**God Bless America** Karen Stollznow, 2014-07-01 God Bless America lifts the veil on strange and unusual religious beliefs and practices in the modern day United States Do Satanists really sacrifice babies Do exorcisms involve swearing and spinning heads Are the Amish allowed to drive cars and use computers Taking a close look at snake handling new age spirituality Santeria spells and satanic rituals this book offers more than mere armchair research taking you to an exorcism and a polygamist compound and allowing you to sit among the beards and bonnets in a Mennonite church and to hear L Ron Hubbard s stories told as sermons during a Scientology service From the Amish to Voodoo the beliefs and practices explored in this book may be unorthodox and often dangerous but they are always fascinating While some of them are dying out and others are gaining popularity with a modern audience all offer insight into the future of religion in the United States and remind that fact is often stranger than fiction Jubilee Memorial of the American Bible Society Isaac Ferris, 1867 The American Bible-Whose America Is This? Stephen Prothero, 2012-06-05 Bestselling author Stephen Prothero addresses the question of Whose America is this by exploring American political discourse and the significant texts that make up the living history of the American people American politics is broken because we have forgotten how to talk with one another Instead of arguing on behalf of our nation we argue on behalf of our party The American Bible How Our Words Unite Divide and Define a Nation reacquaints us with the oft quoted and misquoted speeches songs and sayings that animate our politics inspire social action and drive our debates about who is and is not a real American It reconnects us with a surprising tradition of civility that manages to be both critical of Americans shortcomings and hopeful for positive change To explore these scriptures is to revisit what Americans have said about liberty and equality and to revitalize our ongoing conversation about the future of the American experiment Imagine! a God-blessed America Richard D. Land, 2005 A hope inspiring vision of America s future that includes stories of positive change and addresses the possibilities of what could happen on a broader scale **The Bible According to Christian Nationalists** Brian Kaylor, 2025-10-07 Feel like the Bible is being misused You re not alone Many people of faith are heartbroken and angry watching scripture distorted to justify political power grabs exclusion and even violence Christian Nationalism blurs the line between faith and politics replacing the Gospel s liberating message with a dangerous ideology that undermines both democracy and discipleship But the Bible doesn t belong to extremists It belongs to God s people In The Bible According to Christian Nationalists author and minister Brian Kaylor exposes the seven deceptive ways Christian Nationalists manipulate scripture for their own ends from cherry picking verses for gerrymandering to treating the Bible as a political prop With clarity and courage Kaylor shows how these tactics betray the very heart of the Gospel **Simply Grateful** Regina D. Fowler, 2022-01-28 Ephesians 3:20 This scripture is not simply saying God is able to bless us in a great way or with abundance of course He can and does It is telling us that God is able to exceed what we as mere humans consider to be abundance If we think what we have is an abundance then we have

fallen short on our understanding of what God can do If we can imagine it then God can exceed it Therefore after the phrase exceeding abundantly comes the phrase above all that we ask or think God does not limit what He can do for us only we can do that according to the power that worketh in us In other words only our level of faith in God limits how far He exceeds our expectations Be clear abundance is not just about how much money or material possessions we have it s more about the peace we can experience amid our abundance
