it seem that you have no choice but to allow your fear to control what you can do where you can go or even how much you are allowed to attempt No Fear may have been a popular brand of clothing but it doesn t describe how most of us live All of us have experienced fear and many of us live our lives gripped or controlled by fear on many different levels There are so many scary aspects of life that we have come to accept fear as a normal and expected part of it But is that the kind of life that God intended for us to have Is it even possible to live a lifestyle marked by confidence and courage The author shows with examples that living a life of conquered fear is not only possible with God it can be a slam dunk      **Washington News Letter** ,1904      **The Star** ,1929
