Go Down Moses William Faulkner, 1948 **Voice of Deliverance** Keith D. Miller, 1998 What made the speeches of Martin Luther King Jr s so inspiring to all people and enabled blacks and whites to move in harmony to action and commitment Keith Miller shows how the skillful borrowing and blending of both black and white written traditions was the key to King s effectiveness Go Down, Moses William Faulkner, 1942 **Obscurity's Myriad Components** R. Rio-Jelliffe, 2001 On that paradoxical premise Faulkner s theory addresses the writer s dilemma of having only the inadequate word to surmount itself and the practice in fiction seeks to vanquish the enemy not in the wordless as it is often denoted but in silence past the word BOOK JACKET **Go Down Moses** ,2013 **Faulkner** Doreen Fowler, 2000 Fowler exposes psychic conflicts that drive Faulkner s fiction and posits from them an underlying tension between the desire for difference and wholeness between the mother and the father between the living body and death Companion to Literature Abby H. Singal, 1997 Through detailed analyses of individual texts from the earliest poetry through *Go Down Moses* Singal traces Faulkner s attempt to liberate himself from the powerful and repressive Victorian culture in which he was raised by embracing the Modernist culture of the artistic avant garde Most important it shows how Faulkner accommodated the conflicting demands of these two cultures by creating a set of dual identities one that of a Modernist author writing on the most daring and subversive issues of his day and the other that of a southern country gentleman loyal to the conservative mores of his community It is in the clash

between these two selves Singal argues that one finds the key to making sense of Faulkner I Have a Dream George Grace,2020-01-04 This one act play is for the ages one through fifteen years of age in hope of beyond I am in hope that one person will come and give their life to Christ Jesus If I can touch just one life from the East Coast to the West Coast on my way home and just one from the North Coast to the South Coast then I have done just one thing good in my life on my way home I have a dream someone will come to Christ or come back to Christ Jesus our Lord This one act play I Have a Dream will become the center of all our lives that if we come back to Jesus And it will if we give our heart to Jesus Christ We as born again children of Christ Jesus should take this from door to door city to city town to town state to state and country to country and say this dream can become real by me and by you when we let Christ Jesus be the center post in our life Walk speech work I have a dream that one day cancer stroke diabetes respiratory problems mental illness AIDS and all other sickness will be done away with This is my dream 2 Chron 7 14 America's Musical Life Richard Crawford,2001 From traditional Native American music through rock this book explores what it is that makes American music Crawford U Michigan believes music in the United States can be split into three categories folk or traditional music which emphasizes continuity and preservation of community custom popular which seeks mostly to find paying audiences and classical which prioritizes the music itself over all else This book sets each work group or composer in its time juggling political social and musical history to emphasize influences on the music and how it was perceived by its listeners Everything from slave songs Duke Ellington and Janis Joplin are in this text Contains bandw photographs Annotation copyrighted by Book News Inc Portland OR **The Story of the Jubilee Singers, with Their Songs** J. listens to everything he sees and he stores that away in sort of a filing cabinet in my case it's not anything near as neat as a filing case it's more like a junk box Faulkner tended to be quite casual about his influences For example he referred to the South as not very important to me I just happen to know it and don't have time in one life to learn another one and write at the same time His Christian background according to him was simply another tool he might pick up on one of his visits to the lumber room that would help him tell a story Sometimes he claimed he never read James Joyce's *Ulysses* or had never heard of Thomas Mann writers he would elsewhere declare as the two great men in my time Sometimes he expressed annoyance at readers who found esoteric theory in his fiction when all he wanted them to find was Faulkner I have never read Freud Neither did Shakespeare I doubt if Melville did either and I'm sure *Moby Dick* didn't Nevertheless Faulkner's life was rich in what he did see and read and he seems to have remembered all of it and put it to use in his fiction Faulkner's *Inheritance* is a collection of essays that examines the influences on Faulkner's fiction including his own family history Jim Crow laws contemporary fashion popular culture and literature Joseph R Urgo is dean of the faculty at Hamilton College Ann J Abadie is associate director of the Center for the Study of Southern Culture at the University of Mississippi
