## **Gnostic Ethics And Mandaean Origins:**

Gnostic Ethics and Mandaean Origins Edwin M. Yamauchi,1970     John the Baptist and the Last Gnostics Andrew Philip Smith,2016-08-16 This fascinating study of the Mandaeans of Iraq considered the last of the Gnostics traces their history back to John the Baptist and the days of early Christianity Among the casualties of western intervention in Iraq and ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandaeans place weekly river baptisms at the center of their religious life and the primary exemplar of their religion is none other than John the Baptist So what is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandaeans from their present plight back through their earliest encounters with the West their place in Islamic counties their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond     The Mandaeans Jorunn Jacobsen Buckley,2002 The Mandaeans were a gnostic sect that arose in the Middle East around the same time as Christianity This text examines the lives and religion of contemporary Mandaeans and provides an introduction to the religion showing how its ancient texts inform the living religion and vice versa     *The Gnostic World* Garry W. Trompf,Gunner B. Mikkelsen,Jay Johnston,2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history     *The Gnostic Imagination* Deutsch,2023-09-20 The Gnostic Imagination is the first comprehensive study of the relationship between Gnosticism and Merkabah mysticism It includes an exhaustive analysis of Gershom Scholem s views on the subject an analytical survey of other secondary literature and a focused examination of primary sources The work explores a wide range of topics including myth exegesis ascent traditions and cosmology Although the main focus is on western Gnostic traditions and Merkabah mysticism the book also includes relevant material from Mandaeism and from later stages of Jewish mysticism such as German Pietism and Kabbalah Not only is this volume the first to survey and evaluate the history of scholarship on this complex subject but it also creates new pathways for future studies by illuminating the crucial methodological and topical issues in the field     **The Mandaeans** Edmondo F. Lupieri,2001-11-07 The book is made even more valuable by the inclusion of an extensive anthology of translated Mandaean texts complete with notes This collection of writings presents the

spiritual world of Mandaeism with fragments of mythical theological texts and pages of ethical and historical meditations

BOOK JACKET **Pre-Christian Gnosticism** Edwin M. Yamauchi, 2003-10-14 One of the most important issues facing New Testament scholarship today is the issue of Gnosticism So wrote the author in 1973 in the first edition With the publication since then of the entire Nag Hammadi library this observation has become even more incisive Was there a pre Christian Gnosticism Did Gnosticism directly or indirectly influence nascent Christianity Many modern scholars argue that Gnosticism preceded the emergence of New Testament Christianity and constituted the raw material from which the apostles formed their message about Jesus The author here analyzes the evidence used to support this thesis He notes a series of methodological fallacies in the use of this evidence and concludes that clearly Gnostic materials are late and pre Christian materials are not clearly Gnostic A new chapter in this paperback edition brings the discussion up to date Studies in Gnosticism and Hellenistic Religions Presented to Gilles Quispel on the Occasion of his 65th Birthday M. ZANDEE INDEX OF SOURCES Roel B Van Den Broek and M J Vermaseren INDEX OF NAMES AND SUBJECTS Roel B Van Den Broek and M J Vermaseren *The Neo-Mandaic Dialect of Khorramshahr* Charles G. Häberl, 2009 Neo Mandaic is the only surviving dialect of Aramaic to be recognized as a direct descendant of any of the classical dialects of Late Antiquity The Mandaean who speak it are adherents of a pre Islamic Gnostic sect the only such sect to survive to the present day As such Mandaic may be considered as both a living language of the modern Middle East and also the vehicle of one of the great religious traditions of that region along with Hebrew Arabic and Persian Unfortunately Neo Mandaic is severely endangered and all signs indicate that the current generation of speakers is likely to be the last As a description of an endangered language this work addresses one of the chief concerns of linguists in the 21st century namely the impending loss of the majority of the world s languages and the immense threat to both linguistic and cultural diversity that it represents This grammar is the first account of a previously undocumented dialect of Neo Mandaic and most thorough description of any Neo Mandaic dialect In addition to a description of its phonology inflectional paradigms and morphosyntax it includes a collection of ten texts transcribed and translated as well as a concise lexicon of the vocabulary found within these texts

[The Ethics of The Tripartite Tractate \(NHC I, 5\)](#) Paul Linjamaa, 2019-06-07 In *The Ethics of The Tripartite Tractate NHC I 5* Paul Linjamaa explores the theoretical foundations and practical implications of the ethics in the longest Valentinian text extant today As such it is one of the first serious explorations of early Christian determinism *The Mandaean Rivers Scroll (Diwan Nahrawatha)* Brikha Nasoraia, 2022-09-30 This book features detailed analysis of an ancient secret scroll from the Middle East known as the Rivers Scroll or Diwan Nahrawatha providing valuable insight into the Gnostic Mandaean religion This important scroll offers a window of understanding into the Mandaean tradition with its intricate worldview ritual life mysticism and esoteric qualities as well as intriguing art The text of the Rivers Scroll and its artistic symbolism have never before been properly analyzed and interpreted and the significance of the document has been lost in scholarship This study includes key segments translated into English for the first time and gives the scroll the worthy place it deserves in the history of the Mandaean tradition It will be of interest to scholars of Gnosticism religious studies archaeology and Semitic languages

**Gnostic Secrets of the Naassenes** Mark H. Gaffney, 2004-04-19 Reveals the hidden meaning of the Grail and a secret Christian doctrine for achieving higher consciousness Shows that Gnosticism is not a derivative of Christianity but the revelation of the true message of Jesus Describes the ancient relationship between water and spirit Explains the doctrine of immanence taught by Jesus at the Last Supper Features the translated source text from *The Refutation of All Heresies* by Bishop Hippolytus the only existing record of the Naassene Sermon In the third century C E the Catholic Bishop Hippolytus composed *A Refutation of All Heresies* in which his chief target was the Gnostic sect the Naassenes whose writings included a recounting of Jesus actual teachings at the Last Supper Contrary to Church attacks the Naassenes were not a heretical derivative of Christianity but the authentic foundation and purveyor of Christ s message In fact much of what passes as

Christianity has nothing to do with the original teachings of its founder The message recorded in the Naassene Sermon was intended for an inner circle of disciples who were prepared for advanced initiation into Jesus wisdom teachings The Grail discussed therein was not an actual chalice but a symbol of the indwelling of the divine The teachings involved the awakening of spirit and included practices aimed at restoring the soul s lost connection with God Immanence in the true sense intended by Jesus thus allows for spiritual attainment in this life by ordinary individuals without the intermediary of Church or priest This was the real meaning of the Last Supper and why the Naassenes believed that Jesus was the fulfillment of all the Mystery traditions

*Heirs to Forgotten Kingdoms* Gerard Russell,2015-12-01 Despite its reputation for religious intolerance the Middle East has long sheltered many distinctive and strange faiths one regards the Greek prophets as incarnations of God another reveres Lucifer in the form of a peacock and yet another believes that their followers are reincarnated beings who have existed in various forms for thousands of years These religions represent the last vestiges of the magnificent civilizations in ancient history Persia Babylon Egypt in the time of the Pharaohs Their followers have learned how to survive foreign attacks and the perils of assimilation But today with the Middle East in turmoil they face greater challenges than ever before In *Heirs to Forgotten Kingdoms* former diplomat Gerard Russell ventures to the distant

nearly impassable regions where these mysterious religions still cling to survival He lives alongside the Mandaeans and Ezidis of Iraq the Zoroastrians of Iran the Copts of Egypt and others He learns their histories participates in their rituals and comes to understand the threats to their communities Historically a tolerant faith Islam has since the early 20th century witnessed the rise of militant extremist sects This development along with the rippling effects of Western invasion now pose existential threats to these minority faiths And as more and more of their youth flee to the West in search of greater freedoms and job prospects these religions face the dire possibility of extinction Drawing on his extensive travels and archival research Russell provides an essential record of the past present and perilous future of these remarkable religions

Beyond the Jordan Glenn A. Carnagey, Glenn Carnagey, Keith N. Schoville, 2005-02-02 Beyond the Jordan is a collection of essays written to honor the life and labors of W Harold Mare Dr Mare spent much of his academic career as Professor of New Testament at Covenant Theological Seminary in St Louis A man of indefatigable energy broad interests and an unswerving commitment to the Christian faith his research expanded from New Testament interests to the archaeology of that world including ancient Canaan and Israel as well as the eras following the establishment of Christianity Apart from his work in textual studies W Harold Mare will be remembered for his excavations of Abila of the Decapolis in Jordan yet he also published a study of the archaeology of Jerusalem Thus the title of this volume is ambiguous enough to allow a broad spectrum of topics relative to either side of the River Jordan

**Word and Glory** Craig A. Evans,1993-11-01 Word and Glory challenges recent claims that Gnosticism especially as expressed in the Nag Hammadi tractate Trimorphic Protennoia is the most natural and illuminating background for understanding the Prologue of the Fourth Gospel Scriptural allusions and interpretive traditions suggest that Jewish wisdom tradition mediated by the synagogue of the diaspora lies behind the Prologue and the Fourth Gospel as a whole not some form of late first century Gnosticism Several features of the Fourth Gospel reflect the synagogue and nascent Christianity s struggle to advance and defend its beliefs about Jesus who as God s son and Agent was understood as the embodiment of the Divine Word All of the ingredients that make up Johannine christology derive from dominical tradition refracted through the lens of Jewish interpretive traditions There is no compelling evidence that this christology derived from or was influenced by gnostic mythology Word and Glory also develops and tests criteria for assessing the relative value of post New Testament sources for the interpretation of New Testament documents

**Guardians of the Gate** Nathaniel Deutsch,2023-07-10 This exploration of the phenomenon of angelic vice regency in Late Antiquity compares figures from Judaism Mandaism and Gnosticism The first part of the book is devoted to the question of mediation in Late Antiquity and to the role of exegesis in the formation of vice regent myths The second part of the book examines the Jewish figures Metatron and Akatriel the Mandaean figure Abathur and the Gnostic figure Sabaoth After a final chapter on the types of communities which may have produced these myths the volume concludes with appendices which briefly examine Christian Muslim and Hermetic traditions This volume is especially helpful to those interested in the connections between late antique mythologies and in particular the many parallels between Jewish mysticism and Mandaism
