

The background of the image is a pixelated map. The left side is a dense forest with many small, dark green trees. The right side is a town or village with various buildings, including houses, a church with a steeple, and a larger building that looks like a school or a government building. There are also some vehicles, like cars and trucks, parked on the streets. The overall style is reminiscent of early 2000s indie games.

BLOODY HUNTERS

OFFICIAL TRAILER

Glory Hunters

Richard W. Hardwick

Glory Hunters:

Glory Hunters Michael J. Moran, 2012-07-19 A young man is out of work and takes a job assisting two men on an overseas trip but when he meets his traveling companions he can't believe they are the famous characters they claim to be. Eventually he agrees to go, not able to guess at the extraordinary future that awaits him. His journey takes him to war-torn Afghanistan and forbidden parts of China, all in the name of a mission that goes beyond being termed impossible. The trio faces hazard at every turn as they hunt for a man known as Glory.

The Buffalo Hunters Mari Sandoz, 1978-01-01 In 1867 the total number of buffaloes in the trans-Missouri region was conservatively estimated at fifteen million. By the end of the 1880s that figure had dwindled to a few hundred. The destruction of the great herds is the theme of this book. Mari Sandoz's canvas is vast but it is charged with color and excitement: accounts of Indian ambushes, hairbreadth escapes, gambling, and gunfights; military expeditions; famous frontier characters: Wild Bill Hickok, Lonesome Charlie Reynolds, Buffalo Bill Sheridan, Custer, and Indian Chiefs Whistler, Yellow Wolf, Spotted Tail, and Sitting Bull.

Paedophile Hunters Richard W. Hardwick, Imagine a paedophile grooming a twelve-year-old girl, then going to have sex with her. But it's a trap, and instead he's confronted by Billy, a twenty-five-year-old cage fighter who's been to prison three times and was abused in childhood. Join Billy, his pregnant girlfriend, and their fellow hunters as they come to terms with their own abuse by posing online as children. Discover a community taking matters into their own hands, snaring paedophiles from all walks of life, from so-called family men and loners to procurers working for rich and powerful paedophile rings. Richard W. Hardwick, acclaimed writer of *The Truth About Prison*, spent a year with the most notorious and successful paedophile hunting gang in Britain. This is what he found.

Me, Love and Johnny King Thomas Moffatt, 2013-05-31 *Me, Love and Johnny King* is a romantic comedy set in Rock Ferry, Birkenhead, about Tommy, a plumber who spends his time supporting Tranmere Rovers and searching for his one true love. One fateful day at Prenton Park, whilst watching Tranmere Rovers, he meets Katie, but as fate would have it, the course of true love never runs smooth.

Eye of The Hunter George Lockie, 2012-10-13 The ability to kill without thought or remorse was bred into Rory from a very young age. Forced to live all alone by bigotry and ignorance, he was isolated from the society of the day with only a grandmother as support. He was born into the world with a German father and Scottish mother just after the First World War. His father's subsequent death meant he was forced to raise himself in a wild place high in the Scottish mountains where just surviving was extremely difficult. It was just before the outbreak of World War II that he came in contact with other male company as troops were sent into the mountains for training. Attracted to their disciplines and comradeship, Rory was drawn into their world. He gained their respect and trust and felt for the first time in his life needed. Once the conflict was over, however, he had felt lost. He had been unable to return to his former life and eventually he decided to enlist. With his raw talents for survival, including killing without regret, and with his physical attributes far above the norm, he rose quickly into a person to be respected in this new life. Forming a close association with another recruit, they slowly

became noted as something different and were soon promoted This bond grew through years of service with the SAS and close encounters with enemy forces in many parts of the world It was extremely valuable deep in enemy jungle and fighting as a small team harassing much larger forces in the post war military struggle in Burma Only when he was tested to the limit in frightening circumstances which resulted in the death of his friend did Rory crack He was pitted against horrendous physical odds in a cruel jungle which brought him to the edge of death It was the unexpected appearance of the dreaded enemy leader who was to blame for Rory s tragic killing of his friend that snapped him back to reality determined to seek revenge The stalking and planning of this Russian s execution brings Rory back to earth **Velasco** Cyrus Redding,1846
