

## Frankenstein's Monster: Analysis

✓ Exclusively available on IvyPanda

Although the Monster can be considered a bad character due to murdering people, the creature has good traits as well. The Monster is described as ugly and strong but at the same time, inexperienced. Firstly, Frankenstein's creature is described as "its gigantic structure and the deformity of its aspect ... instantly informed me that it was the wretch" (Shelley). Despite his ugly and terrifying appearance, the subject did not have the intention to kill people. The creature can be compared to a baby who tries to examine the world it lives in, and its actions are just contractions to the cruelty of the world. Frankenstein's monster is not a real monster; it just seeks love and attention that the world cannot give him. The creature's emotionalism is a positive feature as it allows it to understand people's feelings and share them.

The "Gothic" elements of the novel include supernatural motives, the architecture from the Middle Ages, and the spiritual aspects of human nature. Other "Gothic" elements consist of the strive for knowledge, the Monster, and the probable moral fall of men. I like that genre because I like looking at diverse issues from various perspectives. This novel allows me to look at the actions of Victor Frankenstein and the Monster and understand their motives and feelings. I also appreciate novels that aim to show moral aspects of society with the utilization of different symbols, such as the Monster.

Mary Shelley's husband believed that inappropriate social relationships are the result of people becoming evil. To make people bad, other representatives of society should reject them and make them feel useless or bad. I agree with this opinion, as people's intentions are generally based on their experience of social interactions. If society treats people as if they were misconducts, there is no reason to try to be good or fit in.

I believe that one of the integral themes of the novel is loneliness. The Monster aimed to integrate into society; however, people met him with disgust, fear, hatred, and all the spectrum of negative emotions. Hence, the creature turned to evil because of the feeling of loneliness. Nowadays, society often tries to isolate individuals who do not view the world the same as most people do. This feature often leads to the feeling of being lost and lonely.

**The Greatest Book in the World, and Other Papers** Alfred Edward Newton,1925 *From the Jewish Heartland* Ellen F. Steinberg,Jack H. Prost,2011-06-01 From the Jewish Heartland Two Centuries of Midwest Foodways reveals the distinctive flavor of Jewish foods in the Midwest and tracks regional culinary changes through time Exploring Jewish culinary innovation in America s heartland from the 1800s to today Ellen F Steinberg and Jack H Prost examine recipes from numerous midwestern sources both kosher and nonkosher including Jewish homemakers handwritten manuscripts and notebooks published journals and newspaper columns and interviews with Jewish cooks bakers and delicatessen owners With the influx of hundreds of thousands of Jews during the late nineteenth and early twentieth centuries came new recipes and foodways that transformed the culture of the region Settling into the cities towns and farm communities of Ohio Indiana Wisconsin Michigan Illinois Missouri Iowa and Minnesota Jewish immigrants incorporated local fruits vegetables and other comestibles into traditional recipes Such incomparable gustatory delights include Tzizel bagels and rye breads coated in midwestern cornmeal baklava studded with locally grown cranberries dark pumpernickel bread sprinkled with almonds and crunchy Iowa sunflower seeds tangy ketchup concocted from wild sour grapes Sephardic borekas turnovers made with sweet cherries from Michigan rich Chicago cheesecakes native huckleberry pie from St Paul and savory gefilte fish from Minnesota northern pike Steinberg and Prost also consider the effect of improved preservation and transportation on rural and urban Jewish foodways as reported in contemporary newspapers magazines and published accounts They give special attention to

the impact on these foodways of large scale immigration relocation and Americanization processes during the nineteenth century and the efforts of social and culinary reformers to modify traditional Jewish food preparation and ingredients Including dozens of sample recipes From the Jewish Heartland Two Centuries of Midwest Foodways takes readers on a memorable and unique tour of midwestern Jewish cooking and culture The Technology of the Novel Tony E.

Jackson,2009-05-13 The connection between speech and writing in human language has been a matter of philosophical debate since antiquity By plumbing the depths of this complex relationship Tony E Jackson explains how the technology of alphabetic writing has determined the nature of the modern novel Jackson s analysis begins with the universal human act of oral storytelling While telling stories is fundamental to human experience writing is not Yet the novel perhaps more than any other literary form depends on writing In fact as Jackson shows quite clearly it is writing rather than print that most shapes the forms and contents of the genre Through striking new readings of works by Austen Mary Shelley Dickens Forster Woolf Lessing and McEwan Jackson reveals how the phenomena of speech and storytelling interact with the technological characteristics of writing He also explains how those interactions induced the generic changes in the novel from its eighteenth century beginnings to postmodernism and beyond His claims grounded in a contemporary understanding of human cognitive capacities and constraints offer a fresh interpretive approach to all written literature An essential text in the study of the written word The Technology of the Novel provides new insights into the evolving nature of one of the modern world s most popular narrative forms **Art and Artifice in Visual Culture** Sonia Coman,Vasile-Ovidiu

Prejmerean,Michael Yonan,2024-12-30 This edited volume explores the notion of artifice in modern visual culture ranging from the eighteenth century to the present in countries around the globe Artifice has been regarded as a primarily Western phenomenon playing as it does a central role in European art theory since the Renaissance This volume proposes that artifice is better understood as a transcultural artistic phenomenon and requires far broader conceptualization across international contexts It acquaints readers with works of art visual modes of communication and concepts originating in France Germany the United States Japan and China and includes painting sculpture drawings prints photographs film and virtual reality augmented reality VR AR objects Contributors demonstrate how practices of artifice function as both symbol and form in parallel and divergent ways in multiple cultural settings The book will be of interest to scholars working in art history visual culture and material culture 2024-25 NTA UGC-NET/JRF English Solved Papers YCT Expert Team , 2024 25 NTA UGC NET JRF English Solved Papers 2025-26 NTA/UGC-NET/JRF English Solved Papers 512 995 YCT Expert Team , 2025 26 NTA UGC NET JRF English Solved Papers 512 995 E This book contains the previous solved papers from 2012 to 2024

The Monster Movies of Universal Studios James L Neibaur,2023-06-14 This history and critique of classic scary films honors Universal s horror legacy an excellent resource for film students and monster movie fanatics Library Journal In 1931 Universal Studios released Dracula starring Bela Lugosi This box office success was followed by a string of films featuring

macabre characters and chilling atmospherics including *Frankenstein*, *The Mummy* and *The Invisible Man*. With each new film Universal established its place in the Hollywood firmament as the leading producer of horror films a status it enjoyed for more than twenty years. In *The Monster Movies of Universal Studios* James L. Neibaur examines the key films produced by the studio from the early 1930s through the mid 1950s. In each entry Neibaur recounts the movie's production, provides critical commentary, considers the film's commercial reception and offers an overall assessment of the movie's significance. Neibaur also examines the impact these films had on popular culture, an influence that resonates in the cinema of fear today. From the world premiere of *Dracula* to the 1956 release of *The Creature Walks among Us*, Universal excelled at scaring viewers of all ages and even elicited a few chuckles along the way by pitting their iconic creatures against the comedic pair of Abbott and Costello. *The Monster Movies of Universal Studios* captures the thrills of these films, making this book a treat for fans of the golden age of horror cinema. Studio stills and trade ads for several of the films add a suitably scary touch to this treat for fans and scholars alike. **Booklist**, An impressive work of film scholarship. *Cinema Retro*. *The Gothic World* Glennis Byron, Dale Townshend, 2013-10-08. *The Gothic World* offers an overview of this popular field whilst also extending critical debate in exciting new directions such as film, politics, fashion, architecture, fine art and cyberculture. Structured around the principles of time, space and practice and including a detailed general introduction, the five sections look at Gothic Histories, Gothic Spaces, Gothic Readers and Writers, Gothic Spectacle, Contemporary Impulses. *The Gothic World* seeks to account for the Gothic as a multi-faceted, multi-dimensional force, as a style, an aesthetic experience and a mode of cultural expression that traverses genres, forms, media, disciplines and national boundaries and creates, indeed, its own World. **The Palgrave Literary Dictionary of Mary Wollstonecraft Shelley** Martin Garrett, 2019-11-23. This volume considers the work and life of Mary Wollstonecraft Shelley (1797-1851). It looks not only at *Frankenstein* and its composition, sources, themes and reception, but at the wide range of other work by Shelley, including such novels as *The Last Man* and *Mathilda*, and her tales, reviews, travel writing and the until recently neglected *Literary Lives* of Italian, Spanish, Portuguese and French writers. There are detailed entries on her personal and/or literary relationship with her parents, Mary Wollstonecraft and William Godwin, her husband Percy Bysshe Shelley, Byron, Coleridge and Claire Clairmont, on her religion, feminism, politics, relation to Romanticism, portraits and representation in drama, film and television, and on the influence of her work on such writers as Poe, Elizabeth Gaskell, the Brontës, Dickens and H.G. Wells. **Inquiries in Psychoanalysis: Collected papers of Edna O'Shaughnessy** Edna O'Shaughnessy, 2014-10-10. The papers of Edna O'Shaughnessy are among the finest to be found in psychoanalytic writing. Her work is unified not so much by its subject matter, which is diverse, but by her underlying preoccupations, including the nature of psychic reality and subjectivity and the psychic limits of endurance and reparation. Here a selection of her work, edited and with an introduction by Richard Rusbridger, is brought together in a collection which demonstrates the contribution that O'Shaughnessy has made to many areas of psychoanalysis, from personality organisations

the superego psychic refuges and the Oedipus complex to the subject of whether a liar can be psychoanalysed

Inquiries in Psychoanalysis is a record of clinical work and thinking over sixty years of psychoanalytic practice with children and adults

This wide ranging selection of work will be essential reading for psychoanalysts psychotherapists and students

**City of Scoundrels** Gary Krist, 2013-04-16 The masterfully told story of twelve volatile days in Chicago when an aviation disaster a race riot a crippling transit strike and a sensational child murder transfixed and roiled a city already on the brink of collapse

When 1919 began the city of Chicago seemed on the verge of transformation Modernizers had an audacious expensive plan to turn the city from a brawling unglamorous place into the Metropolis of the World But just as the dream seemed within reach pandemonium broke loose and the city's highest ambitions were suddenly under attack by the same unbridled energies that had given birth to them It began on a balmy Monday afternoon when a blimp in flames crashed through the roof of a busy downtown bank incinerating those inside Within days a racial incident at a crowded South Side beach spiraled into one of the worst urban riots in American history followed by a transit strike that paralyzed the city Then when it seemed as if things could get no worse police searching for a six year old girl discovered her body in a dark North Side basement

Meticulously researched and expertly paced *City of Scoundrels* captures the tumultuous birth of the modern American city with all of its light and dark aspects in vivid relief Now with Extra Libris material including a reader's guide and bonus content

**Frankenstein's Bride** Hilary Bailey, 2007-10-01 With Mary Shelley's *Frankenstein* included two tales of terror in one In this chilling sequel to Mary Shelley's famous tale Hilary Bailey imagines what might have happened if Frankenstein had created a female companion for his monster The story begins in 1826 when a wealthy young man by the name of Jonathan Goodall is introduced to Dr Frankenstein now living in London with a wife and small child Jonathan soon becomes Frankenstein's helper and friend but when Frankenstein's wife and child are brutally murdered he becomes entangled in a horrific unfolding of events Hilary Bailey's gothic prose is constructed with uncanny fidelity to Shelley's original style as she describes the frightful consequences of Frankenstein's tampering with the laws of nature Also included is a foreword by the author that describes how Lord Byron and Mary Shelley each agreed to compete and write a ghost story and why Shelley won In this chilling and intelligent sequel to the never forgotten story Hilary Bailey imagines what might have happened if Frankenstein had made a woman a bride for his male creature Bailey plays on the fear of the monstrous compassionless woman and also plays with it Icy atmospheric and riveting

Observer UK national Sunday newspaper

Icily convincing Hilary Bailey lets the implications of a new story look after themselves Without fashionable recourse to the erotic or the feminist she is mistress of the melodrama

Mail on Sunday UK national Sunday newspaper

*Frankenstein's bride* makes Frankenstein's monster look like a pussycat

Sunday Times UK national Sunday newspaper

*The Shelley Papers* Percy Bysshe Shelley, Thomas Medwin, 1833
