## **Frederic G Melcher Friendly Reminiscence:**

**Frederic G. Melcher** Book Publishers Bureau (1938-1945),1945    Frederic G. Melcher ,1943    Frederic G. Melcher;  
Friendly Reminiscences of a Half Century Among Books and Book Bookmen ,1945    Pioneers and Leaders in Library  
Services to Youth Marilyn Miller,2003-08-30 This compilation of 97 biographical essays celebrates public and school library service to children and young adults through the professional lives and contributions of its pioneers and leaders Devoted entirely to the field of youth library services the essays represent both outstanding librarians in the field as well as those whose work has made significant contributions supporting the work of professional youth librarians Sketches include modern day workers spanning the late 19th century until 1999 Will inspire young people as it underscores the continuing importance of youth library services    *The Rise of Liberal Religion* Matthew Hedstrom,2013 Winner of the Frank S and Elizabeth D Brewer Best First Book Prize of the American Society of Church History Society for U S Intellectual History Notable Title in American Intellectual History The story of liberal religion in the twentieth century Matthew S Hedstrom contends is a story of cultural ascendency This may come as a surprise most scholarship in American religious history after all equates the numerical decline of the Protestant mainline with the failure of religious liberalism Yet a look beyond the pews into the wider culture reveals a more complex and fascinating story one Hedstrom tells in The Rise of Liberal Religion Hedstrom attends especially to the critically important yet little studied arena of religious book culture particularly the religious middlebrow of mid century as the site where religious liberalism was most effectively popularized By looking at book weeks book clubs public libraries new publishing enterprises key authors and bestsellers wartime reading programs and fan mail among other sources Hedstrom is able to provide a rich on the ground account of the men women and organizations that drove religious liberalism s cultural rise in the 1920s 1930s and 1940s Critically by the post WWII period the religious middlebrow had expanded beyond its Protestant roots using mystical and psychological spirituality as a platform for interreligious exchange This compelling history of religion and book culture not only shows how reading and book buying were critical twentieth century religious practices but also provides a model for thinking about the relationship of religion to consumer culture more broadly In this way The Rise of Liberal Religion offers both innovative cultural history and new ways of seeing the imprint of liberal religion in our own times    **To See the Wizard** Laurie Ousley,2021-02-19 To See the Wizard Politics and the Literature of Childhood takes its central premise as the title indicates from L Frank Baum s The Wonderful Wizard of Oz Upon their return to The Emerald City after killing the Wicked Witch of the West the task the Wizard assigned them Dorothy the Tin Woodman Scarecrow and Lion learn that the wizard is a humbug merely a man from Nebraska manipulating them and the citizens of both the Emerald City and of Oz from behind a screen Yet they all continue to believe in the powers they know he does not have still insisting he grant their wishes The image of the man behind the screen and the reader s continued pursuit of the Wizard is a powerful one that has at its core an issue central to the study of children s literature the

relationship between the adult writer and the child reader As Jack Zipes Perry Nodelman Daniel Hade Jacqueline Rose and many others point out before the literature for children and young adults actually reaches these intended readers it has been mediated by many and diverse cultural social political psychological and economic forces These forces occasionally work purposefully in an attempt to consciously socialize or empower training the reader into a particular identity or way of viewing the world by one who considers him or herself an advocate for children Obviously these wizards acting in literature can be the writers themselves but they can also be the publishers corporations school boards teachers librarians literary critics and parents and these advocates can be conservative progressive or any gradation in between It is the purpose of this volume to interrogate the politics and the political powers at work in literature for children and young adults Childhood is an important site of political debate and children often the victims or beneficiaries of adult uses of power one would be hard pressed to find a category of literature more contested than that written for children and adolescents Peter Hunt writes in his introduction to Understanding Children s Literature that children s books are overtly important educationally and commercially with consequences across the culture from language to politics most adults and almost certainly the vast majority in positions of power and influence read children s books as children and it is inconceivable that the ideologies permeating those books had no influence on their development If there were a question about the central position literature for children and young adults has in political contests one needs to look no further than the myriad struggles surrounding censorship Mark I West observes for instance Throughout the history of children s literature the people who have tried to censor children s books for all their ideological differences share a rather romantic view about the power of books They believe or at least they profess to believe that books are such a major influence in the formation of children s values and attitudes that adults need to monitor every word that children read Because childhood and young adulthood are the sites of political debate for issues ranging from civil rights and racism to the construction and definition of the family indoctrinating children into or subverting national and religious ideologies the literature of childhood bears consciously political analysis asking how socialization works how children and young adults learn of social cultural and political expectations as well as how literature can propose means of fighting those structures To See the Wizard Politics and the Literature of Childhood intends to offer analysis of the political content and context of literature written for and about children and young adults The essays included in To See the Wizard analyze nineteenth and twentieth century literature from America Britain Australia the Caribbean and Sri Lanka that is for and about children and adolescents The essays address issues of racial and national identity and representation poverty and class mobility gender sexuality and power and the uses of literature in the healing of trauma and the construction of an authentic self     *Guide to the Study of United States Imprints* George Thomas Tanselle, 1971     **Books as Weapons** John B. Hench, 2010 Susan A Brewer University of Wisconsin Stevens Point author of Why America Fights Patriotism and War Propaganda from the Philippines to Iraq     **The Noble Legacy** Betty

Turner,2006-02 The incredible story behind the founder of Noble Noble and cofounder of Barnes Noble comes to life in this compelling biography of G Clifford Noble From his humble beginnings as a poor country boy to the co owner of the most prestigious bookstore chain in the country The Noble Legacy celebrates the life of a true American icon Already a budding entrepreneur at age twelve Noble grew up in Massachusetts in the aftermath of the Civil War Dedicated to his religious faith and driven to succeed he graduated from Harvard with distinction and moved to New York City in the fall of 1886 His first job as a clerk at a small wholesale and retail bookstore ignited his passion for bookselling Noble s amazing business sense propelled him to continued success culminating in the establishment of two premier book companies Barnes Noble and Noble Noble Noble s granddaughter Betty Noble Turner pens a touching tribute to her grandfather and artfully captures his legacy She also offers a historical dissertation on the origin and challenges of Noble s two companies as well as a loving life story about the man himself *The Princeton University Library Chronicle* Lawrance Thompson,1997 Vol 1 includes section Biblia devoted to the interests of the Friends of the Princeton Library v 11 **The Publishers Weekly**,1945-03 **The Imprint Catalog in the Rare Book Division** New York Public Library.
