Global Encounters International Political Economy Development And Globalization:

Global Encounters G. Harrison, 2004-11-09 How has globalization impacted on development For Harrison the answer lies in the international political economy and the ways in which states have managed economic globalization from positions of strength or weakness Key themes emerge such as new geographies of development and the constant need for state economic action

Critical International Political Economy Stuart Shields, Ian Bruff, Huw Macartney, 2011-02-01 Amidst the continued debate surrounding the foundations of IPE coupled with recent methodological and theoretical divides this book argues that an attempt should be made to re visit the notion of the critical The challenge posed by contributors to this volume is to assess the development of so called critical IPE and interrogate whether the theoretical foundations it was built upon have reached their potential The essays in this volume take up this challenge in a number of different ways but all share a common concern to re assess the purpose of critical approaches reflect on why certain social theorists have been favoured as a point of departure yet others have largely been ignored In light of recent debates on the notion of a trans Atlantic divide within IPE the collection the contributors aim demonstrates how the distinction between the critical and the orthodox or empirical is only significant if the critical is geared towards a larger more substantial body of critical social enquiry and engages with what it means to conduct such enquiry

International Political Economy and Poststructural Politics Marieke De Goede, 2006-03-14 This edited volume brings together leading scholars to debate the promises of poststructural politics within the study of the International Political Economy IPE The volume offers a sustained theoretical dialogue on the meaning of discourse identity and representation for practices of political economy

The Political Economy of International Capital Mobility M. Watson, 2007-07-03 Matthew Watson draws a distinction between the spatial and the functional mobility of capital allowing fresh insights into existing work on the subject whilst repoliticizing the very idea of capital being in motion The dynamics of capital mobility and the patterns of risk exposure are illustrated through four detailed global case studies

The Political Economy of Sovereign Wealth Funds Xu Yi-chong, Gawdat Bahgat, 2010-10-13 This book examines the origin nature the portfolio organizational structure and operation of the seven largest SWFs from the perspective of the holding countries Uniquely it tackles the issues from the perspectives of those non OECD countries whose access to funds creates the most concern

Globalization, Development and The State Jørgen Dige Pedersen, 2008-08-01 In its comparison of two major emerging nations India and Brazil this book approaches the subject through an innovative theoretical combination of developmental states theory and theories of the changing nature of global capitalism

The Political Economy of Sport J. Nauright, K. Schimmel, 2005-09-27 Sport studies has become one of the largest and fastest growing international industries This collection of essays from a range of international contributors analyzes all aspects of the political economy of this industry including media sports production urban growth politics and capital accumulation and the economic effects of Olympism

Globalization and Labour in China and India P. Bowles, J. Harriss, 2010-08-04

Globalization has pushed China and India to the centre of the stage but what has been the impact on workers in these countries This book demonstrates the complexity of the processes and responses at play There are signs that both states are shifting their role in a counter movement from above But will this be enough to quell the social unrest *Singapore's Policy Designs for Higher Education and Economic Development* J.J. Woo,2024-12-26 This book provides an overview of Singapore s higher education system focusing in particular on its role in supporting and facilitating the city state s economic development policies It discusses the various components of Singapore s post secondary higher education system such as its public and private universities polytechnics institutes of technical education private educational institutions foreign universities government affiliated and private training institutions among others and explicates the linkages between higher education and economic development Aside from educational institutions this book also discusses the Skills Future scheme which provides deep skills training to working adults in collaboration with the Singapore s various higher education providers

Global Health Governance A. Kay,O. Williams,2009-07-23 Eminent scholars investigate the sharp contrast between the acute and multi dimensional scale of the challenges to global health governance and the contradictory and ineffective responses to them They draw on a wide range of disciplines to uncover the critical political economy dynamics in the contemporary governance of global health

International Cultural Policies and Power J. Singh,2010-01-20 Political scientists by and large ignore cultural industries and technologies whereas they are prominent in other disciplines This book provides insights from local societal national and international levels in understanding cultural industries technologies and policies and integrates these perspectives into the study of political science *Sugar: Refined Power in a Global Regime* B. Richardson,2009-09-23 Sugar is a commonplace product with a complex background mainly because of the high degree of protectionism given to the industry and the benefits of ensuring domestic producers stay in business This book asks why there are such disagreements over trade policy who profits within the current regime and where power ultimately lies

Global Commodity Governance F. Gale,Marcus Haward,2011-02-01 The Forest and the Marine Stewardship Councils constitute new global governance institutions using voluntary certification and labelling as market incentives to encourage sustainable management Utilizing a comparative political economic framework the authors analyse shifting British Canadian and Australian responses to the stewardship councils **Investment Incentives and the Global Competition for Capital** K. Thomas,2010-11-24 This is a global study of government subsidies to attract investment The book shows how corporations use site selection as rent extraction with developing countries investing more than developed ones It demonstrates that incentive use is rarely a good policy especially for countries without adequate education and infrastructure

Globalization and the 'New' Semi-Peripheries O. Worth,P. Moore,2009-08-14 This collection re examines and re assesses the role of the semi periphery in world politics and argues that the processes of globalization have led us to widen our understanding of the semi periphery through a range of case studies as well as theoretical chapters The Future of US

Global Power S. Brown, 2012-12-14 Dispelling the myth of decline Stuart Brown argues that the US continues to enjoy the economic political cultural and military underpinnings befitting a pre eminent global power He provides an analytical tour through the major domestic and foreign policy issues that will impact the United States future position and role in the global system

China and the Mortgaging of America H. Thompson, 2010-08-04 In 2008 the economic relationship between the United States and China almost collapsed due to a crisis at two American mortgage corporations Fannie Mae and Freddie Mac This book explains how that crisis came about and analyzes the consequences and implications

Consumption and the Globalization Project E. Comor, 2008-05-29 This book examines commodity consumption both as an ongoing problem for capital and a complex mediator of the post Cold War political economy Comor assesses consumption as a core but contradictory nodal point in contemporary world dis order developments arguing that capitalist consumption facilitates efforts to rule through consent

Global Restructuring, State, Capital and Labour A. Bieler, W. Bonefeld, P. Burnham, A. Morton, 2006-04-26 This book provides a critical engagement between contending historical materialist approaches that have played a crucial role in shaping post positivist International Relations theory It analyzes globalization as a process of state formation and argues that its fate depends on the neo liberal recomposition of labour relations

Confronting Globalization P. Hayden, C. el-Ojeili, 2005-06-01 Informed by critical theory the essays in this collection examine the complex dynamics of globalization the challenges that confront democracy justice and rights under globalization and new approaches that seek to contest the excesses of globalization and promote the struggle for global justice They form a challenging and timely volume that will be essential reading for anyone interested in the normative dimensions of globalization
