Small Press Record of Books in Print Len Fulton,1994 The Middle Way Derek Chollet,2020-12-28 A portrait of the effectiveness of moderation in US foreign policy as illustrated by three of America s most consequential and widely admired postwar presidents Dwight Eisenhower George H W Bush and Barack Obama When thinking about America s role in the world Dwight Eisenhower George H W Bush and Barack Obama may not seem to have a lot in common But they do While divided by background generation and political party they exemplify a distinct and underappreciated tradition of American leadership The Middle Way As the scholar and former senior foreign policy official Derek Chollet shows in this deeply researched book these three presidents took a centrist and effective approach to foreign policy With so many challenges facing the United States Chollet makes the case for why the nation must reclaim this brand of leadership learn from it and champion it This timely book blends history politics and biography to reveal how these presidents viewed the world and approached the task of leadership By providing behind the scenes accounts and incisive analysis of the foreign policies of Ike Bush 41 and Obama The Middle Way offers a fresh way of thinking about American power It shows how these three leaders defined a foreign policy archetype too often obscured by partisan blinders and historical amnesia With vivid story telling and astute insights Chollet makes a compelling argument for how we should remember the past think about the present and approach the policy challenges of tomorrow Eisenhower Bush and Obama demonstrated how the United States can exercise prudent and powerful authority in the world and they stand as exemplars of decency humility optimism confidence and pragmatism Together they set the bar for the kind of global leadership needed today and The Middle Way reminds both Americans and the world that this proud legacy not only persists but is needed more than ever

Spoiling for a Fight Micah L. Sifry,2013-01-11 More Americans now identify as political independents than as either Democrats or Republicans Tired of the two party gridlock the pandering and the lack of vision they ve turned in increasing numbers to independent and third party candidates In 1998 for the first time in decades a third party candidate who was not a refugee from one of the two major parties Jesse Ventura won election to state wide office as the governor of Minnesota In 2000 the public was riveted by the Reform Party s implosion over Patrick Buchanan s presidential candidacy and by Ralph Nader s Green Party run which infuriated many Democrats but energized hundreds of thousands of disaffected voters in stadium sized super rallies What are
