## Heaven Is Just Another Country:

JUST ANOTHER COUNTRY — A Novel John Moody, 2023-11-11 In *Just Another Country* Moody brings an emotionally shattering politically infuriating conclusion to his fact based trilogy of China's relentless attempts to destroy the United States be it through a deadly virus an endless wave of illegal immigrants shipments of fentanyl or Artificial Intelligence Worst of all Chinese AI Bots have acquired emotions and are now turning humans into their slaves Moody's warnings about the decline of the U S and China's escalating threat to the West in his three volumes have been largely borne out in recent years As Xi Jinping the iron fisted leader of the Chinese Communist Party accelerates his drive for global superiority na ve heedless Americans fret over racial hatred inequality gender identity sexual freedom celebrity singers TV shows and Donald Trump's hair JFK's famous Ask not speech has been turned on its head In today's America E Pluribus Unum has been deformed into Gimme gimme gimme Moody presents a parallel interwoven tale of America's troubled relations with Mexico and its longstanding failure to control the flood of illegal immigrants along its southern border With flashbacks to another refugee from the former Soviet Union it's clear that no matter the century no matter the politics no matter the truth unless it changes its self satisfied self defeating ways America risks becoming Just Another Country Praise for *Of Course They Knew Of Course They Americans* know something is wrong but have been silenced by political correctness These characters have a voice Sean Hannity John Moody has made a major contribution to our understanding of the Covid disaster His novel will enlighten every person who reads it I found it fascinating Newt Gingrich Former Speaker of the United States House of Representatives Praise for *The World We Wish The World We Wish* takes the reader inside the stark realities of the Chinese communist system A fascinating and intriguing story that seems too real to be fiction Bill Gertz journalist and author of *Deceiving the Sky Inside Communist China's Drive for Global Supremacy* Drenched in black humor *The World We Wish* offers insight into a nation that echoes history's most notorious regimes Its greatest strength may be its knack for revealing what's kept at arm's length from us via the media and academia Christian Toto author editor of HollywoodinToto.com *Journal of the Royal Anthropological Institute* Royal Anthropological Institute of Great Britain and Ireland, 1882 Frank Wisbar Henry Nicolella, 2017-12-15 German director Frank Wisbar 1899 1967 had the misfortune of achieving success as a filmmaker just as Hitler came to power While critics praised his work Nazi cultural watchdogs were scornful of his attempts to chart the landscape of the soul in films like *Ferryman* *Maria* 1936 and *Anna and Elisabeth* 1933 Wisbar fled to America where Hollywood saw him as no more than a technician good for churning out low budget horror like *Strangler of the Swamp* 1945 and *Devil Bat's Daughter* 1946 A successful stint in early television allowed him to return home to a very different Germany where he abandoned his earlier mystical themes to tackle questions of war and peace tabloid journalism and racial conflict The author examines the films and career of an under appreciated auteur who ultimately lost faith in his own vision

**Juggalo Country** Craven Rock, 2019-08-14 WHOOP WHOOP The Insane Clown Posse calls itself the most hated band in the world but with 11 million albums sold the horrorcore hip hop duo from Detroit is a widespread music phenomenon with a cult following This book is the story of Craven Rock's journey to their annual festival the Gathering of the Juggalos where legions of fans in clown makeup come together every year to attend this family reunion like event and enjoy musical celebrities feats of wrestling debauchery and most of all a supportive tight knit community Juggalos gained the political spotlight in 2017 when thousands of fans marched on Washington DC to protest their classification by the FBI as a violent gang Dwarfing the pro Trump rally at the same time and place Juggalos proved themselves to be a growing voice of dissent for some of the most neglected parts of the United States Rock's reporting casts a light on many contradictions and perils of Juggalodom sensitively handling questions of gender health religion and what it means to be part of something Part festival goer's journal part music history part investigative report part social commentary Juggalo Country takes us into the heart of a much derided and controversial movement and shows us the redemptive power of family and community

**The Polls of Heaven** C. Paul Owens, 2017-12-28 The Polls of Heaven By C Paul Owens After Clint Greene sold his weekly newspaper in Ohio following the death of his wife he returned to his family home in the Cumberland Mountains of Kentucky overlooking an unnamed town for obvious reasons the setting for a large part of our story Soon after his return Clint went down the hill to the business person's morning coffee hour in the back of the town's only drug store Clint was looking for old friends who might still be alive finding a few very few The coffee club was now a debate hour for these intellectuals who felt their purpose was to solve the world's problems Today it was climate change possibly meaning the end of it all There was also a belief that TV and a cynicism of the age had brought about a dramatic loosening of morals especially among the young The coffee clubbers had declared they no longer had a leader to guide them out of their troubles and threats of world's end Clint with two others who were new to him with all the playfulness the situation called for began a guessing game of who might be reincarnated to lead us out of our problems This resulted in jokes of who among them was ready to go to Heaven and recruit this leader The three coffee club instigators decided to form OMEN Old Men to save Earth's Neighborhoods The three were veterans of three wars The local editor and his woman were in the Battle of Chicago rebels of the post war rebellion against their society Clint himself was a Marine in the Southwest Pacific jungles and the third began his war against his native Russia He went over to the Allies as a fighter against the communists who had taken over his Mother Russia and his people As a Cossack the Russian's tribe had supported the Tsars for four hundred years After the war he'd found a girl in Britain only learning later that she had borne him a son He had been

forced to leave to pursue and kill a fellow Cossack The man had betrayed his people to Stalin his identification of those fellow soldiers resulting in their deaths The pursuit had led him to find a home in the Kentucky hills After an accident and monthlong coma Clint had found himself in Heaven as chairman of a committee to present the proposal before the Heaven Senate His return had prompted him to visit an old Cherokee friend in search of his soul Three men and their women two weddings a father s search for his son and a question over the fate of OMEN s future all figure in the story Another Country - Growing Up In '50s Ireland Gene Kerrigan,1998-04-01 From First Communion to CI Mystery Tours the heartwarming story of award winning journalist Gene Kerrigan s childhood in Dublin in the 50s In his highly addictive style Gene Kerrigan effortlessly reconstructs the Ireland of the 1950s and early 60s in which he grew up An adult world of absolute moral certainties casual cruelties and mass emigration for children an age of innocence but an innocence hemmed in by fear and guilt In this brilliant and humorous memoir Kerrigan tells of a world that now seems as distant as another country Into the details of school street and family life of Christmas First Communion school violence CIE Mystery Tours and the arrival of television are woven the political background of the day and recollections of the impact of major figures Michael O Hehir Se n Lemass Eamon Dev De Valera JFK not to mention Hector Grey Shane Davy Crockett and Audie Murphy It s a compelling touching and often very funny account of a happy childhood in a country that was itself far from happy

Undeclared Woman Desange Kuenihira,2022-09-27 Sometimes it takes a journey to find your voice As a young girl Desange Kuenihira was told repeatedly that she was meaningless An arranged marriage and motherhood before twenty guaranteeing a life in poverty were all she was told to expect But Desange knew she had more inside her and that education was the key to unlocking her potential In Undeclared Woman Desange Kuenihira takes us on the challenging journey of her childhood She recalls fleeing with her siblings from the civil war raging in Congo and the daily struggle of life in a refugee camp in Uganda where she suffered many forms of abuse She relates her journey to America the culture clash of living with American foster families and her quest for her education and the ability to control her own life Now a college graduate and determined to pay forward the kindness of those that helped her through Desange has launched the nonprofit UnDEclared to empower women and girls in Uganda Desange s inspirational story shows us all how we can overcome any odds through education determined perseverance and the kindness of caring people Country Luck John Habberton,2020-07-27
