Shaffer, 2015-12-23 *Light and Dark* is a curious collection or runic ragout of wry rhyme writing sporadically spread over a broad spectrum of topics alphabetically ranging from Aardvark to Zeitgeist and all written by Tom E Shaffer Actually this is a somewhat revised version of a book of my highly variegated verse style compositions which I had first assembled and self published back in 1982 Quoting from that original introduction to describe the dominant character and style of its content I was tempted to reply in the manner of a recipe Mix equal portions of Ogden Nash e.g. *The Purist* and that Edwin A Robinson of *Richard Cory* fame add a pinch of Poe a bit of Bierce and a hint of Herrick and then blend as well as poetically possible and carefully pour into a Bob Browning dramatic monologue mold etcetera etc These poems were fully intended to be read aloud with equal emphasis on both their music and message This revised version takes advantage of word processing features unavailable to me back then but they can now

greatly aid readers both to better understand individual poems or when reading them aloud if sharing with others I also hope it will serve as an easy introduction to all my other kindred pieces written since which have been waiting so long to take their place within comfortable covers on some suitable shelf night stand or coffee table This assiduous assemblage has been conceived as a Light and Dark collection *The Anthony Summers Collection* Anthony Summers,2018-04-10 Marilyn JFK Hoover Three provocative works of investigative journalism by a New York Times bestselling author and finalist for the Pulitzer Prize New York Times bestselling author Anthony Summers was a finalist for the Pulitzer Prize in 2012 for his acclaimed account of the 9 11 attacks *The Eleventh Day* In these three exposés Summers uncovers the truth behind the myth making cover ups and lies surrounding the death of Marilyn Monroe the assassination of John F Kennedy and the career of infamous FBI director J Edgar Hoover *Goddess* In this remarkable New York Times bestselling biography of the iconic star's brief life and tragic end Summers establishes after years of rumors that President Kennedy and his brother Robert were both intimately involved with Monroe in life and in covering up the circumstances of her death *The New York Times* Convincing evidence of a crude but effective cover up which was designed to protect Robert Kennedy *The Times Literary Supplement* Not in Your Lifetime Updated fifty years after the JFK assassination Summers's extensively researched account is comprehensive and candid shedding new light on Lee Harvey Oswald and Jack Ruby in particular providing the closest we have to that literary chimera a definitive work on the events in Dallas *The Boston Globe* Fresh and important We rush on through Summers's narrative as if we were reading an artful thriller *The New York Times* An awesome work with the power of a plea as from Zola for justice *Los Angeles Times* Official and Confidential This enthralling New York Times bestselling portrait of J Edgar Hoover plumbs the depths of a man who possessed and abused enormous power as the director of the FBI for fifty years persecuting political enemies blackmailing politicians and living his own surprising secret life haunted by paranoia *Paul Theroux* An important book that should give us all pause especially policy makers *The Philadelphia Inquirer* Summers book is not just a history of a single hero sized hypocrite it is a history of a vast national delusion *The Spectator*

Baby, You are My Religion Marie Cartier,2014-09-11 *Baby You Are My Religion* argues that American butch femme bar culture of the mid 20th Century should be interpreted as a sacred space for its community Before Stonewall when homosexuals were still deemed mentally ill these bars were the only place where many could have any community at all *Baby You are My Religion* explores this community as a site of a lived corporeal theology and political space It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars that traditional and non traditional religious activities took place there and that religious ceremonies such as marriage were often conducted within the bars by staff *Baby You are My Religion* examines how these bars became not only ecclesiastical sites but also provided the fertile ground for the birth of the struggle for gay and lesbian civil rights before Stonewall *Goddess* Anthony Summers,2012-11-06 The updated bestselling biography based on over six hundred interviews and the inspiration for the

Dashing to the End Eric Monder, 2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907 1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland s extensive canon across such a period is remarkable especially considering his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder s *The Lost Weekend* 1945 or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* 1954 there is much more to Milland s life and career than the few films that elevated him from star to icon Despite his prolific and successful career *Dashing to the End: The Ray Milland Story* is the first comprehensive biography of the star Milland s personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland s costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist

Movie Anecdotes Peter Hay, 1991-12-12 Hollywood Walter Winchell quipped is where they shoot too many movies and not enough actors Always looking for an angle always scheming always the scene of clashing egos the movie industry is where they place you under contract instead of observation and if you don t have anything nice to say write it down In 1940 I had my choice between Hitler and Hollywood French director Ren Clair recalled and I preferred Hollywood just a little In *Movie Anecdotes* Peter Hay treats us to a delightful ride through the world that has captivated audiences for almost a century with stories that are often hilarious sometimes tragic and always entertaining He takes us from the rough and tumble early days when one studio paid Pancho Villa 25 000 to launch his attacks only in daylight after a film crew had set up to the studio era when Joan Crawford

refused to cross the street on the MGM lot except in a chauffeured limousine to the shenanigans of today's global industry. Here are stories about all the legends: Charlie Chaplin, Greta Garbo, John Barrymore, Mae West, Lucille Ball, Marilyn Monroe, Errol Flynn, Humphrey Bogart, Bette Davis, Judy Garland, Sophia Loren, John Wayne, and of course Ronald Reagan. There are the great directors from D. W. Griffith, Hitchcock, and Eisenstein to Kurosawa, Bergman, Visconti, Huston, Ford, and Woody Allen. And Hay has selected tales of the writers, the wits, and the grand moguls, including perhaps the largest collection of Goldwynisms, both genuine and apocryphal. Along with the laughter, this volume recreates the conflicts that have torn the movie world from battles over money and contracts to discrimination, divorces, and scandals. Colorful, incredible, bitter, funny: the stories about moviemaking are as fantastic as the pictures themselves. Now they have been gathered together in an irresistible bouquet that is certain to delight every movie buff and provide fascinating insights for serious students of film.

William Wyler Gabriel Miller, 2013-06-05 During his forty-five year career, William Wyler (1902-1981) pushed the boundaries of filmmaking with his gripping storylines and innovative depth of field cinematography. With a body of work that includes such memorable classics as *Jezebel* (1938), *Mrs. Miniver* (1942), *Ben-Hur* (1959), and *Funny Girl* (1968), Wyler is the most nominated director in the history of the Academy Awards and bears the distinction of having won an Oscar for Best Director on three occasions. Both Bette Davis and Lillian Hellman considered him America's finest director, and Sir Laurence Olivier said he learned more about film acting from Wyler than from anyone else. In *William Wyler*, Gabriel Miller explores the career of one of Hollywood's most unique and influential directors, examining the evolution of his cinematic style. Wyler's films feature nuanced shots and multifaceted narratives that reflect his preoccupation with realism and story construction. The director's later works were deeply influenced by his time in the army air force during World War II, and the disconnect between the idealized version of the postwar experience and reality became a central theme of Wyler's masterpiece *The Best Years of Our Lives* (1946). None of Wyler's contemporaries approached his scope; he made successful and seminal films in practically every genre, including social drama, melodrama, and comedy. Yet despite overwhelming critical acclaim and popularity, Wyler's work has never been extensively studied. This long-overdue book offers a comprehensive assessment of the director, his work, and his films' influence.

The Left Side of the Screen Bob Herzberg, 2014-01-10 In examining the careers of communist and liberal actors, screenwriters, playwrights, and directors in Hollywood from the late 1920s to the present, this book uses studio and PCA correspondence, FBI files, film and theater reviews, and other sources to reveal how all of these artists were concerned with and active in the cinema of social protest. It covers the works of those liberal stars and directors who collaborated with communist artists in New York and Hollywood, including John Garfield, Canada Lee, Frances Farmer, Paul Robeson, James Edwards, and Paul Muni; liberal filmmakers like Philip Dunne; and ex-communists and HUAC-friendly witnesses like Elia Kazan, Edward Dmytryk, and Robert Rossen. It also looks at the activities of the Communist Party in Hollywood and the far-reaching influence of the Soviet Union.
