Francis Edith Schaeffer Men Of Faith:

Francis and Edith Schaeffer Louis Gifford Parkhurst,1996 Francis and Edith Schaeffer departed for Europe as missionaries following World War II where they founded L Abri Fellowship in Switzerland This inspiring biography shows how God used their strengths and weaknesses in a world renowned ministry that challenged doubters to faith by demonstrating God s existence through answered prayers

The Last Men's Book You'll Ever Need David Moore,2008-05 Guys might hate asking for directions but they certainly won t resist the guidance found in The Last Men s Book You ll Ever Need Author David Moore combines his Bible scholar background with a humorous Dave Barry esque style of writing that makes sensitive subjects like sexual temptation love of money busy ness and the shrinking American soul much easier to ponder and improve upon And the seemingly playful title is actually based on a strong thread of sincerity Moore is concerned about the overabundance of spiritual how to books that fail to put enough emphasis on the sufficiency of the Bible One very clear tactic of the Enemy is trying to get us away from the simplicity and purity of devotion to Christ he says Put first things first with The Last Men s Book You ll Ever Need

Patience with God: Faith for People Who Don't Like Religion (or Atheism) Frank Schaeffer,2010-04 Frank Schaeffer has a problem with Dawkins Hitchens Harris Dennett and the rest of the New Atheists the self anointed Brights He also has a problem with the Rick Warrens and Tim LaHayes of the world The problem is that he doesn t see much of a difference between the two camps As Schaeffer puts it they often share the same fallacy truth claims that reek of false certainties I believe that there is an alternative that actually matches the way life is lived rather than how we usually talk about belief Sparing no one and nothing including himself and his fiery evangelical past and invoking subtleties too easily ignored by the pontificators Schaeffer adds much needed nuance to the conversation My writing has smoked out so many individuals who seem to be thinking about the same questions I hope that this book will provide a meeting place for us the scattered refugees of what I ll call The Church of Hopeful Uncertainty

The Bonhoeffer Phenomenon Stephen R. Haynes, 2004 Stephen Haynes's provocative study articulates the many motives and agendas that readers and scholars have brought to their study of Bonhoeffer making it difficult to assess objectively the relationship of his political and religious commitments the real meaning of his theology and his words and actions on behalf of Jews Reading Haynes's book helps us learn not only what Bonhoeffer has to teach us but also what it is we most desire to learn

Graceful Evangelism Frances S. Adeney, 2011-02-01. The word evangelism evokes strong reactions among Christians. Conflict about what it is, whether to do it, how to go about it, and the desired results divides churches, demonstrating the need for new theologies and methods that address today's religiously pluralistic and secular contexts. This book offers a comprehensive treatment of evangelism from biblical models to contemporary practice. Frances Adeney shows that understanding different contexts and approaches to evangelism and accepting the views of others on this crucial topic can help replace the evangelism wars, social action vs proclamation with a more graceful approach to sharing God's good news with the world.

Irresistible Faith Scott Sauls, 2019-01-22. I love everything that Scott Sauls writes. Christine Caine: What if Christians became the best advertisement for Jesus? Jesus said his followers would be a light to the world and a city on a hill, a warmly inviting, neighbor loving, grace and truth filled destination for all. He envisioned his followers as life giving neighbors, bosses, employees and friends, the kind of people who return insults with kindness and persecution with prayers. Rooted in biblical convictions, they would extend love, empathy and care to one another as well as to those who don't share their beliefs. Over time, their movement would become irresistible to every nation, tribe and tongue. Irresistible Faith is a blueprint for pursuing this vision in our current moment of redeemed individuals and a renewed community working for a restored world. This is a way of being that gives a tired, cynical world good reason to pause.

and reconsider Christianity and to start wishing it was true I miss the kind of church Scott describes in this book and I don't think I am alone Donald Miller author of Blue Like Jazz and Building a StoryBrand An important call to resist the urge to lobby and position ourselves but rather to be driven by gospel powered love Raechel Myers founder and CEO of She Reads Truth An antidote to much that is wrong with our Western American version of Christianity Gabe and Rebekah Lyons authors and founders of Q
