Foundations of Christian Faith Karl Rahner, 1978 A Crossroad book Translation of Grundkurs des Glaubens **The Foundations of the Christian Faith** Charles Wesley Rishell, 1899 **Baptist History: from the Foundation of the Christian Church to the Present Time** John Mockett Cramp, 1871 *Baptist History: from the Foundation of the Christian Church to the Close of the Eighteenth Century ...* John Mockett Cramp, 1868 **History and Christian Faith** Edward W. H. Vick, 2003 A basic Christian claim is that God is active in human history to accomplish his purpose which he will do in the end This book considers some of the implications of this far reaching claim Christian faith is bound up with our personal history but beyond that stretches far into the past Faith is not identical with historical knowledge for example with knowledge of the facts about Jesus facts which must be established historically That involves using the historian s methods of investigation What does God reveals himself in history mean Christians claim to find an ultimate meaning in history But how can that be How is it possible to find an overall meaning in history theistic or otherwise Since Christians appeal to the New Testament in making the claim that God revealed himself in Jesus we must go beyond that book to the Christian community which existed before there was a New Testament and out of whose midst its writings came To understand those books we must interpret So where do our principles of interpretation come from and how valid are they This is the question of tradition This small book is an introduction to these interesting topics Hopefully it will help to clarify important issues and lead the reader to investigate such central matters further The History Of The First Planting Of The Christian Religion George Benson, 1756 The Minor Prophets James Montgomery Boice, 1983 **The Substance of Our Faith** Douglas A. Sweeney, 2023-10-24 Christianity Today 2024 Award of Merit Academic Theology Doctrine is central to Christian discipleship and maturity Unfortunately it is often sidelined in churches teaching ministry as irrelevant or impractical Countering this leading church historian Douglas Sweeney defines doctrine as church teaching intended for the shaping of daily faith and practice The Substance of Our Faith addresses introductory issues in the study and application of historical doctrine incorporating a unique global and catholic perspective It addresses the Spirit s role in the rise of doctrine in the early church the authority of Scripture and tradition in the development of doctrine the challenges of doing global historical theology the nature and purpose of doctrine and implications for teaching the faith today Specifically Sweeney advocates that those who teach the Christian faith in all churches do so in communion with the saints who have come before A future volume by the author will narrate the actual history of doctrinal teaching around the world **A Brief History of Theology** Derek Johnston, 2008-01-01 The ideal first book for students new to the subject of theology This is a fun concise and attractive book that will be a key reference tool **Current Literature** Edward Jewitt Wheeler, Frank Crane, 1906 *History of Saint Paul's Cathedral, in London, from Its Foundation Etc.
