Peace in relationships, Peace at home and at work, Peace from painful memories, Release from pressures and demands that threaten to crush us. What if we could build a moment of peace into every day of the year, opening our hearts to the peace God has promised? Wouldn't it be great to live with less fear and anxiety and with more confidence and joy? *The One Year Devotions for Women* is a chance to spend time with God every day to breathe deeply and grab on to the kind of peace that only God can offer, a peace far richer and more satisfying than anything we can hope or imagine. Each of these uplifting devotions includes a key Scripture verse, a devotional reading, and a suggested prayer for connecting with God. *God Allows U-Turns for Teens* Allison Gappa Bottke, Cheryl Hutchings, 2006 Dramatic, candid, and poignant, these 50 original accounts of God at work in the lives of teens offer encouragement and guidance for young adults whose own lives are headed down the wrong path.

These stories show how faith in God can inspire, heal, and give hope. **The WritersNet Anthology of Prose** Gary D. Kessler, 2002-10 The WritersNet Anthology of Prose reverses the trend of the publishing industry expanding onto the Internet. What began as an on-line evaluation and editing workshop on the WritersNet website turned this trend on its head when the best of the material submitted by writers across four continents, both published and unpublished, both previous best sellers and those seeking their first appearance in print, was published in this two-volume anthology. This project not only showcases the widely diverse talent of new and established writers and has established a new common purpose dimension of community among the writers participating in WritersNet, but it also serves the community at large as all profits above production costs are being donated to the Salvation Army in remembrance of the events of 9/11. The resulting fiction collection of sixty short stories by fifty-three separate authors provided in this volume, one of the anthology, WritersNet Anthology of Prose Fiction, is much more eclectic than is normal with such works. These stories defy the normal common thread in content rule. You can find something here to entertain you and to make you ponder, no matter what your reading pleasure. Explore and enjoy. **The Trinity Secret** Marie D. Jones, Larry Flaxman, 2011-01-20 The Father, the Son, and the Holy Spirit. Millions of people recognize the Holy Trinity, but few understand that the concept behind it is not limited to a single religion or belief system. What if the Trinity were an ancient code, a formula, a secret so simple yet so powerful it could change the way we look at our relationship with the Creator and with creation? *The Trinity Secret* began with the simple discovery that a trinity or triune nature plays an integral role in all that ever was, is, or will be. From religion, mythology,

folklore and psychology to neurophysiology quantum physics and even the cutting edge world of noetics and human consciousness the concept of a trinity is universal The number three is a profound and sacred number that speaks of a secret older than humankind Just a few of the famous trinities include Father Son Holy Spirit Unconscious Conscious Superconscious Earth Hell Heaven Maiden Mother Crone Brahma Vishnu Shiva Birth Life Death Newton s Three Laws of Motion Join best selling authors Jones and Flaxman as they embark on a fascinating journey to reveal the secret of the power of three and unlock the code behind the creative force of the universe a force which each and every one of us has access to
