El modernismo catalán Javier Tusell Gómez, Fundación Santander Central Hispano (Madrid), 2000 Beyond National Identity Michele Greet, 2009 Traces changes in Andean artists vision of indigenous peoples as well as shifts in the critical discourse surrounding their work between 1920 and 1960 *El Modernismo catalán* , The Spanish Element in Our Nationality M. Elizabeth Boone, 2019-12-09 The Spanish Element in Our Nationality delves beneath the traditional English only narrative of U S history using Spain s participation in a series of international exhibitions to illuminate more fully the close and contested relationship between these two countries Written histories invariably record the Spanish financing of Columbus s historic voyage of 1492 but few consider Spain s continuing influence on the development of U S national identity In this book M Elizabeth Boone investigates the reasons for this problematic memory gap by chronicling a series of Spanish displays at international fairs Studying the exhibition of paintings the construction of ephemeral architectural space and other manifestations of visual culture Boone examines how Spain sought to position itself as a contributor to U S national identity and how the United States in comparison to other nations in North and South America subverted and ignored Spain s messages making it possible to marginalize and ultimately obscure Spain s relevance to the history of the United States Bringing attention to the rich and understudied history of Spanish artistic production in the United States The Spanish Element in Our Nationality recovers the Spanishness of U S national identity and explores the means by which Americans from Santiago to San Diego used exhibitions of Spanish art and history to mold their own modern self image *El Modernismo en las colecciones del MNAC* Mercè Doñate, Museu Nacional d'Art de Catalunya, 2009 El Modernismo una de las mejores tarjetas de presentaci n de Barcelona es un periodo ampliamente representado en el MNAC que conserva la colecci n de arte modernista m s importante del pa s en calidad y cantidad El proceso de renovaci n de las artes visuales uno de los aspectos que mejor definen este singular movimiento est tico aparece perfectamente ilustrado en el recorrido por los diferentes cap tulos de este libro *Antoni Gaudí - El punto de partida para el modernismo catalán* Jeremy Roe, 2019-12-09 El arquitecto y dise ador espa ol Antoni Gaud 1852 1926 es una importante e influyente figura en la historia del arte contempor neo de Espa a El uso del color la utilizaci n de diferentes materiales y la introducci n de movimiento en sus construcciones fueron toda una innovaci n en el terreno de la arquitectura En su diario Gaud expone sus propios sentimientos sobre el arte los colores usados en arquitectura tienen que ser intensos l gicos y f rtiles El autor Jeremy Roe utiliza una amplia gama de detalles fotogr ficos y arquitect nicos que le permiten revelar el contexto del arte de Barcelona mientras nos introduce en el mundo de Gaud maestro de algunas de las m s famosas construcciones objetos de dise o y grandes obras de la arquitectura espa ola Este libro ayuda a comprender a Gaud y su legado *Barcelona and Modernity* William H.
