Colorado Jane Owens has taken the book of Exodus which is 3 500 years old and made it relevant for today She was inspired to inspire others as a pastor that leads the sheep This book is a valuable resource and needed in the body of Christ Pastor Nicholas Plummer Beit Tehila Congregation Brandon Florida **Exodus** Ronald E. Clements,1972-05-25 Dr Clements volume like others in the series contains the text in the New English Bible translation divided into sections with introductory material preceding and a commentary directly following each section of the text Dr Clements discusses the content and historical background of the book and the theories about the authorship of Exodus identifying briefly the four main sources Although the content of Exodus is largely devoted to the narrative of the escape of the Israelites from Egypt Dr Clements treats the book as a truly religious work in which history and faith are inseparably woven together *The Exodus* ,1897

Understanding Exodus, Second Edition Moshe Greenberg,2013-10-14 In 1969 Professor Greenberg published his Understanding Exodus covering Exodus 1 11 In this second edition introduced and edited by Jeffrey H Tigay the author s corrections and revisions are incorporated along with a new foreword In addition a new appendix Questions for Uncovering the Message of a Biblical Text is included which provides the reader with a succinct articulation of Greenberg s approach to exegesis *Exodus* Ernst H Wendland,1984-07-01 What is the book of Exodus about In the Bible Exodus is the second book written by God s great leader Moses The book s title means road out Exodus records the departure of God s people from their slavery in Egypt and the beginning of their journey to the Promised Land In the third month of that journey Moses and the people came to Mount Sinai where God gave them his law Want to learn more If you re wondering what Exodus is about this book is for you Exodus is a reliable Bible commentary It s down to earth clearly written easy to read and understand and filled with practical and modern applications to Scripture It also includes the complete text of the book of Exodus from the NIV Bible The Christ centered commentaries following the Scripture sections contain explanations of the text historical background illustrations and archaeological information Exodus is a great resource for personal or group study This book is a part of The People s Bible series from Northwestern Publishing House *Exodus* Victor P. Hamilton,2011-11 A highly regarded Old Testament scholar provides a comprehensive evangelical exegesis of the book of Exodus The Book of Exodus ,1918 The Road to Redemption Burton L. Visotzky,1998 The author of The Genesis of Ethics returns in a lively learned iconoclastic study that relates the narrative of Exodus to modern ethics **Exodus** R. Alan Cole,1973 The Parting of the Sea Barbara J. Sivertsen,2009-02-17 For more than four decades biblical experts have tried to place the story of Exodus into historical context without success What could explain the Nile turning to blood insects swarming the land and the sky falling to darkness Integrating biblical accounts with substantive archaeological evidence The Parting of the Sea looks at how natural phenomena shaped the stories of Exodus the Sojourn in the Wilderness and the Israelite conquest of Canaan Barbara Sivertsen demonstrates that the Exodus was in fact two separate exoduses both triggered by volcanic eruptions and provides scientific explanations for the ten plagues and the parting of the Red Sea Over time Israelite oral

tradition combined these events into the Exodus narrative known today Skillfully unifying textual and archaeological records with details of ancient geological events Sivertsen shows how the first exodus followed a 1628 B C E Minoan eruption that produced all but one of the first nine plagues The second exodus followed an eruption of a volcano off the Aegean island of Yali almost two centuries later creating the tenth plague of darkness and a series of tsunamis that parted the sea and drowned the pursuing Egyptian army Sivertsen s brilliant account explains inconsistencies in the biblical story fits chronologically with the conquest of Jericho and confirms that the Israelites were in Canaan before the end of the sixteenth century B C E In examining oral traditions and how these practices absorb and process geological details through storytelling The Parting of the Sea reveals how powerful historical narratives are transformed into myth *The Message of Exodus* J. Alec Motyer,2022-01-18 The book of Exodus is a covenant narrative revealing the faithfulness of God and the nature and life of God s people their redemption obedience security and inheritance In this BST volume J Alec Motyer considers the meaning that Exodus still has for us today unfolding the ways it points to Jesus Christ and heralds him in advance *The Book of Exodus in the Revised Version* Samuel Rolles Driver,1929 **The Exodus and the Wanderings in the Wilderness** Alfred Edersheim,1876 **Studies in the Book of Exodus** Marc Vervenne,1996 *Exodus* Rebecca Bender,2022-04-12 Lessons from the book of Exodus learn how to stop walking in circles and rely on God s grace to show you the way to his good promise Do you wonder if you ll ever get back on track after suffering a major setback or traumatic experience Do you wonder even secretly if God actually does keep his promises Or if his love is far reaching enough his plan detailed enough to include even your daily struggles habits and hang ups In this Bible study Rebecca Bender takes study groups and individuals straight into the book of Exodus where the Israelites are wandering after their own tracks immediately after escaping from bondage and oppression at the hands of Pharaoh God is trying to get them to the land of his promise but they like many of us are frustrated by doubts fears and self destructive habits This study guide will equip you to See Exodus in a new and relatable way that will help you better understand God and yourself Understand the historical and cultural nuances of Egypt to give you fresh insight into this powerful story Learn applicable tips from the children of Israel by understanding what they did right and what they did wrong in order to reach their goals Move beyond your own past and into your promises Get back on track after experiencing a major setback in life or enduring a traumatic event God has called you out of bondage to sin to doubt to defeat and into his Promised Land that flows with his grace and truth This study guide includes biblical and historical background insights practical application group discussion questions and a memory verse for each chapter Inscribed is a collection of studies that lead women to not just survive but thrive by encouraging them to immerse themselves in the Word of God *Exodus; a Commentary* Martin Noth,1962 Exodus is seen in its relation to the preceding Genesis and to the succeeding three books of the Pentateuch Unlike Genesis which dealt with individuals Exodus is primarily concerned with Israel collectively and with the basic elements of Israel s faith The author shows that the central motifs are the flight

from Egypt especially the crossing of the sea and the theophany and covenant at Sinai The exegesis deals with the narrative as it appears in its final form but in order to clarify the story the author makes constant references to the successive stages in its literary development and throughout the commentary he distinguishes the literary strands notably those known as J E and P that are woven into the fabric of the book
