicals and dissertations A ninth chapter covers pertinent government documents and manuscript collections Author and subject indexes and four useful appendixes are included There is a fine introductory essay the preface lists and briefly describes 50 top secondary sources selected from the larger body of literature These features truly enhance the bibliographic core of the book and make it a guide useful to general readers upper level undergraduates graduate students and scholars Choice The period between the Civil War and the end of the nineteenth century was a time of hard choices for the U S Army and those who led it The federal government thrust numerous responsibilities upon the military including pacifying the Indians patrolling the defeated Confederacy suppressing striking laborers and supervising national parks This comprehensive bibliography focuses on this period of military history cataloging surveying and appraising the substantial body of contemporary and historical literature that traces the evolution of the U S Army from 1865 to 1898 As the largest single volume reference work of its type the book covers all major aspects of Army activities and contains annotations on 80 percent of its entries Following a series foreword by Roger J Spiller and a brief introduction the volume begins with an extensive survey of government documents and manuscript collections Included here is a wide variety of U S government publications pertaining to the Army many from the late nineteenth and early twentieth centuries Subsequent chapters group sources under bibliographic topics such as general secondary works fiction and memoirs and contemporary accounts as well as under subjects that refer to the Army's activities These include the Army and Reconstruction the Indian fighting Army forts and post life the late 19th century Army and coastal defense A series of appendixes provides a period chronology list commanding generals and secretaries of war and chart army strength A set of author and subject indexes conclude the work The Late 19th Century U S Army will be an important addition to the collections of public and academic libraries and a useful resource tool for courses in U S history and military history

The Vistas of American Military History 1800-1898 Dr Brian Holden-Reid, Joseph G Dawson III, 2019-01-02 A team of leading American military historians here investigate the factors that shaped the United States Army in the nineteenth century Throwing new light on its history this deeply researched book explores a multiplicity of themes These include the social structure command system and relationship with civil power which are all important in assessing its efficiency and behaviour in war and the way the army is depicted in military literature and cinema which affects its social portrait Deliberately exploring neglected themes this key work includes discussion on the roles of the many volunteer colonels in the Mexican War 1846 48 Robert Wettemann and the alleged isolation of the US Army

in the nineteenth century John Ford's famous cavalry trilogy of motion pictures. Containing so much food for thought for students of US history and military history this is an entertaining as well as instructional book **A Handbook Of**

American Military History Jerry Sweeney, 2019-09-25 This unique reference work covers the military history of the United States from the Revolution to the Gulf War. The Handbook of American Military History is comprehensive, easy to use, and supplies essential information on the social, technological, political, tactical, and strategic developments that have affected the evolution of the U.S. *Almanac of American Military History* Spencer C. Tucker, 2012-11-21 This almanac provides a

comprehensive chronological overview of all American military history, serving as the standard reference work of its type. *Almanac of American Military History* is yet another reference work from acclaimed historian Dr. Spencer C. Tucker and ABC-CLIO, offering an unprecedented resource for a wide range of students and researchers. A comprehensive four-volume title, this almanac traces all of American military history from the European voyages of discovery through 2011, chronicling the pivotal moments that have shaped the United States into the country it is today. In addition to documenting key events, this title presents biographies of more than 250 key individuals and provides information on more than 250 historically significant technologies and weapons systems. A detailed glossary is included, as are discussions of ranks and military awards and decorations. Divided into conflict periods, each chapter includes a detailed chronology, reference entry, sidebars, statistical information, primary source documents, and a bibliography. *John M. Schofield and the Politics of Generalship* Donald B.

Connelly, 2006-12-08 In the first full biography of Lieutenant General John McAllister Schofield (1831-1906), Donald B. Connelly examines the career of one of the leading commanders in the western theater during the Civil War. In doing so, Connelly illuminates the role of politics in the formulation of military policy during both war and peace in the latter half of the nineteenth century. Connelly relates how Schofield, as a department commander during the war, had to cope with contending political factions that sought to shape military and civil policies. Following the war, Schofield occupied every senior position in the army, including secretary of war and commanding general of the army, and became a leading champion of army reform and professionalism. He was the first senior officer to recognize that professionalism would come not from the separation of politics and the military but from the army's accommodation of politics and the often contentious American constitutional system. Seen through the lens of Schofield's extensive military career, the history of American civil-military relations has seldom involved conflict between the military and civil authority. Connelly argues the central question has never been whether to have civilian control but rather which civilians have a say in the formulation and execution of policy. **A**

Handbook of American Military History Jerry K. Sweeney, Kevin B. Byrne, 2006-01-01 The second edition of *A Handbook of American Military History* delineates the military history of the United States from the Revolutionary War into the opening stages of the twenty-first century war on terrorism. Comprehensive and easy to use, it supplies essential information on the social, technological, political, tactical, and strategic developments that have affected the evolution of the U.S. armed forces.

New to the second edition is a chapter on U S military history from 1995 through 2004 and an index A Handbook of American Military History is the perfect reader s guide for the military history buff or anyone interested in a brief overview of American military history

The Old Army in Texas Thomas Ty Smith,2021-10-27 In The Old Army in Texas U S Army officer and historian Thomas Ty Smith presents a comprehensive and authoritative single source reference for the activities of the regular army in the Lone Star State during the nineteenth century Beginning with a series of maps that sketch the evolution of fort locations on the frontier Smith furnishes an overview with his introductory essay U S Army Combat Operations in the Indian Wars of Texas 1849 1881 Reprinted from the Southwestern Historical Quarterly Smith s essay breaks new ground in an innovative analysis of the characteristics of army tactical methods and the nature of combat on the Texas frontier introducing a unique historical model and methodology to examine the army Indians conflicts The second part of this guide Commanders and Organization Department of Texas 1848 1900 lists the departmental commanders the location of the military headquarters and the changes in the administrative organization and military titles for Texas Part III U S Army Sites in Texas 1836 1900 provides a dictionary of 223 posts forts and camps in the state It is the most extensive inventory published to date including essential information on all of the major forts as well as dozens of obscure sites such as Camp Las Laxas Camp Ricketts and Camp Lugubrious The fourth part Post Garrisons 1836 1900 gives a year by year snapshot of total army strength in the state the regiments assigned and the garrisons and commanders of each major fort and camp Supplying the only such synopsis of its kind the Summary of U S Army Combat Actions in the Texas Indian Wars 1849 1881 the guide s Part V offers a chronological description of 224 U S Army combat actions in the Indian Wars with vivid details of each engagement The 900 entries in the selected bibliography of Part VI are divided topically into sections on biographical sources and regimental histories histories of forts garrison life civil military relations the Mexican War and frontier operations In addition to being a helpful catalog of standard histories there are two important and unusual aspects to the bibliography It contains a complete range of primary source microfilm material from the National Archives including the roll numbers of specific periods of forts and units and secondly the bibliography integrates nearly all of the published archeological reports into the section on fort histories The Old Army in Texas is an indispensable reference and research tool for students scholars and military history aficionados It will be of great value to those interested in Texas history especially military history and local and regional studies This superb reference work is illustrated with a number of maps and rare photographs of the U S Army in nineteenth century Texas

[A Companion to American Military History](#) James C. Bradford,2009-11-03 With more than 60 essays A Companion to American MilitaryHistory presents a comprehensive analysis of the historiographyof United States military history from the colonial era to thepresent Covers the entire spectrum of US history from the Indian andimperial conflicts of the seventeenth century to the battles inAfghanistan and Iraq Features an unprecedented breadth of coverage from eminentmilitary historians and emerging scholars including little studiedtopics such as the military and music

military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study **Term**

Paper Resource Guide to Twentieth-Century United States History Ron Blazek, Teri Maggio, Robert Muccigrosso, 1999-05-30 Students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century U S history This guide presents entries on 100 of the most important events and developments in twentieth century U S history organized in chronological order Each entry consists of a short description of the event followed by five specific suggestions for term papers about the event and a wide ranging annotated bibliography of 15-35 books articles videos and a web site appropriate for student research In every case the emphasis is on recent and up to date material as well as landmark works and primary sources Every entry contains a video and concludes with a recommended web site producing a multimedia approach designed to appeal to the current information gathering habits and preferences of young people From the Spanish American War to the creation of NAFTA the 100 events and developments cover political social economic and cultural issues The work has been designed to meet the needs of the U S history curriculum Term paper topic ideas offer students thought provoking suggestions that are challenging and develop critical thinking skills The annotated bibliography is organized into reference sources general sources specialized sources biographical sources periodical articles recommended videos and World Wide Web sites All items are readily available in school public and academic library collections This unique guide is valuable not only to students but to teachers and librarians who guide students in research and is an excellent purchasing guide for librarians who serve student needs **Crossing the Deadly Ground** Perry D. Jamieson, 1994-09-30 With the advent of better weapons the American army learned that massing tight lines of soldiers to attack dug in defenders would not work as well as it had Soldiers began to study the issue and develop new field tactics In 1891 Fort Leavenworth published the first true tactical manual Not until the advent of the field radio was the problem solved of communicating with troops spread much farther apart **National Register Bulletin**, 1985 **Nelson A. Miles and the Twilight of the Frontier Army** Robert Wooster, 1996-09-28 Based on a wide range of sources including materials only recently made available to researchers this first complete carefully documented biography of Miles skillfully delineates the brilliant abrasive and controversial tactician whose career in many respects epitomized the story of the Old Army *The Militia and the National Guard in America Since Colonial Times* Jerry M. Cooper, 1993-07-27 This research guide fills a major gap in the literature about the citizen and volunteer soldier in American military history and explains how to conduct research on the subject and to explore fruitful areas for future study Professor Cooper gives a brief historiography and points to the 50 most important studies on America's militia and National Guard A carefully annotated bibliography provides basic information about 406 books dissertations and journal articles Chapters cover different historical periods and topics including African Americans for the easy use of

students scholars and researchers in history and military studies as well as for history buffs wanting to learn more about the Guard Author and subject indexes add to the usefulness of the volume **Defending America's Coasts, 1775-1950** Dale E. Floyd,1997 Citizen and Soldier Henry C. Dethloff,Gerald E. Shenk,2011 *Guidelines for Identifying, Evaluating, and Registering America's Historic Battlefields* Patrick W. Andrus,1992 The Spanish-American War and Philippine Insurrection, 1898-1902 Mark Barnes,2010-09-13 An often overshadowed event in American military history the Spanish American War began as a humanitarian effort on the part of the United States to provide military assistance for the liberation of Cuba from Spanish domination At the time no one knew that this simple premise would result in an American empire Through extensive research Mark Barnes has created a comprehensive annotated bibliography detailing this globally significant conflict and its aftermath Insightful notes are included for every title in each chronologically organized chapter By drawing together an impressive collection of sources including some previously not readily available to English language readers Barnes has created an invaluable resource for scholars of this conflict Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian Indian Wars of Canada, Mexico and the United States, 1812-1900 Bruce Vandervort,2007-05-07 Fully illustrated this unique and fascinating study sheds new light on familiar events Drawing on anthropology and ethnohistory as well as the new military history this book interprets and compares the way Indians and European Americans waged wars in Canada Mexico the USA and Yucat n during the nineteenth century **Infantry** ,1991 *Anticipating Total War* Manfred F. Boemeke,Roger Chickering,Stig Förster,1999-03-28 The essays in Anticipating Total War explore the discourse on war in Germany and the United States between 1871 and 1914 The concept of total war provides the analytical focus The essays reveal vigorous discussions of warfare in several forums among soldiers statesmen women s groups and educators on both sides of the Atlantic Predictions of long cataclysmic wars were not uncommon in these discussions while the involvement of German and American soldiers in colonial warfare suggested that future combat would not spare civilians Despite these anticipations of total war virtually no one realized the practical implications in planning for war in the early twentieth century

When somebody should go to the ebook stores, search foundation by shop, shelf by shelf, it is essentially problematic. This is why we give the books compilations in this website. It will no question ease you to see guide **Late 19th Century U S Army 1865 1898 A Research Guide** as you such as.

Late 19th Century U S Army 1865 1898 A Research Guide Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Late 19th Century U S Army 1865 1898 A Research Guide PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Late 19th Century U S Army 1865 1898 A Research Guide PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Late 19th Century U S Army 1865 1898 A Research Guide free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Late 19th Century U S Army 1865 1898 A Research Guide Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Late 19th Century U S Army 1865 1898 A Research Guide is one of the best book in our library for free trial. We provide copy of Late 19th Century U S Army 1865 1898 A Research Guide in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Late 19th Century U S Army 1865 1898 A Research Guide. Where to download Late 19th Century U S Army 1865 1898 A Research Guide online for free? Are you looking for Late 19th Century U S Army 1865 1898 A Research Guide

PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Late 19th Century U S Army 1865 1898 A Research Guide. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Late 19th Century U S Army 1865 1898 A Research Guide are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Late 19th Century U S Army 1865 1898 A Research Guide. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Late 19th Century U S Army 1865 1898 A Research Guide To get started finding Late 19th Century U S Army 1865 1898 A Research Guide, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Late 19th Century U S Army 1865 1898 A Research Guide So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Late 19th Century U S Army 1865 1898 A Research Guide. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Late 19th Century U S Army 1865 1898 A Research Guide, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Late 19th Century U S Army 1865 1898 A Research Guide is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Late 19th Century U S Army 1865 1898 A Research Guide is universally compatible with any devices to read.
