Guinn, 2022-01-22 Despite Francis Schaeffer's apologetic having been considered by some to be one of the most significant contributions to the Christian defense of the faith in the Twentieth Century in many ways and rather surprisingly the fine details of his methodology is still largely unknown by many in the Christian world Some may know that Dr Schaeffer is significant but they may not realize how helpful he is One of the primary causes for this may perhaps rest in the nature of Dr Schaeffer's influence Whereas Dr Schaeffer was more of a popularizer apologist rather than a traditional academic apologist his methods were never explicitly systematized That is he does not have a specific volume entitled Schaeffer's Apologetic that one could simply appeal to This volume seeks to assist in that respect offering a detailed analysis of Dr Schaeffer's significant and practical approach *Evangelical Review of Theology, Volume 46, Number 4, November 2022* Thomas
