It further deals with his historic debut season with the English giants, which also saw him make his debut with the Portugal national team. He was instrumental in leading his club to an FA Cup triumph before concluding the season with an extraordinary performance at his debut national team tournament, as his EURO 2004 heroics earned him a place in the team of the tournament, appearance, and eventually a UEFA Team of the Year appearance. It concludes with the first two months of his third professional season, as his rival made his professional debut the next month. The third chapter gets the main plot of the book rolling as it kicks off the greatest rivalry between two football players who have left their mark on the history of the sport, following Messi's professional career debut in October 2004 with Barcelona in the Spanish La Liga, which preceded his debut with the Argentina national team the next year. It goes on to cover the 2000s decade rivalry between the two young players who both became World Best Players, Champions League winners, best players, and top scorers, as well as the best players, top scorers, and champions of their respective leagues before the turn of the decade, as Ronaldo had moved to Real Madrid during the last half season of the decade to make the El Clasico rivalry between Real Madrid and Barcelona much more popular and fierce. The fourth chapter elaborates on the 2010s decade performances of these two historic players at the peak of their careers and the peak who dominated the sport during the decade by sharing the World Best Player and Champions League top scorer distinctions for eight straight years while winning 6 Champions League titles and 10 league titles between them, as Ronaldo moved to Juventus in the Italian Serie A after the 2018 World Cup.
