The Bond Code (Volume 2 of 2) (EasyRead Super Large 24pt Edition) , Gateways to the Otherworld Philip Gardiner,2009-01-30 Is there life after death Is there a world outside our own WHAT IF ANCIENT PEOPLE ALREADY KNEW THE ANSWERS TO THESE QUESTIONS Acclaimed author Philip Gardiner proves that our ancestors were far more advanced scientifically and spiritually than previously believed Through a special technique ancient Egyptians and others were able to journey to other realities within themselves in short to the Otherworld The author undergoes his own experiments to prove the point Gardiner also shows that ancient people knew more about their place in the universe than previously thought They placed buildings and objects in specific places around the globe because these points had a distinct relation to the universal and human wave resonance of electromagnetism When the ancients journeyed to these places they were joining with God and visualizing the effect The remarkable conclusions and discoveries in this book not only dispel some age old myths but also address questions such as Is there a universal frequency that allows the mind to travel into other realms Does the Great Pyramid hold a real secret to the quantum realm What are those mysterious round towers found scattered around our planet Is ESP real What Gateways to the Otherworld uncovers are not just tales of ancient trips to other realms nor theories on why stone circles were built in specific locations but real answers based on thorough research and science **An End to All Disease** Lt. Lawrence F. Frego,2006-07-19 We are at the crossroads of world health On the one hand we face the possibility of a world wide pandemic the likes of which has never been seen before We are likewise on the threshold of discovering natural cures for nearly every disease As choosing wisely may mean the difference between life and death this book is designed to help the reader choose alternative options that are seldom if ever in the news Jared Diamond in his groundbreaking work Collapse How Societies Choose to Fail or Succeed addresses the fact that only civilizations that recognize the threats against their existence and deal with the threat effectively survive Civilizations with their heads in the sand become extinct or are conquered by more vigorous nations The robber barons of the last century were able to create a

monopoly for oil and the automobile by ruthlessly and systematically destroying all competition They tore up cable car lines and public transportation so the public would have no other alternative except their oil Today the drug monopolies owned by the descendants of these same robber barons are nearly complete in their plot to eradicate all natural low cost remedies for disease prevention and treatment In the state of Florida naturopathic physicians were de licensed unless they also had a conventional medical license The powers that be want to create a drug induced society at an enormous financial and emotional cost to the public at large They are even trying to outlaw vitamins via European health treaties and side step the American constitution and the public The ever escalating cost of medical care created by lack of natural alternative options can only lead to the eventual total collapse of the entire medical system It is exceedingly difficult finding the truth about alternative medicine as the system has a vested interest in making profits and keeping the truth from you A few thousand deaths is an acceptable loss if a few billion dollars can be made And it will be a cold day in hell before a drug company puts itself out of business by telling you about a low cost natural cure that their product can manage The guardians of public health know which side their toast is buttered on also The career politicians and beltway bandits at the FDA know where the money is and they dont get it from you or providers of natural cures The drug monopolies pay the big bucks There have been no checks and balances Corruption has become so pronounced that the US House of Representatives is seeking to pass the Consumers Access to Health Information Act H R 2352 to ensure that accurate health claims ARE NOT SUPPRESSED Consumers would be given TRUTHFUL AND COMPLETE information about the curative mitigation treatment and prevention effects of foods and dietary supplements on disease or health related conditions The time to exercise your God given right to the health care of your choice is now www.lef.org America has the finest emergency health care in the world Bar none However that is not the nature of the coming threat American baby boomers will soon be retiring in the tens of millions Their health care needs will be staggering and costly However 92% of American health care providers are trained in emergency medicine and only 8% in long term preventative medicine As it takes a minimum of 6 7 years to obtain a medical degree America is unprepared for a crisis that is inevitable

The God Within Me Michael Faust,2011-10-23 Psychologist Carl Jung and Nobel Prize winning physicist Wolfgang Pauli collaborated to find a means of bridging the gap between the psychological and scientific worlds between mind and matter They failed but everything they sought has been accomplished by the ancient and controversial secret society known as the Illuminati They have provided a framework for understanding all phenomena of whatever nature either scientific or paranormal Discover their startling theory of everything It explains Rupert Sheldrake s theory of Morphic Resonance homeopathy out of body and near death experiences synchronicity remote viewing hypnosis and many other previously inexplicable phenomena And read about dream gnosis the
