Phillips, 2014-09-26 While the gangster film may have enjoyed its heyday in the 1930s and 40s it has remained a movie staple for almost as long as cinema has existed From the early films of Humphrey Bogart James Cagney and Edward G Robinson to modern versions like *Bugsy* *Public Enemies* and *Gangster Squad* such films capture the brutality of mobs and their leaders In **Gangsters and G Men on Screen Crime Cinema Then and Now** Gene D Phillips revisits some of the most popular and iconic representations of the genre While this volume offers new perspectives on some established classics usual suspects like *Little Caesar* *Bonnie and Clyde* and *The Godfather Part II* Phillips also calls attention to some of the unheralded but no less worthy films and filmmakers that represent the genre Expanding the viewer's notion of what constitutes a gangster film Phillips offers such unusual choices as *You Only Live Once* *Key Largo* *The Lady from Shanghai* and even the 1949 version of *The Great Gatsby* Also included in this examination are more recent ventures such as modern classics *The Grifters* and Martin Scorsese's *The Departed* In his analyses Phillips draws on a number of sources including personal interviews with directors and other artists and technicians associated with the films he discusses Of interest to film historians and scholars **Gangsters and G Men on Screen** will also appeal to anyone who wants to better understand the films that represent an important contribution to crime cinema **Gangster Hunters** John Oller, 2024-11-26 The enthralling can't put down account of the birth of the modern FBI J Edgar Hoover was the face of the FBI But the federal agents in the field relentlessly chasing the most notorious gangsters of the 1930s with their own lives on the line truly transformed the Bureau In 1932 the FBI lacked jurisdiction over murder cases bank robberies and kidnappings Relegated to the sidelines agents spent their days at their desks But all of that changed during the War on Crime Hunting down infamous public enemies in tense frequently blood soaked shootouts the Bureau was thrust onto the front pages for the first time Young agents fresh out of law school and anticipating a quiet white collar job faced off with murderous felons who were heavily armed clad in bulletproof vests and owned cars that outraced the best vehicles the Bureau had But the federal men were fiercely devoted to the Bureau to each other and to bringing America's most wanted criminals to justice The G-men crisscrossed the United States in pursuit of John Dillinger Bonnie and Clyde Ma Barker's criminal family Baby Face Nelson and Pretty Boy Floyd But the green FBI agents were always one step behind and a moment too late the criminals evading elaborate stakeouts and dramatic ambushes Facing mounting criticism with bodies left in their wake the agents had to learn

to adapt After all more than their reputations were at stake Through incredible primary source research John Oller transports readers right to the most harrowing and consequential raids of the 1930s with fast paced action that shows the lengths both sides would go to win "Don't Shoot, G-Men!" romance to thrills and spine tingling horror Then with the ascendancy of the film star posters began to sell icons and lifestyles nowhere more so than in Hollywood But every country producing films used posters to sell their product Selling the Movie The Art of the Film Poster charts the history of the movie poster from both a creative and a commercial perspective It includes sections focusing on poster artists the development of styles the influence of politics and ideology and how commerce played a role in the film poster s development The book is richly illustrated with poster art from many countries and all eras of filmmaking From creating the brand of Charlie Chaplin s tramp and marketing the elusive mystique of Greta Garbo to the history of the blockbuster the changing nature of graphic design by the decade and the role of the poster in the digital age Selling the Movie is an entertaining and enthralling journey through cinema art and the business of attracting audiences to the box office

Calling All Cars Kathleen Battles, Calling All Cars shows how radio played a key role in an emerging form of policing during the turbulent years of the Depression Until this time popular culture had characterized the gangster as hero but radio crime dramas worked against this attitude and were ultimately successful in making heroes out of law enforcement officers Through close analysis of radio programming of the era and the production of true crime docudramas Kathleen Battles argues that radio was a significant site for overhauling the dismal public image of policing However it was not simply the elevation of the perception of police that was at stake Using radio reformers sought to control the symbolic terrain through which citizens encountered the police and it became a medium to promote a positive meaning and purpose for policing For example Battles connects the apprehension of criminals by a dragnet with the idea of using the radio network to both publicize this activity and make it popular with citizens The first book to systematically address the development of crime dramas during the golden age of radio Calling All Cars explores an important irony the intimacy of the newest technology of the time helped create an intimate authority the police as the appropriate force for control over the citizenry
