## **Globalised Woman Reports From A Future Of Inequality:**

The Globalized Woman Christa Wichterich, 2000-02 Globalization creates growth without jobs in the North structural adjustment in the South privatization in the East and the dismantling of states everywhere The author of this extraordinary book uses a mixture of case studies examples and quotations to illustrate some hard facts She looks at women across the world to show how their lives have been turned upside down by industrialization in the South and a return to homeworking in the North From New York to Phnom Penh from Moscow to Dakar we see the devastating effects of the unfettered power of transnational corporations on women s lives

**Globalization** Jan Aart Scholte, 2017-03-16 This highly acclaimed bestselling textbook quickly established itself as one of the leading texts on the subject worldwide in its 1st edition Now substantially revised and updated Scholte provides students with a comprehensive introduction to globalization and questions why this phenomenon has occurred to what extent it changes the world and whether it is a force for good or ill Accessibly written by a leading authority both as an academic researcher and a policy consultant this second edition draws on the author s research in more than 20 countries over 5 continents Split into 3 parts the text first outlines a critical framework for understanding globalization before exploring its impact on society and the key debates surrounding its normative impact Exploring questions such as what globalization is how it has emerged and what effect it has had on society this text is essential reading for undergraduate and postgraduate students seeking a thorough study of globalization New to this Edition A broader perspective on all the dimensions of globalization Makes use of the extensive new data and research findings since the first edition was released Draws more widely from other fields such as Business Studies Law and Economics

**Gender and Neoliberalism** Elisabeth Armstrong, 2013-11-07 This book describes the changing landscape of women s politics for equality and liberation during the rise of neoliberalism in India Between 1991 and 2006 the doctrine of liberalization guided Indian politics and economic policy These neoliberal measures vastly reduced poverty alleviation schemes price supports for poor farmers and opened India s economy to the unpredictability of global financial fluctuations During this same period the All India Democratic Women s Association which directly opposed the ascendance of neoliberal economics and policies as well as the simultaneous rise of violent casteism and anti Muslim communalism grew from roughly three million members to over ten million Beginning in the late 1980s AIDWA turned its attention to women s lives in rural India Using a method that began with activist research the organization developed a sectoral analysis of groups of women who were hardest hit in the new neoliberal order including Muslim women and Dalit oppressed caste women AIDWA developed what leaders called inter sectoral organizing that centered the demands of the most vulnerable women into the heart of its campaigns and its ideology for social change Through long term ethnographic research predominantly in the northern state of Haryana and the southern state of Tamil Nadu this book shows how a socialist women s organization built its oppositional strength by organizing the women most marginalized by neoliberal policies and economics

**Immigrant Women and Feminism in Italy** Wendy Pojmann, 2017-03-02 The influx of female migrants to Europe has posed challenges to established European feminist movements In this book the author assesses the significance of female immigration to Italy and its impact on Italian feminism by analyzing the way in which immigrant and Italian women have constructed their relationships over the past 30 years The book provides comprehensive overviews of the Italian women's movement and the history of immigration to Italy before examining the formation of immigrant women's groups the

treatment of immigrant women by Italian women's associations and the forging of new relationships in multicultural women's organizations. Broader comparisons on European migration are made to contextualize immigration to Italy and Southern Europe more generally. By drawing from a variety of research materials such as structured interviews, participant observation, and empirical data, the book contributes to an interdisciplinary approach to the study of gender, migration, and contemporary Italian history. The book is of interest for scholars and postgraduates in the fields of women and gender studies, migration studies, and contemporary European history.

**Political Worlds of Women** Mary Hawkesworth, 2018-04-19. *Political Worlds of Women* provides a comprehensive overview of women's political activism, comparing formal and informal channels of power from official institutions of state to grassroots mobilizations and Internet campaigns. Illuminating the politics of identity enmeshed in local, national, and global gender orders, this book explores women's creation of new political spaces and innovative political strategies to secure full citizenship and equal access to political power. Incorporating case studies from Africa, Asia, Europe, and the Americas, Mary Hawkesworth analyzes critical issues such as immigration and citizenship, the politics of representation, sexual regulation, and gender mainstreaming in order to examine how women mobilize in this era of globalization. *Political Worlds of Women* deepens understandings of national and global citizenship and presents the formidable challenges facing racial and gender justice in the contemporary world. It is an essential resource for students and scholars of women's studies and gender politics.

**Civil Society and Global Finance** Albrecht Schnabel, Jan Aart Scholte, 2003-09-02. This key text brings together twenty activists, officials, and researchers from the five continents to discuss this burning question of today's globalization debate. Providing rare authoritative analyses by those who deal with the issues first hand, *Civil Society and Global Finance* is rich in insight and policy ideas for decision makers, students, and concerned citizens.

*Immigrant Women Workers in the Neoliberal Age* Nilda Flores-Gonzalez, Anna Romina Guevarra, Maura Toro-Morn, Grace Chang, 2013-07-01. To date, most research on immigrant women and labor forces has focused on the participation of immigrant women on formal labor markets. In this study, contributors focus on informal economies such as health care, domestic work, street vending, and the garment industry, where displaced and undocumented women are more likely to work. Because such informal labor markets are unregulated, many of these workers face abusive working conditions that are not reported for fear of job loss or deportation. In examining the complex dynamics of how immigrant women navigate political and economic uncertainties, this collection highlights the important role of citizenship status in defining immigrant women's opportunities, wages, and labor conditions. Contributors are Pallavi Banerjee, Grace Chang, Margaret M. Chin, Jennifer Jihye Chun, Hector R. Cordero, Guzmán Emir Estrada, Lucy Fisher, Nilda Flores-González, Ruth Gomberg-Muñoz, Anna Romina Guevarra, Shobha Hamal Gurung, Pierrette Hondagneu Sotelo, María de la Luz Ibarra, Miliann Kang, George Lipsitz, Lolita Andrada Lledo, Lorena Muñoz Bandana, Purkayastha Mary Romero, Young Shin Michelle Tellez, and Maura Toro-Morn.

*Women's Rights* Geraldine Terry, 2007-08-20. What are the global challenges of the twenty-first century? All over the

world women and girls are being denied their social economic political and civil rights Geraldine Terry seeks to expose this structural discrimination across a range of areas where it occurs Denial of women s equality occurs in education access to public services in reaping benefits from trade and in domestic violence Increasingly too the HIV AIDS epidemic in Africa has become linked to the denial of rights to women By looking at positive examples of women acting to transform inequalities and oppression by asserting their rights Terry argues that sponsoring women s rights is not only a moral issue but also an efficient way to pursue poverty reduction The Small Guides to Big Issues series de bunks myths and raises questions about the global economic and political system and how it works They are designed for campaigners and activists students and researchers and anyone interested in looking behind the headlines Produced in partnership with Oxfam each book provides an informative and thought provoking guide to current trends and debates and what needs to happen in order to end poverty and injustice

**Revolution at Point Zero** Silvia Federici,2020-08-01 Written between 1974 and 2016 Revolution at Point Zero collects four decades of research and theorizing on the nature of housework social reproduction and women s struggles on this terrain to escape it to better its conditions to reconstruct it in ways that provide an alternative to capitalist relations Indeed as Federici reveals behind the capitalist organization of work and the contradictions inherent in alienated labor is an explosive ground zero for revolutionary practice upon which are decided the daily realities of our collective reproduction Beginning with Federici s organizational work in the Wages for Housework movement the essays collected here unravel the power and politics of wide but related issues including the international restructuring of reproductive work and its effects on the sexual division of labor the globalization of care work and sex work the crisis of elder care the development of affective labor and the politics of the commons This revised and expanded edition includes three additional essays and a new preface by the author

**Marxism Against Postmodernism in Educational Theory** Mike Cole,Dave Hill,Peter McLaren,2002-12-11 Postmodernism has become the orthodoxy in educational theory It heralds the end of grand theories like Marxism and liberalism scorning any notion of a united feminist challenge to patriarchy of united anti racist struggle and of united working class movements against capitalist exploitation and oppression For postmodernists the world is fragmented history is ended and all struggles are local and particularistic Written by internationally renowned British and American educational theorists Marxism Against Postmodernism in Educational Theory a substantially revised edition of the original 1999 work Postmodernism in Educational Theory critically examines the infusion of postmodernism and theories of postmodernity into educational theory policy and research The writers argue that postmodernism provides neither a viable educational politics nor the foundation for effective radical educational practice and offer an alternative politics of human resistance which puts the challenge to capitalism firmly on the agenda of educational theory politics and practice
