

Francois And Jean Claude Duvalier

Van Hugo

Francois And Jean Claude Duvalier:

Francois and Jean Claude Duvalier Erin Condit, Harold Bloom, 1989-01-01 Traces the lives of the man who served as president of Haiti from 1957 to 1971 and his son who succeeded him as president until his overthrow in 1986 Duvalier's Ghosts Jana Evans Braziel, 2017-05-24 Urgently pursues those nameless ghosts of Haitians lost in the liminal space of the Black Atlantic New West Indian Guide Foregrounds the experiences of refugees particularly those refused asylum and detained in camps the political mobilization of the diaspora in the United States the ramifications of the policies and adjustment programmes imposed on Haiti by the World Bank the International Monetary Fund and USAID Bulletin of Latin American Research Theoretically sound and well researched Braziel has written a compelling book on the literatures of post Duvalier Haiti Millery Polyne New York University A very original study a tour de force that crisscrosses the disciplinary boundaries typically separating the social sciences and the humanities It is richly researched beautifully written and will surely attract much critical attention and praise Valerie Kaussen University of Missouri From a position of urgent political engagement this provocative book offers novel and compelling interpretations of several well known Haitian born authors particularly regarding U S intervention in their homeland Drawing on the diasporic cultural texts of several authors such as Edwidge Danticat and Dany Laferriere Jana Evans Braziel examines how writers participate in transnational movements for global social justice In their fictional works they discuss the United States many interventionist methods in Haiti including surveillance foreign aid and military assistance Through their work they reveal that the majority of Haitians do not welcome these intrusions and actively criticize U S treatment of Haitians in both countries Braziel encourages us to analyze the instability and violence of small nations like Haiti within the larger frame of international financial and military institutions and forms of imperialism She forcefully argues that by reading these works as anti imperialist much can be learned about why Haitians and Haitian exiles often have negative perceptions of the U S *State Failure, Underdevelopment, and Foreign Intervention in Haiti* Jean-Germain Gros, 2012-02-20 Failed states are a huge problem in international relations threatening world order in a number of ways Conflicts in failed states often spill unto neighbouring states failed states make for unreliable partners in the resolution of global social problems such as poverty and AIDS and failed states magnify the effects of natural disasters such as hurricanes and earthquakes In response to the multiple threats posed by failed states working states sometimes acting alone sometimes in concert with others have undertaken military operations often under the rubric of humanitarian intervention This book is a historical study of state failure underdevelopment and foreign intervention in light of the Haitian experience with all three Its main thesis is that state failure has been a recurring feature of Haitian political life for much of the country s history and this inability of the Haitians to craft a viable political order is at the heart of Haitian poverty and underdevelopment Haitian state making failure is underwritten by a complex array of deleterious local and external institutions as well as natural constraints including class lack of elite cohesion geography population growth the

social origins of the Haitian polity imperialism and technology **Haitian History** Alyssa Goldstein Sepinwall, 2013 Despite Haiti's proximity to the United States and its considerable importance to our own history Haiti barely registered in the historic consciousness of most Americans until recently Those who struggled to understand Haiti's suffering in the earthquake of 2010 often spoke of it as the poorest country in the Western hemisphere but could not explain how it came to be so In recent years the amount of scholarship about the island has increased dramatically Whereas once this scholarship was focused on Haiti's political or military leaders now the historiography of Haiti features lively debates and different schools of thought Even as this body of knowledge has developed it has been hard for students to grasp its various strands Haitian History presents the best of the recent articles on Haitian history by both Haitian and foreign scholars moving from colonial Saint Domingue to the aftermath of the 2010 earthquake It will be the go to one volume introduction to the field of Haitian history helping to explain how the promise of the Haitian Revolution dissipated and presenting the major debates and questions in the field today

Drugs, Law Enforcement, and Foreign Policy: The Cartel, Haiti, and Central America United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Terrorism, Narcotics, and International Communications, 1988 Drugs, Law Enforcement, and Foreign Policy : Hearings Before the Subcommittee on Terrorism, Narcotics, and International Communications and International Economic Policy, Trade, Oceans, and Environment of the Committee on Foreign Relations, United States Senate, One Hundredth Congress, First Session United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Terrorism, Narcotics, and International Communications, 1988

Drugs, Law Enforcement, and Foreign Policy United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Terrorism, Narcotics, and International Communications, 1989 **Voodoo and Politics in Haiti** Michel S. Laguerre, 2016-07-27 Not only does this book give a well researched account of the politicization of Haitian Voodoo and the Voodooization of Haitian politics it also lays the ground for the development of creative policies by the state vis a vis the cult It is an indispensable research tool for the students of Afro American Caribbean and African societies in particular and for religionists and political scientists in general *The Oxford Encyclopedia of African Thought* Abiola Irele, 2010 From St Augustine and early Ethiopian philosophers to the anti colonialist movements of Pan Africanism and Negritude this encyclopedia offers a comprehensive view of African thought covering the intellectual tradition both on the continent in its entirety and throughout the African Diaspora in the Americas and in Europe The term African thought has been interpreted in the broadest sense to embrace all those forms of discourse philosophy political thought religion literature important social movements that contribute to the formulation of a distinctive vision of the world determined by or derived from the African experience The Encyclopedia is a large scale work of 350 entries covering major topics involved in the development of African Thought including historical figures and important social movements producing a collection that is an essential resource for teaching an invaluable companion to independent research and a solid guide for further study *Historical*

Dictionary of Haiti Fequiere Vilsaint, Michael R. Hall, 2021-08-01 This book covers the history of Haiti starting in 1492 with the initial European landing of the island to the present day Haiti shares the island of Hispaniola with the Dominican Republic Haiti proclaimed its independence from France on January 1 1804 following the only successful slave evolution in the Americas As a result of the Haitian Revolution 1791 1804 Haiti became the first independent Latin American nation and the second independent nation in the Western Hemisphere after the United States Throughout its history it has suffered political violence and a devastating earthquake which killed over 300 000 people Historical Dictionary of Haiti Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Haiti

Passage of Darkness Wade Davis, 2000-11-09 In 1982 Harvard trained ethnobotanist Wade Davis traveled into the Haitian countryside to research reports of zombies the infamous living dead of Haitian folklore A report by a team of physicians of a verifiable case of zombification led him to try to obtain the poison associated with the process and examine it for potential medical use Interdisciplinary in nature this study reveals a network of power relations reaching all levels of Haitian political life It sheds light on recent Haitian political history including the meteoric rise under Duvalier of the Tonton Macoute By explaining zombification as a rational process within the context of traditional Vodoun society Davis demystifies one of the most exploited of folk beliefs one that has been used to denigrate an entire people and their religion

Childhood, Autobiography and the Francophone Caribbean Louise Hardwick, 2013-04-04 This book explores a major modern turn in Francophone Caribbean literature towards realistic narratives of childhood and asks why this occurred post 1990

Africa and the Americas Richard M. Juang, Noelle Morrisette, 2008-03-12 This encyclopedia explores the many long standing influences of Africa and people of African descent on the culture of the Americas while tracing the many ways in which the Americas remain closely interconnected with Africa Ranging from the 15th century to the present *Africa and the Americas Culture Politics and History* explores the many ways Africa and African peoples have shaped the cultural life of the Americas and how in turn life in the Americas reverberates in Africa This groundbreaking three volume encyclopedia offers hundreds of alphabetically organized entries on African history nations and peoples plus African influenced aspects of life in the Americas It also features authoritative introductory essays on history culture and religion demography international relations economics and trade and arts and literature In doing so it traces the complex and continuous movement of peoples of African descent to the West the mechanics and lingering effects of colonialism and the slave trade and the crucial issues of cultural retention and adaptation that are essential to our understanding of the effects of globalization

Sex Power Money Van Hugo, 2021-10-25 I want to let my readers and audiences to know that this book is not written to discriminate against anyone regardless of the sexes races classes and genders as well as anyone's religions I

wrote this book because of a lot of awareness and concern that some of us are having in this world without knowing what is really going on within them I want to say that viewer discretion is advised **Encyclopedia of U.S. - Latin American**

Relations Thomas Leonard, Jurgen Buchenau, Kyle Longley, Graeme Mount, 2012-01-31 No previous work has covered the web of important players places and events that have shaped the history of the United States relations with its neighbors to the south From the Monroe Doctrine through today's tensions with Latin America's new leftist governments this history is rich in case studies of diplomatic economic and military cooperation and contentiousness Encyclopedia of U S Latin American Relations is a comprehensive three volume A to Z reference featuring more than 800 entries detailing the political economic and military interconnections between the United States and the countries of Latin America including Mexico and the nations in Central America the Caribbean and South America Entries cover Each country and its relationship with the United States Key politicians diplomats and revolutionaries in each country Wars conflicts and other events Policies and treaties Organizations central to the political and diplomatic history of the western hemisphere Key topics covered include Coups and terrorist organizations U S military interventions in the Caribbean Mexican American War The Cold War communism and dictators The war on drugs in Latin America Panama Canal Embargo on Cuba Pan Americanism and Inter American conferences The role of commodities like coffee bananas copper and oil Big Stick and Good Neighbor policies Impact of religion in U S Latin American relations Neoliberal economic development model U S Presidents from John Quincy Adams to Barack Obama Latin American leaders from Simon Bolivar to Hugo Chavez With expansive coverage of more than 200 years of important and fascinating events this new work will serve as an important addition to the collections of academic public and school libraries serving students and researchers interested in U S history and diplomacy Latin American studies international relations and current events *Latin American Dictators of the 20th Century* Javier A. Galván, 2013-01-01

Throughout the 20th century the emergence of authoritarian dictatorships in Latin America coincided with periods of social convulsion and economic uncertainty This book covers 15 dictators representing every decade of the century and geographically from the Caribbean and North and Central and South America Each chapter covers their personal information childhood education marriage family assumption of power relationship with the United States oppression of civilians and collapse of their regimes The book also investigates inherent contradictions in U S foreign policy promoting democracy abroad while supporting brutal dictatorships in Latin America Such analysis requires multiple perspectives and this work embraces an evaluation of the influence of military dictatorships on cultural elements such as art literature journalism music and cinema while drawing on data from documentary archives court case files investigative reports international treaties witness testimonies and personal letters from survivors The dramatic experiences of courageous individuals who challenged these 15 oppressors are also recounted The Desktop Digest of Despots and Dictators Gilbert Alter-Gilbert, 2013-01-02 Profiles history's most corrupt leaders and totalitarian regimes detailing their warped personalities and horrific crimes

Jesus the Refugee D. Glenn Butner, 2023 The book argues that the holy family has a limited set of legal options for protection but under current law is unlikely to receive any Along with the basics of modern refugee law and processes Butner raises ethical challenges to the refugee system indicting our moral failures and daring us to make amends **Caribbean Migration** United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration, Refugees, and International Law, 1981 The Era of Military Coups D 'Etat Rev. Emmanuel Dumay, 2011-03-15 This book presents a detailed story on each military coup detat that occurred in Haiti from February 1986 to September 1991 In fact it describes the political spectrum that reigned in Haiti after the departure of President Jean Claude Duvalier The epoch that succeeded the fall of the Duvaliers from power was one of the most ambiguous periods in the history of Haiti founded by Generalissimo Jean Jacques Dessalines the Great in 1804 Dessalines as GENERAL IN CHIEF of the Haitian Indigenous army became the first of the nations Heads of state to be overthrown by a military coup detat in October 17 1806 Since then most of the nations Chiefs of state assumed power through revolutions or coups detat Currently the nation experiences 33 coups detat From February 1986 to September 1991 seven coups or attempted coups detat had taken place in Haiti That is that period of social and political instability that is exposed in this book In the post opinions the author speaks briefly about the problematic of the army involvement in coups detat in Haiti the January 12 2010 Earthquake as well as the need for a new Haitian Armed Forces The book is made available to help Haitians or foreigners in particular those who are curious about Haitis history including observers professors students politicians ordinary people etc Everybody should be capable of judging for himself or for herself on the countrys situation during and after the fall of the Duvaliers from power in February 1986 By writing this essay the author encourages all Haitians that live inside the country or abroad to come to unity That is a powerful tool that can bring Haiti to a dramatic turn toward consistent DEMOCRACY and economic development
