Free Indeed Chaplain Larry Briggs, 2012-12-18 Working daily now for over eight years in this environment has opened my eyes and heart to the epidemic of crime in America and the horrible consequences it has on both the criminal and their victims Most of our correctional facilities are under funded under staffed and in dire need of renovated and or new facilities to secure the inmate population they are required to service At Riverside where I am privileged to minister our facilities are modern exceptionally clean and managed by a top notch staff Even with these assets our stress level is very high as we seek to house and provide care for a daily average of 1300 inmates It takes an incredible amount of time talent and finances for the sworn staff to maintain security and a safe environment for both the inmate population and our staff This is true in any jail or prison and the average citizen has no concept what it is really like on the inside I have developed such a high respect for Correctional Officers who work every day on the front line the civilian staff who provide much needed programs and support and most of all the Command staff and Administrators who are responsible for the over all management of these facilities They need and deserve our daily prayers

Free Indeed Chase Windebanks, 2020-01-11 Free Indeed is a 31 day prayer journey on the road to freedom from bitterness and woundedness Each day offers readers space to recite healing Scripture passages pray guided prayers when words are hard and journal their own prayers over those over those with whom their hearts are bitter May we all find the freedom that comes through true forgiveness

Delivered Sophia Ruffin, 2018-05-01 Too often Christians say the sinner's prayer only to fall back into the sin from which they were saved Others fear the same fate as they struggle to resist old temptations and habits We blame God as though He didn't save us completely When doubts come to the surface we feel it's impossible to stay a faithful Christian The truth is the spiritual warfare you experience is not because you are not free You're attacked because you are free You are now a threat to the darkness so the opposition increases The enemy knows you are instrumental in spreading the gospel and in advancing God's kingdom It is possible to stay in the light and never go back into the darkness As the Bible says in John 8:36 If the Son sets you free you shall be free indeed MEV Sophia Ruffin uses her personal experience of overcoming homosexuality rage bitterness and so much more to bring you the tools and strategies to maintain your deliverance Put on the armor of the Lord and develop a proactive strategy to overthrow the enemy's agenda Set Free and Delivered features prayers confessions and Ruffin's inspiring testimony to prepare you for the battles that come after giving your life to God Fresh Oil, Holy Fire, New Wine

Perspectives on English Revolutionary Republicanism Dr Gaby Mahlberg, Prof Dr Dirk Wiemann, 2014-04-28 Perspectives on English Revolutionary Republicanism takes stock of developments in the scholarship of seventeenth century English republicanism by looking at the movements and schools of thought that have shaped the field over the decades the linguistic turn the cultural turn and the religious turn While scholars of seventeenth century republicanism share their enthusiasm for their field they have approached their subject in diverse ways The contributors to the present volume have taken the opportunity to bring these approaches together in a number of case studies covering republican language republican literary and political culture and republican religion to paint a lively picture of the state of the art in republican scholarship The volume begins with three chapters influenced by the theory and methodology of the linguistic turn before moving on to address cultural history approaches to English republicanism including both literary culture and practical political culture The final section of the volume looks at how religion intersected with ideas of republican thought Taken together the essays demonstrate the vitality and diversity of what was once regarded as a narrow topic of political research
