Latino Americans Ray Suarez, 2013-09-03 Chronicling the rich and varied history of Latinos in the United States this companion to the PBS documentary miniseries vividly and candidly tells how the story of Latino Americans is the story of our country Latino Americans chronicles the rich and varied history of Latinos who have helped shaped our nation and have become with more than fifty million people the largest minority in the United States Author and acclaimed journalist Ray Suarez explores the lives of Latino American men and women over a five hundred year span encompassing an epic range of experiences from the early European settlements to Manifest Destiny the Wild West to the Cold War the Great Depression to globalization and the Spanish American War to the civil rights movement Latino Americans shares the personal struggles and successes of immigrants poets soldiers and many others individuals who have made an impact on history as well as those whose extraordinary lives shed light on the times in which they lived and the legacy of this incredible American people

Governing American Cities Michael Jones-Correa, 2001-11-29 The new immigrants who have poured into the United States over the past thirty years are rapidly changing the political landscape of American cities Like their predecessors at the turn of the century recent immigrants have settled overwhelmingly in a few large urban areas where they receive their first sustained experience with government in this country including its role in policing housing health care education and the job market Governing American Cities brings together the best research from both established and rising scholars to examine the changing demographics of America's cities the experience of these new immigrants and their impact on urban politics Building on the experiences of such large ports of entry as Los Angeles New York Miami Houston Chicago and Washington D

C Governing American Cities addresses important questions about the incorporation of the newest immigrants into American political life Are the new arrivals joining existing political coalitions or forming new ones Where competition exists among new and old ethnic and racial groups what are its characteristics and how can it be harnessed to meet the needs of each group How do the answers to these questions vary across cities and regions In one chapter Peter Kwong uses New York s Chinatown to demonstrate how divisions within immigrant communities can cripple efforts to mobilize immigrants politically Sociologist Guillermo Grenier uses the relationship between blacks and Latinos in Cuban American dominated Miami to examine the nature of competition in a city largely controlled by a single ethnic group And Matthew McKeever takes the 1997 mayoral race in Houston as an example of the importance of inter ethnic relations in forging a successful political consensus Other contributors compare the response of cities with different institutional set ups some cities have turned to the private sector to help incorporate the new arrivals while others rely on traditional political channels Governing American Cities crosses geographic and disciplinary borders to provide an illuminating review of the complex political negotiations taking place between new immigrants and previous residents as cities adjust to the newest ethnic succession A solution oriented book the authors use concrete case studies to help formulate suggestions and strategies and to highlight the importance of reframing urban issues away from the zero sum battles of the past

Latin Sensations Her

M̃rquez,2001-01-01 Profiles five influential Latino entertainers of the 1990s Ricky Martin Selena Jennifer Lopez Enrique Iglesias and Marc Anthony detailing their rise to stardom and their effects on the American music scene

Teenage

Dirtbags James Acker,2024-04-09 From the author of The Long Run comes another unflinchingly raw and boldly hilarious novel about an unlikely group of teens coming together to exact revenge on the person who wronged them All s fair in love and revenge Phil Reyno is a troublemaker With a punk aesthetic and a quick temper Phil knows that it s surprising to see him dating universally beloved Cameron Ellis whose viral coming out video made him an internet darling Jackson Pasternak is a good guy Junior class president star rower and Ivy bound Jackson is burnt out and misses the only person who ever truly knew him his ex best friend Phil When Cameron dumps Phil and torpedoed his already iffy reputation in the process Phil hatches a plot to expose Cameron as the two faced liar he truly is And he finds the perfect weapon in his old pal Jackson who agrees to infiltrate Cameron s circle and uncover dirt But as Phil and Jackson rediscover their friendship and more they start to wonder Will knocking Cameron off his pedestal really solve their problems Praise for The Long Run Written with equal doses of heart and ferocity this is a fabulous debut Abdi Nazemian author of Stonewall Honor book Like a Love Story and The Chandler Legacies Raw real electric and unputdownable Steven Salvatore critically acclaimed author of And They Lived James Acker is a splashy new voice with an unforgettable romcom about tough guys with soft hearts Adam Sass award winning author of Surrender Your Sons and The 99 Boyfriends of Micah Summers A stunning novel Bookpage starred review

Superclass David Rothkopf,2008-03-18 Each of them is one in a million They number six thousand on a planet of six

billion They run our governments our largest corporations the powerhouses of international finance the media world religions and from the shadows the world's most dangerous criminal and terrorist organizations They are the global superclass and they are shaping the history of our time Today's superclass has achieved unprecedented levels of wealth and power They have globalized more rapidly than any other group But do they have more in common with one another than with their own countrymen as nationalist critics have argued They control globalization more than anyone else But has their influence fed the growing economic and social inequity that divides the world What happens behind closed-door meetings in Davos or aboard corporate jets at 41 000 feet Conspiracy or collaboration Deal making or idle self-indulgence What does the rise of Asia and Latin America mean for the conventional wisdom that shapes our destinies Who sets the rules for a group that operates beyond national laws Drawn from scores of exclusive interviews and extensive original reporting Superclass answers all of these questions and more It draws back the curtain on a privileged society that most of us know little about even though it profoundly affects our everyday lives It is the first in-depth examination of the connections between the global communities of leaders who are at the helm of every major enterprise on the planet and control its greatest wealth And it is an unprecedented examination of the trends within the superclass which are likely to alter our politics our institutions and the shape of the world in which we live The Hispanic American Experience Sandy Donovan,2010-08-01 Shows how the Hispanic Americans enrich the United States with traditions customs and life experiences Southerners Acting Southern Tison Pugh,2025-04-10 What is the difference between a star born in the South and a southern star In Southerners Acting Southern Tison Pugh answers this intriguing question pondering the ways in which some performers from the South metamorphose into southern stars by accentuating their geographic and cultural roots as key aspects of their star personas Many celebrities particularly actors seek to transcend their hometown roots in favor of achieving an all American appeal but some stars born in the South build their national and international fan base by emphasizing the southern aspects of their biography and by leaning into regional clichés and stereotypes that percolate throughout the U S cultural imaginary In turn some southern stars trot out the region's hoariest tropes of fading belles gullible country rubes and the succors of southern hospitality only to reveal the shallowness of these stereotypes and of their celebrity personas as well Covering more than one hundred years of cultural history Southerners Acting Southern allows readers to gauge the South's often reluctant progress into modernity including discussions on the intersection of race and celebrity for the region's Black stars and its increasing if hesitant embrace of queer ones Chapters feature a wide-ranging selection of southern celebrities including Louis Armstrong Truman Capote Elvis Presley Tennessee Williams Andy Griffith Tina Turner Dolly Parton Tom Petty Gloria Estefan Oprah Winfrey Reese Witherspoon Jenna Bush Hager Ellen DeGeneres Tyler Perry Matthew McConaughey Aziz Ansari and Miley Cyrus Southerners Acting Southern moves from past to present from musicians to media personalities discerning the ways in which southernness contributes to the building of personal celebrity Altogether this luminous work of cultural criticism

reveals that southern stargazing as much as it might initially appear a flighty pastime of overzealous fans divulges deeper truths about the South and the United States as a whole that might otherwise pass unnoticed

Enjoying the Melody of Term: An Psychological Symphony within **Gloria Estefan Pop Sensation**

In some sort of consumed by screens and the ceaseless chatter of quick interaction, the melodic splendor and mental symphony produced by the written word usually fade into the back ground, eclipsed by the relentless noise and disruptions that permeate our lives. Nevertheless, situated within the pages of **Gloria Estefan Pop Sensation** a marvelous fictional prize filled with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that charming masterpiece conducts viewers on a mental trip, skillfully unraveling the hidden melodies and profound influence resonating within each cautiously crafted phrase. Within the depths of the moving analysis, we can explore the book is key harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
