The Glorious Adventure Richard Halliburton,1927 *The Glorious Adventure* Richard Halliburton,1941 Soyala's Saga Richard Donahue,2015-03-31 Author House Review The Sixth Coming is set within an original mythology to fascinating results It combines vividly realized characters with spiritual themes and elements of Aztec lore There is an incredible array of exciting sequences that could provide great material for adapting this work into another medium Due to the nontraditional structure and storytelling style live theater could be an interesting option Film is another option perhaps animation could make the most of the impressive locations creatures and spectacles There are several elements that are very well suited for a film or theater piece Because both these mediums usually feature the interactions between characters the strong personalities of The Sixth Coming are essential to capture Soyala is a great heroine from her borderline petulance over the Builders gift to her reluctant and confused acceptance of her destiny She isn't perfect which makes her all the more compelling as she overcomes overwhelming odds Kajika Buriilgi and the Minstrel are wonderful supporting characters Each of these brothers has his own distinct personality and their squabbling provides comic relief Buriilgi and the Minstrel in particular provide humor Kajika could bring in sex appeal for female audiences while Soyala and Xochiquetzal could do so for males Xochiquetzal Tona teotl is a fascinating villain Her sinister sexuality when welcoming Soyala and Kajika could play very well in a film The later scenes on the Barge are thrilling due to Tona teotl's increasingly evident madness These scenes would provide terrific moments for an actor to really chew up the scenery The Shield Maidens story begins with the reader being introduced to her loved ones Each character is well developed and had distinctive characteristics When bad things happen to them we also feel her loss We also learn more about how she came to be and how important loyalty is to her survival The places that this story takes us to are either incredibly beautiful or eerily foreboding The creatures in it are also very uniquely described and incredibly different from the mundane realm that we currently inhabit *Treasure* William Henry Williamson,1915 **The Spirit Chaser** Richard Donahue,2012-03 Join Soyala in her journeys through the Turquoise Realm and deep into the Kingdom of the Sun King as she forges bonds of friendship and kinship Witness the Sixth Coming of the Sun King and his battle with Soyala The Shield Maiden Join in the chase for the elusive Spirit Chaser crafted from the bones of a long dead beast Travel through the worlds of Paradise Paradise Lost Paradise Regained in the first two books of this stunning trilogy *Motion Picture Studio* ,1922 The Glorious Adventure Richard Halliburton,1927 *Vitagraph* Andrew A. Erish,2021-06-08 Winner of the 2022 Peter C Rollins Book Award and the 2022 Browne Best Edited Reference Primary Source Work in Popular and American Culture Award In *Vitagraph America's First Great Motion Picture Studio* Andrew A Erish provides a comprehensive examination and reassessment of the company most responsible for defining and popularizing the American movie This history challenges long accepted Hollywood mythology that Paramount and Fox invented the feature film that Universal created the star system and that these companies along with MGM and Warner Bros

developed motion pictures into a multimillion dollar business In fact the truth about Vitagraph is far more interesting than the myths that later moguls propagated about themselves Established in 1897 by J Stuart Blackton and Albert E Smith Vitagraph was the leading producer of motion pictures for much of the silent era Vitagraph established America s studio system a division of labor utilizing specialized craftspeople and artists and developed fundamental aspects of American movies from framing lighting and performance style to emphasizing character driven comedy and drama in stories that respected and sometimes poked fun at every demographic of Vitagraph s vast audience For most of its existence America s most influential studio was headquartered in Brooklyn New York before relocating to Hollywood A historically rigorous and thorough account of the most influential producer of American motion pictures during the silent era Erish draws on valuable primary material long overlooked by other historians to introduce readers to the fascinating forgotten pioneers of Vitagraph

The Glorious Adventure Richard Halliburton,2019-07-16 It was perhaps inevitable that Richard Halliburton such a romantic imaginative wanderer would follow in the footsteps of another legendary traveller Odysseus Halliburton s second book *The Glorious Adventure* describes his journey through the Mediterranean in the shadow of his mythical hero In Greece Halliburton charged Mount Olympus in order to visit the gods that dwelled there he swam the Hellespont as Byron had before him and journeyed on to Troy where Odysseus s long adventure began He sailed to Stromboli in the Tyrrhenian Sea home of Aeolus god of the winds then to the Bay of Naples Circeo island of Circe and Li Galli the siren isles that shimmered off the Amalfi coast Battling through the Straits of Messina Odysseus s Scylla and Charybdis he explored Sicily and Corfu before setting out for the shores of Ithaca long forgotten home for one the end of an adventure for another As epic and eventful as *The Odyssey* itself and one of the most captivating travel books of the 20th century *The Glorious Adventure* evokes the romance of another time when heroes and gods walked the earth
