God Bless You Now and Always Jesiana Santiago, 2022-01-06 This book is a sort of love song about the feelings that having a baby brings and the truths and realities all parents think about and hope about for their new little one coming into this world The poetry and illustrations tell us how special each of us are from the moment we were born but also how we are all connected and can be happy and healthy when we have faith keep a positive mindset and treat others with care Reading is so important to do with your child and you can begin as early as during pregnancy And if you struggle to find the words to express your feelings this book whether you actually carried your baby in your womb or God sent them to you in a special way otherwise captures all the things you think about when you hold your baby it's a lovely way to share deep enriching poetry with your little one from the first moment you fall in love with them The words to this baby epic came upon my heart when I was holding my son in the delivery room Heart to heart skin to skin and they played in my mind until I shared them

here I hope they bring a smile and warmth to your heart too In this special version there is a full journal with prompts to document the experience and journey Writing this will be something so special and personal a little piece of history etched in time for you and your baby to reflect back on together to help them know where they come from who they come from for you to see who you were who you are when the future meets you and this book becomes a treasure to you all over again *God Bless the Child..* ,1972 *Dear Child of Mine* Deirdre Tolhurst,2015-10-30 In *Dear Child of Mine* Deirdre Tolhurst finds the beauty in each day that passes from conception to birth Addressing the growth of the baby within and giving God the glory for each of His miraculous works is the mainstay of this powerful devotional To be read out loud each devotion begins with sweet words to the baby The baby is told every day that it is loved and wanted and the devotion notes what miracles are happening as the child grows Followed by a prayer the exciting changes inside the mother are spoken of with adoration of Gods kindness and miraculous ways A scripture completes the devotion always bringing the glory back to God This uniquely personal devotional has lines included each day so the mom can write the feelings and thoughts that captured her own heart at that stage of her pregnancy making this a beautiful heirloom for generations to enjoy
