Innocence, Heterosexuality, and the Queerness of Children's Literature Tison Pugh, 2010-12-14 Innocence Heterosexuality and the Queerness of Children's Literature examines distinguished classics of children's literature both old and new including L Frank Baum's Oz books Laura Ingalls Wilder's Little House series J K Rowling's Harry Potter novels Lemony Snicket's A Series of Unfortunate Events and Stephenie Meyer's Twilight series to explore the queer tensions between innocence and heterosexuality within their pages Pugh argues that children cannot retain their innocence of sexuality while learning about normative heterosexuality yet this inherent paradox runs throughout many classic narratives of literature for young readers Children's literature typically endorses heterosexuality through its invisible presence as the de facto sexual identity of countless protagonists and their families yet heterosexuality's ubiquity is counterbalanced by its occlusion when authors shield their readers from forthright considerations of one of humanity's most basic and primal instincts The book demonstrates that tensions between innocence and sexuality render much of children's literature queer especially when these texts disavow sexuality through celebrations of innocence In this original study Pugh develops interpretations of sexuality that few critics have yet ventured paving the way for future scholarly engagement with larger questions about the ideological role of children's literature and representations of children's sexuality Tison Pugh is Associate Professor in the Department of English at the University of Central Florida He is the author of *Queering Medieval Genres and Sexuality and Its Queer Discontents in Middle English Literature* and has published on children's literature in such journals as *Children's Literature The Lion and the Unicorn* and *Marvels and Tales*

control of it As an adolescent he was raised in a very large very poor and typically dysfunctional family with seven sisters and three brothers His father was a typical alcoholic and his mother was overworked and overburdened with family responsibilities allowing him to practically make his own rules of behavior Despite many bad influences in his childhood he managed to stay on the right side of the law and even attain a couple of college degrees It seemed as if he was off and running with both hands on the wheel to what seemed a promising future only to begin experiencing symptoms he could not understand At first he began just having feelings guilt insecurity and loneliness Then his life began to derail when he started having feelings of extreme paranoia then severe delusions crept into his state of mind Unwilling to admit he was having serious mental problems he continued on his way not knowing he had only one hand on the wheel and one eye on the road Only after several severe schizophrenic episodes and suicide attempts did he learn he was still sane enough to realize he was almost insane He took complete control of his life when he finally admitted that he was a chronic paranoid schizophrenic Under proper medication and treatment he learned before it was too late that he could not beat the madness that comes with schizophrenia His only hope was to deal with it Today he is happily married with two wonderful children and a beautiful wife thanks in part to the medication he takes diligently every day This is his story about survival *The Gentle Gamblers* Lillian Ross,2012-10-03 They braved the dark lean days of the Western Canadian Prairies to carve out a new life for themselves The pot o gold for their labors was a stretch of black fertile soil alive with a sea of golden wheat But would the tragedy of some unfulfilled dreams cause them to return to their Eastern roots Brief Synopsis This is a story about real people living through real events in Canadian history with often uncommon bravery **Laura Ingalls Wilder's Little Town** John E. Miller,1994 As Laura Ingalls Wilder anticipated her widely loved stories of her prairie childhood have become much more than a nostalgic blend of myth memories and autobiography As John Miller reveals they have much to tell us about the historical realities of day to day living and attitudes in the nineteenth century History and literature are closely intertwined Miller contends Here he illustrates how Wilder s novels enhance our understanding of history and how simultaneously a historical perspective framed Wilder s fiction He shows how Wilder interwove content and form to produce a sentimental and compelling yet nuanced and believable picture of family life on the agricultural frontier BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Deluged** Claire Rosemary Jane,2024-12-06 When fourteen year old Dan witnessed the bridge to his family s farm collapse he quickly grasped the gravity of the situation With the town below in imminent danger and no way to warn anyone by phone Dan knew he had to act fast The disaster had all begun with relentless rain Dan an avid trails motorbike rider on his father s farm had recently befriended Laura a slightly older and equally adventurous horse rider They met one Sunday morning while exploring the moor along with Dan s younger twin siblings Together this group of friends faced the unfolding catastrophe head on Their courageous and inventive efforts to navigate each terrifying twist of the disaster form the heart of this gripping tale **The Secret Country** Pamela
