topics as poverty and riches trials and temptation hearing and obeying the Word of God faith versus works taming the tongue friendship with the world versus friendship with God patience in suffering The wisdom of this letter speaks to us across the ages as every issue James addresses is as urgent and timely today as when he first wrote it For the person who wants to be wise time spent soaking up the wisdom of James the half brother of Jesus is time wisely spent *The New Chosen People, Revised and Expanded Edition* William W. Klein, 2015-11-25 Controversy rages on about God's choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God's choosing individuals prophets priests kings to serve divine purposes and considers God's election of the nation of Israel as his special people This OT study proposes that God's election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul's writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church Jesus, the Word of God Margarette O'Toole, 1992-10 Who is Jesus Christ What did he look like What did he talk about Did he have friends Why did he die on the cross Why is he so important to so many people What does the Word of God mean Jesus the Word of God is a wonderful book It gives children ages 8-11 the opportunity to explore some of the answers to the great questions that the world continues to ask about Jesus Beautifully illustrated in color **Pimping God** Leola Silas, 2016-03-03 Pimping God explores a biblical path to correctly connecting to God without shakedowns in your place of worship It will help you in becoming a disciple of Jesus Christ and not just a church member I grew up in the church as a very small child went out in the world and got tired of the people I was hanging out with and I thought one day that I did not want to be in hell with them and I returned to God and he took me back and I became serious about where I was going to spend eternity I became a disciple of Jesus Christ with a sanctified leader and the Holy Spirit from God Is your life spiraling out of control Do you feel like something is missing in your life Have you considered the reason to serve God Will you leave the world behind to follow Jesus Pimping God is a good place to start *Money Won't Make You Rich* Sunday Adelaja, 2009 Adelaja gives readers a comprehensive guide to successful living God's way Combining biblical truth financial advice and his own life experiences the author explains such topics as the nature of poverty the meaning of prosperity and more God Don't Like Fake People The Seed of Solomon, 2008-06-06 Are you tired of dealing with fake people Does it seem like every time you put trust in your family and friends they come up short and

backstab you Does it seem like every time you try to get in a relationship you later find out that they are the opposite of what you thought they were when you first met them Does it seem like you are walking in place and everybody that is in your circle doesn't have you in their best interest and is selfishly trying to milk and drain you If you can relate to all or some of those situations then you are dealing with fake people This book entitled God don't like fake people is a spiritual Guide to better relationships with people and God This is a Bible based book that shines the light on many blind spots in your soul that may be causing you to keep experiencing regretful and disappointing situations in life This small book is like a heavenly vitamin that will help replenish your mental and spiritual cells This book is the rebirth of an ancient style of writing Therefore after reading this nontraditional book you will no longer look at the world the same This book is not like any other book that you have read in your life Therefore you must read this legendary book with an open heart and mind as if you were a child The seed of Solomon A K A Allan Williams is an anointed student of God that has dedicated his life to inspire people to seek God and the truth It's better to be criticized by a wise person than to be praised by a fool Ecclesiastes 7:5 We don't see things as they are We see them as we are Anis Nin If you want what you can't have you will never have what you want Allan Williams

The words of Jesus are in red letter. *The kingdom of God is within you; What is art? What is religion?* by Leo Tolstoy, 1899. Simple Scripture lessons for school and home by John Wycliffe Gedge, 1878. Stewardship and the Kingdom of God by Dennis J. Ireland, 2014-10-21. The parable of the unjust steward in Luke 16:1-13 is a unity which teaches faithful stewardship of material possession against an eschatological backdrop. This interpretation is confirmed by examination of the pericope itself and progressively wider levels of context within Luke's Gospel. Chapter one provides a history of recent interpretations of the parable, nineteenth and twentieth centuries as background for the ensuing study. Detailed exegesis of Luke 16:1-13 itself is found in chapter two. The investigation is broadened in chapter three to include the immediate and broader literary contexts, Luke 15:16 and 9:51-19:44 respectively. Chapter four examines the theological context, in particular the themes of riches and poverty and the kingdom of God. Chapter five summarizes the major conclusions of the book. The book is a thorough summary of the literature on the parable, the central section, and the themes of riches and poverty and eschatology in the third Gospel. *Bringing God Up to Date* by John Hunt, 2021-10-29. Religion is an essential part of our humanity. We all follow some form of religion in the original meaning of the word. But organized religion establishes definitions, boundaries, and hierarchies which the founders would be amazed by. This is perhaps more true of Christianity than most other religions due to the short life of Jesus, his sudden death, the lack of any contemporary records. His teaching about the kingdom of God is great; it could see us through our time on earth. But his followers watered it down and soon lost it altogether. It became a kingdom in heaven for the few rather than one here and now for everyone. The Church or Churches that resulted became increasingly irrelevant, even a hindrance to seeing it realized. Many will always find security

and truth in the traditions that developed and good for them But for those who can't for those who have given up on religion or never thought it worth considering the original teachings are worth another look If we could recover them and live by them we could change ourselves and the world for the better We could bring God up to date     **When All Fails, Consult God** Elizabeth K.
