Kleitman went on to mentor the talented but troubled Eugene Aserinsky whose discovery of REM sleep revealed the astonishing activity of the dreaming brain and William Dement a jazz bass playing revolutionary who became known as the father of sleep medicine Dement in turn mentored the brilliant maverick Mary Carskadon who uncovered an epidemic of sleep deprivation among teenagers and launched a global movement to fight it Award winning journalist Kenneth Miller weaves together science and history to tell the story of four outsider scientists who took sleep science from fringe discipline to mainstream obsession through spectacular experiments technological innovation and single minded commitment Readers will walk away with a comprehensive understanding of sleep and why it affects so much of our lives A propulsive utterly engrossing history None of it is simple and all of it is captivating The New York Times Mapping the Darkness offers two narratives at once a sweeping journey of discovery about dreams sleep and the terra incognita of unconsciousness and a wake up call about the dangers of chronic exhaustion It s time Mr Miller tells us to take our sleep back The Wall Street Journal

*Skin* Daniel Fox,2010-02-16 In this soaring epic Daniel Fox weaves the ancient myths and legends of feudal China into a fantasy world of brutal war and brittle passion immortal gods and mystical creatures With the long chained dragon now free and the rebels invasion smashed by her exultant fury the balance of power has changed Young emperor Chien Hua is no longer struggling for survival now he is ambitious to strike back As treacherous General Ping Wen whispers in the emperor s ear not even Chien Hua s beloved concubine or his most trusted bodyguard can reason with him Worse prolonged exposure to magical jade is changing him radically His increasingly godlike powers are making him dangerously rash But with the dragon patrolling the skies above and the strait beneath the emperor s forces have no hope of launching a counterattack until a goddess moves to interfere Yet neither the clash of armies nor the opposing wills of goddess and dragon can decide ultimate victory or defeat The fate of the war lies in the blood deep bonds between the dragon and the boy Han her jailer and her liberator and in the prices both will pay for their freedom **Books and Pamphlets, Including Serials and**
