**Lou Reed** Anthony DeCurtis, 2017-10-10 The essential biography of one of music's most influential icons Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once a source of transcendent beauty and coruscating noise violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians But while his iconic status may be fixed the man himself was anything but Lou Reed's life was a transformer's odyssey Eternally restless and endlessly hungry for new experiences Reed reinvented his persona his sound even his sexuality time and again A man of contradictions and extremes he was fiercely independent yet afraid of being alone artistically fearless yet deeply paranoid eager for commercial success yet disdainful of his own triumphs Channeling his jagged energy and literary sensibility into classic songs like Walk on the Wild Side and Sweet Jane and radically experimental albums alike Reed remained desperately true to his artistic vision wherever it led him Now just a few years after Reed's death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the

provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed s friends family and collaborators DeCurtis tracks Reed s five decade career through the accounts of those who knew him and through Reed s most revealing testimony his music We travel deep into his defiantly subterranean world enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed s relationships with such legendary figures as Andy Warhol David Bowie and Laurie Anderson Gritty intimate and unflinching Lou Reed is an illuminating tribute to one of the most incendiary artists of our time
