Go Make Disciples:

The Kingdom Agenda Tony Evans, 2013-07-26 God's kingdom isn't just about theology and church. It isn't just a quaint religious idea or an obscure theological concept. It is about a whole new way of seeing the world and your place in it. Tony Evans' legacy work *The Kingdom Agenda* offers a fresh and powerful vision that will help you think differently about your life, your relationships, and your walk with God. When you start with a Kingdom agenda, living in relationship with the true King and embracing your place in His Kingdom, nothing will ever be the same. In these pages, we'll explore how, under God, this kingdom vision helps you find greater purpose for your life, guides your family toward Him, deepens your understanding of God's use of the church, changes the way you think about politics, culture, and philosophy. Join Dr. Tony Evans, one of the greatest Bible teachers of our time, as he unfolds this biblical and practical approach to life, an approach that has the power to change people, families, neighborhoods, churches, and even nations. Discover the power of the Kingdom agenda. [This Is My Story](#)

[Paul Beasley-Murray](#), 2018-06-28 *This Is My Story* is an unusually fascinating account of one man's life. It is a story of the making of a man, initially written with grandchildren in mind. Who was my grandfather? What kind of person was he? At another level, it is a story of a growing faith, telling how, amidst the ups and downs of life, he has remained a soft-hearted pilgrim. At yet another level, it is a story of the making of a leader who never stopped learning how to lead, care, preach, and engage in effective mission. Perhaps even more significantly, it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor. Finally, as one who has at times been at the center of controversy, it is an opportunity to tell my side of the story. This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader. **Go, Make Disciples**

Peter Varieur, 2016-11-20 The purpose of this book is to assist you in carrying out the commission that was commanded by Jesus Christ before he ascended into Heaven, as stated in Matt 28:19-20: "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age." It will help you to be more effective in praying for the sick and setting the captive free, just as Jesus and the Apostles did.

[Pastoring Men](#) Patrick Morley, 2016-02-22 What would happen if every pastor in America shared the vision to disciple every man in his church? Can you imagine? No man falls on purpose, yet our culture is suffering from the fallout of the men problem. Increasingly, men are living autonomous and unexamined lives, getting caught up in the frenzy of life and becoming satisfied with tasteless and powerless Christianity. Now more than ever, men need unapologetic guidance and strong discipleship. Here's the place to start. In *Pastoring Men*, Patrick Morley explains proven and practical strategies for discipleship, equipping pastors to effectively reach and disciple all of the men they shepherd. This book will teach you the state of men in your church, how they are doing, what they want, what keeps them from getting what they want, and what they need. The essential factors for successfully discipling men. A concrete, sustainable strategy to help you organize your passion.

for men's discipleship without a lot of new programming Read and apply Pastoring Men and see men their families and your church thrive **AT BETHANY** Herschel E. Moore,2010-02-03 AT BETHANY Sermons and Essays is a collection of some of the most effective and thought provoking works of the author during his tenure at Bethany Christian Church in Houston a church known for sound preaching since its founding by Dr Elmer D Henson in 1947 These writings bring the Gospel of Christ to bear upon issues of political and social concern such as war poverty and the environment as well as matters of personal discipleship *Go Make Disciples* Brad Francis,2015-06-01 Go therefore and make disciples of all nations Right before ascending into heaven Jesus stood on a mountain and delivered the Great Commission instructing all His followers to make disciples of all nations Promising He would always be with us He drifted up into the clouds Two thousand years later our objective remains and we steadfastly Wait what Make disciples of all nations How do you do that Jesus early followers knew precisely what to do They knew because the Messiah had spent the three years prior turning them into disciples They followed His example and turned the world upside down Acts 17 6 and that example is left for us as well In *Go Make Disciples* bestselling author Brad Francis takes us through the five aspects of discipleship that Jesus regularly practiced example evaluation education equipping and experience Discover how Jesus took a dozen ordinary uneducated men and turned them into Christ followers who boldly reached their world with the Gospel After seeing how Jesus made disciples Brad also offers ideas about how we can adapt His methods for our modern world Whether you've personally been involved in discipling hundreds or whether you've never known how to even take the first step toward making disciples *Go Make Disciples* provides a strong biblical foundation for following Jesus commands If the Great Commission applies to you so does this book *Clueless - Go and Make Disciples* Ambassador Monday O. Ogbe,2023-06-15 Have you ever been told to go and win souls for Christ through street evangelism or any other setting and you just sense you are not cut out for this When you eventually manage to convince someone to accept Jesus as savior you begin to realize you are clueless as to where to begin in the discipleship journey If that is your situation you are not alone As a Christian of over thirty 30 years listening to sermons from different pulpits from around the world over media networks and at our local churches I am amazed at the lack of or non existence of practical teaching on how to actually go out and make disciples of all nations as Jesus Christ instructed us during His last command to the disciples until the last thirteen years that this insight came to me in my visible encounter with the Lord Jesus Christ on 22nd of April 2006 You will find the story on the encounter in the introductory part of *Clueless Go Make Disciples* Even then I am still fine tuning my understanding I know and I am aware that there are countless Christians who love the Lord dearly and are involved in relentless church activities week in and week out that have no clue as to how to really go out and make disciples of all nations Some of our church pews are filled with recycled converts that do not know their left from their right concerning disciple making after years of conversion Some of our churches have become like the dead sea where we keep taking in messages and not being equipped to let out the treasure within This book *Clueless*

Henry J. Charles, 2014-01-17 This book is a compilation of homilies of Fr Henry Charles composed and delivered over a period of at least twenty years The homilies were written out and were eventually typed up and it is possible that Fr Henry had himself thought about publishing them though we do not know this for sure While many persons were privileged to receive emailed copies and others actually heard his preaching the homilies were thought to be deserving of a wider audience The underlying message of his preaching is that discipleship of Jesus Christ requires not only the grace of faith but also demands perseverance courage and discipline critical elements of the process he terms ongoing conversion In addition Fr Henry advocates moral excellence not settling for the merely moderate or the mediocre but striving always to be perfect Fr Henry faces up to and wrestles with the perplexities of the Gospel and he believed that one of the keys to overcoming these is an appreciation of its many paradoxes and that as a consequence we are required to see things from a different perspective not as we are normally inclined to see them but as God sees them The homilies have been arranged thematically On God On Jesus What Jesus Calls Us To Be What Jesus Calls Us To Do Faith Hope Love Loss Suffering Death and Heaven Virtues and Vices Human Dignity Spirituality Church Liturgy and Ritual and Culture Society and Leadership There is of course considerable overlap among the various themes The subjects he refers to and the examples he gives are contemporary and relevant not only to a Caribbean audience but we think to audiences globally The style is informal and conversational for the most part and this quality of the writing has been maintained The homilies have been edited for clarity and for obvious errors and omissions in the transcripts and some have been retitled but they have otherwise been reproduced and stand as he wrote them *The Mission of God and You* Lori McDaniel, 2023-09-05 You Have a Purpose God Has a Part for You to Play in Something Big You were created by God called to follow Christ and commissioned to make disciples When Jesus gave this commission it wasn't a last minute thought before he ascended into heaven It was a mandate for all his followers to participate in a movement of God already in motion What is God's will for my life Where does my life fit into God's purpose If
