A prayer for faith in God

Lord God, bestow the gift of faith onto me. Please help me to have confidence in Your goodness and Your faithfulness. Help me overcome life's obstacles and lead me along the path You have prepared for me. May I find courage and consolation in Your love, and may my belief in You serve as a beacon for others.

Through Christ our Lord.

AMEN

God And I A About Faith And Prayer:

The One Year Praying in Faith Devotional Chris Tiegreen, 2021-11-09 The faith journey can be hard but it doesn't have to be Abraham Joseph David Paul and even Jesus himself all heroes of the faith who experienced both the soaring grace of answered prayers and crushing sorrow when God seemed unwilling to respond or too far away to hear And yet even in the darkest times God was working writing an unseen story of redemption that would save the world When we pray how do we see beyond the immediate and into the eternal How do we know when to keep praying and when to give up when to consider something a promise from God and when to recognize that it was from our own imagination Why does silence from God rarely mean no and almost always mean come closer The One Year Praying in Faith Devotional answers these questions and many more taking you through a 365 day journey that will help you experience a prayerful relationship with God like never before

The Prayer of Faith Leonard Boase,1985 *The Prayer of Faith* Carrie Judd Montgomery , Carrie Frances Judd Montgomery 1858 1946 was an evangelist faith healer and influential author How strange and sad it is she writes that when the Bible abounds in such rich promises for supplying the need both of soul and body that we should be languishing in either Let us together earnestly and prayerfully search God's Word and by its light dispel the mists of unbelief which prevent our seeing clearly the blessings which are only awaiting our grasp of faith **The Lord's Prayer , Prayer That Changes Everything** Mary Colbert,2020 A revived faith starts with a revived prayer life This book will help you develop the faith and prayer life that God desires for you What if your communication with God became as vibrant as the interaction between you and your best friend What if God literally responded to your praise your worship and your requests This is absolutely God's will for your prayer life For many prayer is only a matter of blessing their food asking for help during a crisis or whispering a need when they feel they are at the end of their rope Unfortunately this barely scratches the surface of the prayer life God wants to share with us In Prayer That Changes Everything Mary Colbert unpacks five principles to revolutionize readers faith and help them experience the full dimension of the relationship they can have with God through prayer She challenges readers to Recognize that faith is alive and must be in action Live with a faith that excites God Realize that faith is the substance of all things See the thing they want God to do as done and begin to praise Him for it and know that love is the fuel Whether a new believer or a longtime Christian each reader will find accessible fresh insights into prayer and practical wisdom that will revitalize his or her prayer life and transform his or her relationship with God *The Kingdom of God and Prayer* Anthony Abidemi Olalere,2013-11-21 The book simplifies prayer and provides an understanding of the importance of prayer in the Kingdom God God's plan is that His will be done on earth as it is in heaven through the church This book encourages and teaches the believer how to pray It examines how to enter into God's presence to get results fight the good fight of faith and establish the kingdom of God wherever we find ourselves The book concludes by considering the believer's weapon of war provided by scriptures to obtain victory and enter into the rest purposed by God *Prayer Matters* Marilyn Wragg,2017-12-20 Have you ever wondered how prayer works Have you ever wished you were better at praying Have you

ever been at a loss for words to pray This is not a book that attempts to answer all your questions on prayer On the contrary the author acknowledges upfront that prayer is a mystery for which there is no magic formula There are Biblical principles that teach much about prayer and God's spiritual spokespersons have offered insight But God is God and prayer is in the realm of His unfathomable ways and workings Rather this is a book that invites you to come alongside the author and delve into the practice of prayer It contains reflections on varied prayer matters that are based on exploring principles about prayer and trying various ways to pray It is the fruit of the author's entreating God to teach her to pray Since much of this entreating occurred while walking with her son through his cancer battle and now as she grieves his passing the author's insights are presented as one questioning pilgrim desiring to help another The book's premise is that we do not have to understand prayer to pray We learn to pray by praying The more we pray the more natural praying therefore becomes Hence suggestions and tools are offered to facilitate praying Whether you are relatively experienced with prayer brand new or somewhere in between you are invited to ponder these prayer matters and to implement those suggestions for doing prayer that appeal to you Because ultimately while we may not know the intricate workings of prayer this side of Heaven one thing we do know is Prayer Matters

Praying When Prayer Doesn't Work Jack Corbin Getz, 2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that's not a red warning flag that prayer has a serious public relations problem what is *Praying When Prayer Doesn't Work* is a thoughtful often witty account of the author's journey to find prayer's elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer's four public relations problems identifies the perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seekers of the truth how to get personal with God and make praying a choice not a chore
