How to Get over the End of the World Hal Schrieve, 2023-10-10 Boldly weird cool and confident this YA novel of LGBTQ teen artists activists and telepathic visionaries offers hope against climate and community destruction From the National Book Award longlisted author of Out of Salem James Goldberg self described neurotic goth gay transsexual stoner is a senior in high school and fully over it He mostly ignores his classes at Cow Pie High instead focusing on fundraising for the near bankrupt local LGBTQ youth support group Compton House and attending punk shows with his friend crush Ian and best friend Opal But when James falls in love with Orsino a homeschooled trans boy with telepathic powers and visions of the

future he wonders if the scope of what he believes possible is too small Orsino meanwhile hopes that in James he has finally found someone who will be able to share the apocalyptic visions he has had to keep to himself and better understand the powers they hold How to Get over the End of the World confirms Hal Schriever as a unique and to be celebrated voice in LGBTQ YA fiction with this multi voiced story about flawed people trying their hardest to make a better world about the beauty and craziness of hope about too big dreams and reality checks and about the ways in which human messiness egos jealousy insecurity and good faith can coexist It also about preserving the ties within a chosen family and maybe saving the world through love art and acts of resistance
