[From the "Discourses upon Regeneration."]** Stephen CHARNOCK, 1831 Why Heaven Kissed Earth Mark Jones, 2010-10-27 In short the central argument of this study posits that Goodwin s Christology is grounded in and flows out of the eternal covenant of redemption also known as the pactum salutis or counsel of peace That is to say his Christology does not begin in the temporal realm at the incarnation but stretches back into eternity when the persons of the Trinity covenanted to bring about the salvation of fallen mankind Goodwin s Christology moves from the pretemporal realm to the temporal realm with a decidedly eschatological thrust that is with a view to the glory of the God man Jesus Christ What this work does is connect two vital aspects of Reformed theology namely the doctrine of Christ and the concept of the covenant The findings of this study show that for Goodwin Christ is the Christ of the covenant The Theater of Memory Edward Locke, 2002 **The Ideal of Kingship in the Writings of Charles Williams, C.S. on Kingship and the Christian beliefs of three well loved writers and will be of interest to any reader seeking a fuller understanding of the individuals and their works      **A New Literal Translation from the Original Greek, of All the Apostolical Epistles.
