Globalization And Neoliberalism The Caribbean Context:

Globalization and Neoliberalism Thomas Klak, 2000-01-01 How do recent trends toward globalization affect the Caribbean a region whose suppliers production markets and politics have been globalized for centuries What is the status of neoliberal development policy in the Caribbean where the rewards for belt tightening and economic opening have been slow in coming How have Caribbean policymakers and citizens responded to and resisted the pressures to conform to the new rules of the global economy By examining these questions through the lens of political economy this volume explores the interaction among development trade foreign policy the environment tourism gender relations and migration With its global implications this book will be invaluable for students and scholars from all disciplines who are concerned with the impact of development and globalization

Critical Perspectives on Globalization and Neoliberalism in the Developing Countries Richard Legé Harris, Melinda J. Seid, 2000 This book gives a critique of the contemporary global capitalist system and the adverse consequences suffered by the developing countries as a result of their integration into this system The current neoliberal paradigm of capitalist development as the only or the best alternative for the economic social and political development of the developing countries is rejected The authors search for more human and ecologically sustainable alternatives focusing on Latin America Asia and women

Globalization and the Developing Countries David Bigman, 2002-01-01 The objective of this book is to review the impact of globalization on a number of issues Key issues highlighted include the high risk or producing traditional commodity crops for export and the removal of many non tariff trade barriers which threaten the livelihoods of many farmers

An Ethnography of Cosmopolitanism in Kingston, Jamaica Huon Wardle, 2000 The author draws a parallel between Jamaican understandings of the self and the late philosophy of Immanuel Kant The ethnographic material presented here derived from two years fieldwork in Kingston suggest that Jamaicans understand themselves as global citizens This sense of self can be identified across multiple contexts oral performance music kinship and friendship economics and politics In light of Jamaican cultural experience the book argues for a reframing of ethnographic practice as an explicitly cosmopolitan cultural practice

BOOK JACKET Global Appetites Allison Carruth, 2013-05-31 This literary study explores how agribusiness industrial agriculture and countercultural food movements underpin modern

American conceptions of global power

multipliers Publisher's website **Cricket, Capitalism and Class** Chris McMillan, 2023-10-06 This ambitious new study argues that not only is the story of cricket inescapably entwined with that of capitalism but that the game provides a unique lens with which to understand the history development exigencies and contradictions of capitalist political economy From the aristocratic capture of the artisan's game to the commodified entertainment of private T20 leagues the story of cricket has been told against the background of capitalism Cricket was the gentlemanly vanguard of the English led British empire which forged the first iteration of international capitalism that was reliant upon a political and commercial partnership between rulers and the ruled and today it speaks to the productive tension between the emergence of the Asian century and the power of American cultural imperialism Reading capitalism as a cultural economic and political system this book explores the relationship between cricket and capitalism and illuminates many of the most important themes in contemporary sport studies such as class race gender globalisation nationalism neoliberalism commodification and migration This is fascinating reading for anybody with an interest in sport history the sociology of sport global political economy political theory or cultural studies **Tourism and Agriculture** Rebecca Maria Torres, Janet Henshall Momsen, 2011-03-07 Shifting global consumption patterns tastes and attitudes towards food leisure travel and place have opened new opportunities for rural producers in the form of agritourism ecotourism wine food and rural tourism and specialized niche market agricultural production for tourism Agriculture is one of the oldest and most basic parts of the global economy while tourism is one of the newest and most rapidly spreading In the face of current problems of climate change rising food prices poverty and a global financial crisis linkages between agriculture and tourism may provide the basis for new solutions in many countries A number of challenges nevertheless confront the realization of synergies between tourism and agriculture Tourism and Agriculture examines regional specific cases at the interface between tourism and agriculture looking at the impacts of rural restructuring and new geographies of consumption and production To meet the need for a more comprehensive appreciation of the relationships and interactions between the tourism and agricultural economic sectors this book considers the factors that influence the nature of these relationships and explores avenues for facilitating synergistic relationships between tourism and agriculture These relationships are examined in thirteen chapters through case studies from eastern and western Europe Japan and the United States and from the developing countries of the Pacific the Caribbean and Ghana and Mexico Themes of diversification economic development and emerging new forms of production and consumption are integrated throughout the entire book This essential volume built on original research generates new insights into the relationships between tourism and agriculture and future economic rural development Edited by leading researchers and academics in the field this book will be of value to students researchers and academics interested in tourism agriculture and rural development *Borders in Service* Kiran Mirchandani, Winifred Poster, 2016-10-27 *Borders in Service* traces the intersection of service labour and national identity across global call centres in seven countries El Salvador Guatemala Guyana Mauritius Morocco the

Philippines and the US Mexico border While most studies on offshore call centres have focused on India this collection explores the experiences of call center workers in many of the newly emerging hubs of transnational service work In this collection Kiran Mirchandani and Winifred Poster have gathered a wide range of contributors to explore the dynamics within global call centres Such dynamics include language speech accent issues expressions of consumer sentiment physical space and organizational human resource and labour policies By grounding the theoretical debates on nationhood and labour in the realities of daily life in global call centres Mirchandani and Poster have created a timely accessible and revealing collection that will change what we know about offshored customer service work Labor Versus Empire Gilbert G. Gonzalez,2004

The essays in this collection address issues significant to labor within regional national and international contexts Themes of the chapters will focus on managed labor migration organizing in multi ethnic and multi national contexts global economics and labor global economics and inequality gender and labor racism and globalization regional trade agreements and labor

Sustainable Development: National Aspirations, Local Implementation Wendy Woodland,Dr Alan Terry,Dr Jennifer Hill,2012-11-28 Using case studies from Africa South America Asia and the Caribbean this book examines the progress made in uniting national aspirations of sustainable development strategies with their local implementation Comparing the situation on the ground with formal national environmental action plans the book compares progress or the lack of progress between different sectors cultures regions and resources throughout the developing world It examines whether local knowledge and actions are undermining national aspirations or whether they are being ignored at the national level with detrimental consequences to sustainable development The measurement of sustainable development the role of formal and informal education in sustainable development and the significance of diverse voices in the practice of sustainable development are considered The book draws lessons from those cases which appear to be experiencing positive moves towards sustainability and examines whether common frameworks exist which suggest that good practice may be transferable from one milieu to another **Beyond the Comparative** John C. Weidman,W. James Jacob,2012-01-01 We are pleased to introduce this

inaugural volume in the PSCIE Series *Beyond the Comparative Advancing Theory and Its Application to Practice* which expands on the life work of University of Pittsburgh Professor Rolland G Paulston 1929 2006 Recognized as a stalwart in the field of comparative and international education Paulston s most widely recognized contribution is in social cartography He demonstrated that mapping comparative international and development education CIDE is no easy task and depending on the perspective of the mapper there may be multiple cartographies to chart The 35 contributors to this volume representing a range of senior and junior scholars from various CIDE backgrounds and perspectives celebrate the life and work of Paulston by addressing issues perspectives and approaches related to charting the future course of the field The volume reports on new research in several genres as well as conceptual analysis As the title suggests authors were encouraged to go beyond established canons of CIDE The cover art *The CIDE Theoretical Compass* was conceptualized by the editors and depicts that

theory selection and theory generation are an ongoing and important process in comparative international and development education CIDE The image was designed by artist Natalie Jacob which positions the CIDE Theoretical Compass over Rolland G Paulston s 1993 concentric circle map **Globalism** Manfred B. Steger,2002 Globalism The New Market Ideology rejects the notion that we find ourselves at the end of ideology and that democracy has won Instead Steger argues that the opening decade of the 21st century will constitute a teeming battlefield of clashing ideologies The chief protagonist is the dominant neoliberal market ideology Steger calls globalism After identifying and evaluating the five central claims of globalism including assertions that globalization is inevitable nobody is in charge of globalization and globalization benefits everyone Steger offers an overview of the counterclaims made by anti globalist forces Visit our website for sample chapters

Cultural Heritage in Transit Deborah Kapchan,2014-05-21 Are human rights universal The immediate response is yes of course However that simple affirmation assumes agreement about definitions of the human as well as what a human is entitled to under law bringing us quickly to concepts such as freedom property and the inalienability of both The assumption that we all mean the same things by these terms carries much political import especially given that different communities national ethnic religious gendered enact some of the most basic categories of human experience self home freedom sovereignty differently But whereas legal definitions often seek to eliminate ambiguity in order to define and protect the rights of humanity ambiguity is in fact inherently human especially in performances of heritage where the rights to sense to imagine and to claim cultural identities that resist circumscription are at play Cultural Heritage in Transit examines the intangibilities of human rights in the realm of heritage production focusing not only on the ephemeral culture of those who perform it but also on the ambiguities present in the idea of cultural property in general who claims it who may use it who should not but does In this volume folklorists ethnologists and anthropologists analyze the practice and performance of culture in particular contexts including Roma wedding music Trinidadian wining Moroccan verbal art and Neopagan rituals in order to draw apart the social political and aesthetic materialities of heritage production including inequities and hierarchies that did not exist before The authors collectively craft theoretical frameworks to make sense of the ways the rights of nations interact with the rights of individuals and communities when the public value of artistic creations is constituted through international law Contributors Valdimar Tr Hafstein Deborah Kapchan Barbro Klein Sabina Magliocco Dorothy Noyes Philip W Scher Carol Silverman **Encyclopedia of U.S. - Latin American Relations** Thomas Leonard,Jurgen Buchenau,Kyle Longley,Graeme Mount,2012-01-31 No previous work has covered the web of important players places and events that have shaped the history of the United States relations with its neighbors to the south From the Monroe Doctrine through today s tensions with Latin America s new leftist governments this history is rich in case studies of diplomatic economic and military cooperation and contentiousness Encyclopedia of U S Latin American Relations is a comprehensive three volume A to Z reference featuring more than 800 entries detailing the political economic and military

interconnections between the United States and the countries of Latin America including Mexico and the nations in Central America the Caribbean and South America Entries cover Each country and its relationship with the United States Key politicians diplomats and revolutionaries in each country Wars conflicts and other events Policies and treaties Organizations central to the political and diplomatic history of the western hemisphere Key topics covered include Coups and terrorist organizations U S military interventions in the Caribbean Mexican American War The Cold War communism and dictators The war on drugs in Latin America Panama Canal Embargo on Cuba Pan Americanism and Inter American conferences The role of commodities like coffee bananas copper and oil Big Stick and Good Neighbor policies Impact of religion in U S Latin American relations Neoliberal economic development model U S Presidents from John Quincy Adams to Barack Obama Latin American leaders from Simon Bolivar to Hugo Chavez With expansive coverage of more than 200 years of important and fascinating events this new work will serve as an important addition to the collections of academic public and school libraries serving students and researchers interested in U S history and diplomacy Latin American studies international relations and current events
