Il get away from God and find my freedom But when God wants to find you He knows where you are even if you re miles away spiritually playing hide and seek As a result of a remarkable experience in her life Ms Walters gave her heart to the Lord With exceptional tenacity she continues her love for Christ at an unstoppable pace Her commitment to loving God combined with the empathy care and love she has for those whom Christ died has inspired her to write this book Hardcore Inventing Robert Yonover, Ellie Crowe, 2009-07-27 A guide to inventing that explains how people can develop an idea into an invention build a prototype safeguard intellectual property market strategically field investors and successfully navigate each step of the inventing process **Betrayal From Hell** Ryan LeStrange, 2020-08-04 Truth is you can t get through life without going through betrayal However betrayal isn t as straightforward as you might imagine What happens when someone at work stabs you in the back or even worse what happens when your family betrays you At that moment the wind is knocked out of you but you don t have to remain gasping for air In *Betrayal From Hell* prophetic minister Ryan LeStrange peels back the supernatural layers to reveal the three evil spiritual roots of betrayal and exposes how these demons are Controlled by pride Hungry for power Seduced by opportunity Whether you are a soccer mom a prophet or an entrepreneur betrayal is sure to show up in your life In this important follow up to *Hell s Toxic Trio* LeStrange explores the concept of betrayal and the resulting pain and offers a recovery plan and a recipe for quick and lasting healing *Bhagavad Geeta for the New Millennial* Suryaprabha Shashidharan, 2018-11-12 The book culminated from teaching discussion sessions conducted by the author for over a decade in Mumbai The students varied a lot coming from various socio economic strata ranging from young adults to the elderly some of whom were educated and professionally qualified while others were not The effort has always been to stimulate reflection question unexamined beliefs and opinions and expose their hollowness and irrationality enable comprehension of human frailties and reveal the rationale underlying the precepts of the Bhagavad Geeta The Geeta is sought to be presented as a guide to good living not determined by a god gods but as the outflow from the right comprehension of oneself the nature and processes of the universe and the very notion of what the Divine is The book departs from the usual shloka commentary format Instead it is a dialogue between Arjuna now a highly evolved radiant master and Rashmi a new millennium aspirant The teaching is interspersed with Arjuna s recall of his early failings and frailties and Rashmi s asides reflections and articulation of her misgivings about herself It is hoped that this format of the Geeta will resonate more intimately with the psyche of the new millennial
